Artaxerxes decree to Messiah's Temple

69 "sevens" = 483yrs

Da 9:25 Now listen and understand!

Seven sets of seven plus sixty-two sets of seven

will pass from the time the command is given to rebuild Jerusalem

until a ruler—the Anointed One (*Messiah*) —comes.

Jerusalem will be rebuilt with streets and strong defenses,

despite the perilous times.

Dn 9:26 And after sixty-two weeks
 Messiah shall be cut off,
 (*karat – to cut, covenant*)
 but not *for* Himself...

7wks + 62wks = 69 weeks or 483 years
 (173,880 days)

Lk 19:41 Now as He drew near,
He saw the city and wept over it,
42 saying,
"If you had known,
even you,
especially in this your day,
the things that make for your peace!
But now they are hidden from your eyes.

Lk 19:43 "For days will come upon you
when your enemies will build an embankment around you,
surround you and close you in on every side,
44 "and level you,
and your children within you,
to the ground;
and they will not leave in you one stone upon another,
because you did not know the time of your visitation."

Dn 9:27 Then he shall confirm a covenant with many for one week;
But in the middle of the week, he shall bring an end to sacrifice and offering.
And on the wing of abominations shall be one who makes desolate,
even until the consummation, which is determined,
is poured out on the desolate."
