Food & Drink in NYC

Opening of Gulaabo

August 11–13, 5 pm–11 pm

Theater District; entrees from \$18

We know finding a decent pre-theater meal can be a real struggle, but we have good news: Gulaabo has entered the chat. The new concept from the team behind Indian gastropub Baar Baar, this spot on W. 47th Street is an ode to the Punjabi cuisine of Northern India. Think: Kebabs cooked in the tandoor, over a dozen different curries, and unique cocktails, like the Makhani made with butter chicken-washed whiskey, honey, and peat.
