held Monday, April 04, 2022**

The Board of Urbana Township Trustees met on this date with Paul Wright, Roger Koerner, and Blair Stinson present. The minutes of the March 21, 2022 meeting were reviewed and accepted as presented. The Financial Status Reports were reviewed and accepted as presented.

Guests Present:

Dean Ortlieb, City of Urbana Fire Chief

Trustees

Mr. Wright – I would like to talk about East Dallas Road and the grade work that we want to do there. I have a quote here from Ward Excavating (see attached).

Mr. Stinson- so we are going to fill the whole length of Ardell's property?

Mr. McCain – until where it dumps in there and moves across the road. It will be flat, like the backside. Back to where it was.

Mr. Stinson – I didn't realize that.

Mr. Wright – It will be a culvert pipe.

Mr. McCain - What they did was water would come off of that phone lot and in order to get a new pipe in, and it used to be all flat. So to open that pipe up, you put a new pipe in that driveway, then dug her ditch there down to that drain. She had a fit over it and I really don't blame her. This will get it back to the way it was.

Mr. Koerner moved to have Ward Excavating install a culvert on East Dallas Road for the estimated cost of \$4875.00. Trustee Stinson seconded. Roll call was as follows: Mr. Koerner, yes, Mr. Wright, yes, Mr. Stinson, yes.

Mr. Wright – Richard what do you have?

Mr. McCain– I got most of the winter stuff off. Thank you for all of the winter help we had. Trash pick up is done. Thank you Blair and Jan, from Job & Family Services. They did it in quick time.

Mr. Stinson – you did a good job as road supervisor. You got it coordinated and done in good time.

Mr. McCain – we only found two tires. One was a new tire.

I am getting ready to change the oil in the mowers. They are really ready but I want to start out with them fresh.

Its supposed to rain all week so I will wait to do the cold mixing.

We can go back into the cemetery and get some good grass growing.

Mr. Stinson – About the alarm. It is \$67 a month for the alarm system. So, I would like to have us consider disbanding the alarm contract.

Mr. McCain – If we keep that door locked, and the other door locked, we should be ok.

Mr. Stinson – if we keep them locked then that should keep them out.

Mr. Koerner – Does having an alarm make our insurance go down?

Mr. Stinson – I didn't think about that.

Fiscal Officer Perry – I will contact them and ask.

Mr. Koerner – we pretty well know who it was.

Mr. Stinson – if someone wants in here bad enough, they are coming in. But if it helps our insurance?

Ms. Perry – I will check and we can revisit it.

Mr. Wright – We are in limbo on the pictures up there. Do we want to keep them?

Mr. Stinson – if we are going to do it, then make it consistent.

Mr. Wright – My personal opinion is that it is nice that they are up there. So I think we will redo the pictures. Blair you will take care of that?

Mr. Stinson – I will set up a couple of times for everyone.

Mr. Wright – The township association meeting, what have we done about the meal?

Fiscal Officer Perry – Roger took care of that.

Mr. Stinson – Who did you get?

Mr. Koerner – Amy Forrest. She will charge \$15 a plate, and it will likely be 60 people.

Mr. Tullis – When is that?

Mr. Koerner - May 25<sup>th</sup> at 6:00 P.M. at the community center.

Mr. Stinson – when are we having the brush cutting?

Mr. Wright – next week.

Mr. Stinson - So can I let Ardell know about the ditch?

Mr. Wright – you can tell her that as we know right now, yes, that they are hoping to get to the tree grinding next week.

Mr. Wright – I was at the Engineer's Office on Friday and I told Steve McCall and James Landenburg that we wanted them to plan on painting the center and edge lines on our roads. Well there is a paint shortage, so we are not sure that we are going to get the roads painted.

**Sean Tullis – Zoning Report and Cemetery**

(see attached)

There is a Zoning Commission meeting for April 14<sup>th</sup> at 7:00 P.M. There is a public notice out about that. Board of Zoning Appeals is April 11<sup>th</sup> at 7:00 P.M.

My question for the Zoning Commission– should I expect animosity from the city or the community? Because that is going to be to approve that map.

Mr. Wright – I don't think so. My experience with the community is that they really don't care. The city may send Doug Crabill out.

Mr. Tullis – we found the documentation on those storage units. I am going to write permits for buildings 4 and 5.

Mr. Wright – I don't anticipate any issues with that.

---

**Fire Chief Dean Ortlieb**

I have the 1<sup>st</sup> Quarter Incident Report (see attached).

We also asked the dispatch center to give a quarterly report. I will email that to the fiscal officer.

We are going to be testing in May or June. We just had a new person come on. It took us from December to March to get this last person through.

---

**Fiscal Officer**

Marcia Bailey would like to visit at our May 2, 2022 meeting to introduce herself and speak of her platform.

We have Resolution 2022-005-W – the American Rescue Plan Act funds Resolution that needs to be reviewed and voted on.

Mr. Koerner moved, seconded by Mr. Stinson to approved the distribution of the ARPA fund on the revenue loss basis. Roll call was as follows: Mr. Wright, yes; Mr. Koerner, yes; Mr. Stinson, yes. Resolution 2022-005-W was approved (see attached).

I scheduled the meeting for Thursday, April 28, 2022 at 10:00 A.M. with the fire chief.

Champaign County Auditor Karen Bailey will be attending our April 18, 2022 meeting.

I spoke to Peoples Savings Bank and asked for a rate on our money market funds. Peoples offered .35, F&B is .39, and Park is .07.

Mr. Stinson- I think the rates are going up at the end of the month. I think we should wait until then.

We have two cemetery deeds for your review and signature.

  - \$0.65 per square inch for footer/ foundation prep and concrete
  - Minimum order is 5 yards of concrete
  - Less than 5 yards will be charged \$125 delivery charge
  - Footers should be 32" deep to help limit shifting over time
  - 32" deep footer should handle any size (weight) monument
  - All footers, regardless of stone size, should have a 32" deep footer
  - All 12"-24" deep footers shift quickly due to freeze/ thaw cycles
  - Charge \$135/ hour to remove existing foundation using a bobcat and prybar
  - If his crew messes up a foundation they will replace it at their cost
  - He uses Jeremy Cantrel to dig gravesites
  - Takes him 1.5 days to dig, form and pour 7 footers
  - A portion of our spare dirt should be tarped so it stays dry to be used to backfill graves
  - Tarp should have a 1 foot gap at the bottom to allow moisture to drain

The estimate is based on 4 of a gal per sq yd and 25 # of stone per sq yd.  
 Using HFRS2-P at \$1.50 gal estimate and stone at \$16.00 stockpiled we would estimate the approximate cost to chip and seal  
 this year to be \$1.20 sq yd

The asphalt bid and stone cost can greatly effect the cost of the proposed work. Bids will be received near April 8, 2021.  
 The existing road condition can also require adjustments to the amount of stone or asphalt placed.  
 This is only an estimate and the final cost can vary from many variables.

**Resolution 2022-005-W**

**Resolution authorizing expenditure from American Rescue Plan Act Funds.**

**Be It Resolved** *by the Township Trustees of Urbana Township, Champaign County, Ohio*

**WHEREAS**, this date, April 4, 2022, Trustee Koerner moved to adopt the following Resolution:

**WHEREAS**, the Township has received a distribution of monies (the "ARPA Funds") from the American Rescue Plan Act of 2021 ("ARPA" or the "Act"); and

**WHEREAS**, Congress passed the Act effective March 11, 2021; and

**WHEREAS**, Section 603 created the Coronavirus Local Fiscal Recovery Fund which, among other things, appropriated money to cities, nonentitlement units of local government, and counties to mitigate the fiscal effects stemming from the public health emergency with respect to the Coronavirus Disease (Covid-19); and

**WHEREAS**, Section 603(c) generally provides that:

(1) USE OF FUNDS. Subject to paragraph (2), and except as provided in paragraphs (3) and (4), a metropolitan city, nonentitlement unit of local government, or county shall only use the funds provided under a payment made under this section to cover costs incurred by the metropolitan city, nonentitlement unit of local government, or county, by December 31, 2024 -

(A) to respond to the public health emergency with respect to the Coronavirus Disease 2019 (COVID-19) or its negative economic impacts, including assistance to households, small businesses, and nonprofits, or aid to impacted industries such as tourism, travel, and hospitality;

(B) to respond to workers performing essential work during the COVID-19 public health emergency by providing premium pay to eligible workers of the metropolitan city, nonentitlement unit of local government, or county that are performing such essential work, or by providing grants to eligible employers that have eligible workers who perform essential work;

(C) for the provision of government services to the extent of the reduction in revenue of such metropolitan city, nonentitlement unit of local government, or county due to the COVID-19 public health emergency relative to revenues collected in the most recent full fiscal year of the metropolitan city, nonentitlement unit of local government, or county prior to the emergency; or

(D) to make necessary investments in water, sewer, or broadband infrastructure.

**WHEREAS**, Department of Treasury Final Rule, published on January 6, 2022, and effective April 1, 2022, provides in part that:

Treasury presumes that up to \$10 million in revenue has been lost due to the public health emergency and recipients are permitted to use that amount (not to exceed the award amount) to fund “government services.” [The “standard allowance”].

**WHEREAS**, the Rule further observes that:

The standard allowance provides an estimate of revenue loss that is based on an extensive analysis of average revenue loss across states and localities, and offers a simple, convenient way to determine revenue loss particularly for Coronavirus State and Local Fiscal Recovery Fund’s smallest recipients. This change is intended to promote administrative efficiency and simplify revenue loss calculation for smaller recipients.

**WHEREAS**, the Rule further clarifies that recipients can use:

SLFRF funds on government services up to the revenue loss amount, whether that be the standard allowance amount or the amount calculated using the [Final Rule four-step process]. Government services generally include any service traditionally provided by a government, unless treasury has stated otherwise.

**WHEREAS**, some common examples of “government services” expressly recognized by Treasury are as follows:

- Road building and maintenance, and other infrastructure
- Health services
- General government administration, staff, and administrative facilities
- Environmental remediation
- Provision of police, fire, and other public safety services (including purchase of fire trucks and police vehicles)
- Maintenance or pay-go funded building infrastructure
- Modernization of cybersecurity, including hardware, software, and protection of critical infrastructure

**WHEREAS**, “Government services is [deemed by Treasury] the most flexible eligible use category under the SLFRF program, and funds are subject to streamlined reporting and compliance requirements;” and

**WHEREAS**, funds utilized pursuant to the standard revenue loss allowance continue to have certain restrictions, including:

- Deposit into pension funds
- Satisfaction of settlements or judgments
- Contributions to financial reserves or “rainy day” funds

**WHEREAS**, the Board of Trustees have identified projects which, in the judgment of the Board, will qualify as a permitted use of the ARPA Funds, in direct support of governmental services.

**NOW THEREFORE**, it is hereby RESOLVED by the Board that:

1. The Township elects to use the standard allowance and its presumption of revenue loss due to the public health emergency and to use the amount authorized herein to fund government services.

2. The Projects are hereby authorized and shall be paid for from the ARPA Funds.

3. The Projects will serve the objectives of the Act by providing services traditionally provided by a government, namely:

- Police protection
- Fire and emergency medical services
- Road repair, maintenance and other transportation and safety services
- Public infrastructure support
- General government administration and administrative facilities
- Land use regulations and enforcement
- Parks and recreational facilities and programs

4. Accordingly, are Projects are in the best interests of the Township and are deemed a priority for the community.

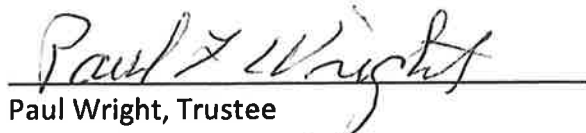

5. No obligations paid under the authority of this Resolution were incurred prior to March 3, 2021.
