Consent & Release Form

Equine Massage & Bodywork Services

I understand that Demi Equine Massage provides non-invasive, observation-based equine massage and bodywork services intended to support comfort, mobility, and relaxation.

These services are not a substitute for veterinary diagnosis, treatment, or medical care.

I affirm that my horse is under appropriate veterinary care and that I have disclosed all known health conditions.

I voluntarily consent to equine massage and bodywork services and release the practitioner from liability for outcomes arising from sessions performed in good faith.
