

ATTENTION: DOG OWNERS

DOG REGISTRATION

The River's Edge at Delanco Condominium Association has passed a resolution that all dogs residing within the River's Edge community must be registered with the Association on a yearly basis. A charge for keeping a dog in the community will be assessed each year and a tag will be issued that must be visible on the dog at times. All pets must also be registered with Delanco Township.

There is a small **yearly** fee, \$50.00 for the first dog and \$25.00 for each additional dog that resides within the home.

You will receive a tag indicating that your dog has been registered and must be displayed on your dog's collar.

If you walk your dog outside, please be considerate where you walk. There are dog waste stations posted around the community. Please make use of them. You must comply with the Association and Township rule of picking up and disposing of all dog waste. Also please be considerate when allowing your dog to urinate and not let them do it in the same place each time, which kills the grass. Please vary the areas where you allow your dog to go.

You must register your dog(s) each year by March 1, 2022. Failure to register your pet by that date may result in additional fees being assessed to your account. All dogs must also be registered with Delanco Township.

Please complete the attached registration form and mail it back with your payment to: River's Edge at Delanco Condominium Association, P. O. Box 1106, Voorhees, N. J. 08043.
