Press Release

As of June 2, 2016, the Midwest Medical Examiner's Office has completed its death investigation of Prince Rogers Nelson. The Midwest Medical Examiner's Office hereby releases all public data relating to this death investigation as specifically defined in Minnesota Statute, Section 13.83, subd. 2. This public data includes the manner and cause of death. Under Minnesota law, all other medical examiner data is considered private or nonpublic data. The Medical Examiner's Office is unable to make any further comments about its death investigation of Prince Nelson.

The Carver County Sheriff's Office continues its investigation.
