## PICKENS HIGH SCHOOL BAND AND SOCIAL MEDIA

In this day and age, I want to make sure that you are informed quickly and a format that works for you. However, I don't use some of the methods of social media the students use!

Here is how you can keep in touch with the PHS Band

**Remind 101:** I've talked to some other directors about how they do the band Remind texts and dividing them up seems to work better. I can be more selective with who gets the message and parents are hit up with a bunch of messages that mean nothing to them!

To opt-in to band texts for the 2020-2021 school year, follow these instructions:

- 1) open your text message app
- 2) In the "TO:" box, type 81010
- 3) In the "message" box, type the code below that is for you. Parents should definitely join the parent remind. YES, the "@" is part of the code! If parents want to join the remind group for their students instrument, they can, but it's not necessary.

Band leadership students already have a Remind group set up.

Please contact me if you have any questions.

### **Remind codes for 20-21 PHS BAND**

**Facebook:** This used to be cool for kids, but now they use other stuff. Adults love it though! The official PHS Band page is PRIDE OF PICKENS (Jasper, GA). Add it and once I confirm who you are, I'll add you to the page! If you're adding someone I may not know, please email me to let me know what is up and that they are safe to add!
