NCCARE360

A **robust statewide resource directory** supported by a dedicated resource team at **NC 211** who regularly verifies and updates programs and services in the **NCCARE360** platform.

A **team of dedicated Navigators** with the expertise to support complex **NCCARE360** referrals and community-based organizations (CBOs) that are not able to stay with the client through the referral process.

A **shared technology platform** powered by Unite Us that enables providers to assess for and identify unmet social needs, and then send and receive secure electronic referrals and track outcomes.

A **community engagement team** powered by Unite Us working with community-based organizations, social service agencies, health systems, independent providers, community members and more to create a statewide, coordinated care network.

Please call **2-1-1** or submit the **Assistance Request Form.**
