VISITOR PARKING

Residents are advised that during the replacement of the Carport Roofs identified in the previous Notice, there will be NO Visitor Parking available for guests to the complex.

Residents who are being disrupted by the construction of their carport will receive a special parking pass to allow them 24 hour parking in visitor parking.

Vehicles without such a pass may be removed without notice at the vehicle owner's expense

PLEASE ADVISE ALL VISITORS/GUESTS TO THE COMPLEX THAT VISITOR PARKING IS UNAVAILABLE UNTIL FURTHER NOTICE.

Your cooperation during this project is appreciated.
