

The Smile Shop

Pre-Screening Instructions

Step 1:

- We are so excited that you have decided to embark on your smile journey with us! All of our advanced whitening services are provided by licensed dental professionals under the general supervision of a licensed dentist. Therefore, it is important to us that we follow all state and federal regulations to ensure your health and safety.
 - You will be asked to fill out two forms provided on our website (www.onestopsmiles.com) or via Vagaro: (consultation form and informed consent)
 - We will need your medical and dental history, as well as a recent photo of your smile to pass along to our dentist. It is important to keep in mind, the vast majority of applicants will be accepted, however; there are cases that may be denied. In these rare cases, we can still offer you other options to achieve a whiter smile.
 - Once we have received all your information, our dentist will review your case and approve or deny your whitening procedure.
 - **PLEASE SEND YOUR FORMS VIA OUR EMAIL AT GENERAL@ONESTOPSMILESHOP.COM OR VIA VAGARO**
-

Step 2:

- After our doctor has reviewed your case, we will give you a call to set up an appointment and go over all your options with you
- You can read our pre-operative instructions on our website to be better prepared for your appointment
- At this time, please ask us any questions you may have so that you will be comfortable and relaxed for your big day!

The slide features decorative curved lines in the top right and bottom left corners. These lines are composed of multiple overlapping layers in shades of light blue, grey, and orange, creating a sense of depth and movement.

Step 3:

- The time has come for you to experience what we have been mastering for over 10 years! At check-in, you will be able to select your whitening services, add ons or any additional products you'd like to add.
- Now, just sit back & relax. Let us pamper you. Leave our office feeling recharged and conquer your day with a brilliant smile!
- Don't forget to tell your friends and family about us to receive 10% off any additional services and products at your next visit
