Stephen is a Welsh Production Designer whose career spans more than three decades across feature films, high-end television, and international studio productions. Renowned for creating immersive, visually compelling worlds, his work encompasses fantasy, science fiction, period drama, contemporary storytelling, comedy, and documentary. Having led art departments across the UK, Europe, Africa, and in the US, Stephen combines creative vision with technical expertise in studio design, location production, and CGI-integrated environments.

Dedicated to nurturing future talent, he also mentors apprentices and emerging creatives, helping shape the next generation of art department professionals.
