

Book Reports

Once a month you and your child will need to read a book that we have chosen for you and then create a book report and a presentation. Have fun with this activity! Please remember that this is a family activity and that your child has to be part of it. This is an important learning experience which will help him/her present and understand projects in the future.

Examples of book presentations:

1. You can sketch your favorite part of the book.
2. Make a time line of all the events in the book
3. Write a different ending for the book.
4. Build a miniature stage setting of a scene in the book (include a short-written explanation).
5. Make a poster advertising the book.
6. Write a book review.
7. Make models of things you read about in the book.

Etc.

Please find the book list that was assigned to your child.

Please read them only when they are assigned!
