

## **NOTICE TO ALL CYPRESS GARDENS RESIDENTS REGARDING THE GYM**

**The repairs to the gym are now completed. We expect everyone using the gym to respect the area and use the equipment with care.**

**The gym is for adults only (18 years and over) or 16 to 18 years if accompanied by an adult.**

**Please be aware that when you use your key for admittance to the gym (or pool when it opens for the season), the transaction is recorded on the office computer so any inappropriate behavior, vandalism or violation of the gym and/or pool rules may result in temporary or permanent suspension of privileges.**

**We hope you enjoy the use of the refurbished gym.**

**The pool will likely open mid to late May depending on the weather and a notice will be sent prior to opening.**

**Sincerely,**
