I miss you so much. How can you be gone? Your face is everywhere in the days since you left. I cry when I see your beautiful eyes. How surreal to know this email will go into your inbox, never to be opened or read. My grief will hang forever in cyber space. I should have kissed you when I had the chance. My heart is broken. I wonder if my tears will ever stop.

Please visit me in my dreams.  
 I miss you. I love you. I always have.
