Stephen is a Welsh Production Designer whose career spans more than three decades across award-winning feature films, BAFTA-winning high-end television drama, and international studio productions. Having progressed from Supervising Art Director on globally recognised productions including *Doctor Who*, *Torchwood* and *Sherlock* to Production Designer on award-winning feature films and HETV drama, he brings both large-scale technical expertise and creative leadership to every project. Renowned for creating immersive, visually compelling worlds, his work encompasses fantasy, science fiction, period drama, contemporary storytelling, comedy and documentary. Dedicated to nurturing future talent, he also mentors apprentices and emerging creatives, helping to shape the next generation of art department professionals.
