

Safety Checklist

Personal Protection

- Eye protection required for all shooters and spectators
 - Ear protection mandatory at all shooting
 - Hat (recommended)

Firearm Handling

- Carry firearms open and unloaded between stations
- Load only when on the shooting stand and ready to fire
 - Keep muzzles always pointed downrange

Range Conduct

- One shooter per station—no crowding
- No alcohol or drugs before or during shooting
- Spectators must remain behind safety lines

Club Rules

- All shooters must follow posted commands and club policies
 - Safety briefings required for new participants
 - Report any unsafe behavior immediately
