

2026 SMFOA Flag Football Meeting & Events Schedule

Girls Flag Football has been declared a new "Emerging" sport in the state of Missouri by the MSHSAA for the 2026 season. As there are limited schools fielding teams in 2026, the schedule of events and games are limited, yet fluid. Please continue to watch this page for further development of the overall program by MSHSAA and SMFOA.

Southwest Missouri currently has 2 schools fielding teams in 2026: Nixa and Marshfield. Many schools in the KC and St. Louis area have teams as a few other around the state. These numbers are expect to grow rapidly in the future.

Now	Flag Football "Classroom"/Web Training and Certification (Contact Reggie Harris via this website "Contact Us" menu link) This process must be completed prior to attending On-Field Training on March 23rd
