4. Unfinished Business

- Concession Stand –Cheerleading Booster President, Jackie, has inquired about giving up the visitor side concession stand and them taking our old concession stand. If we do the large concession also, we would still have the two. Mr. Wallace suggested profit splitting between band and cheerleading on the large concession stand based on a ratio of number of parents/workers. This is still all in discussion. Some said we should not give up our old stand as it has many advantageous features including the cooking area out back.
- We need to get our supplies out of the big concession stand before spring sports. We can use the trailers to store items. Melissa to let us know work day to meet and clean out.

5. New Business

- We have officer elections coming up in March. Please submit names for list of possibilities.
- Maryann's is willing to do a fundraiser dinner for the band again and Feb 20 has been suggested as possible date.
- Sponsorships-We need to revise our form for sponsorships and consider doing a mail out.
