Subject: Squad Video

Good morning Jeff,

I was asked to download the squad video from the Medical call on 04/21/2016 at about 0943 hours. I looked at the Arbitrator 360 and I am unable to download the video for the incident. This information was requested by Sgt. Meier and Lt. Enevold. Could you please download the video for them when you return from vacation. Or, if there is a way for one of us to do it let me know and I will do what I can. Can you please save the squad video from squad 7322, 7320 and 7421. Thanks for the assistance.
