I hope this newsletter finds you well and rested for the second semester of the 2018-2019 school year!

I would like to notify you that Kindergarten Registration will take place at the elementary office March 12-14. If you have a child that turns 5 by July 31st, please stop by and see us. We will assist you with the registration process from 1:00-3:30 PM on those dates.

In other news, state assessments called “NSCAS”, will begin March 18th for our students. Students in grades 3-8 will participate in these high stakes assessments in the areas of English Language Arts, Mathematics, and Science. We will notify families specific dates in the coming weeks. There is no doubt that our teachers have students well prepared!
On February 22nd, Emma Henkel from Bayard was crowned the Morrill County Spelling Bee Champion. This is the second time she has won the event! Bridgeport’s own Ethan Keszler finished in 2nd place. Ethan is just a 5th grader, so he will have several more opportunities to compete for the championship. The Morrill County Spelling Bee is open to all students in grades 1-8, however only students in grades 5-8 can compete in the finals.

It has been a tremendous year of learning and experience for our elementary students. I look forward to a strong finish! If you have any questions regarding the elementary school, please don’t hesitate to call 262-1574.

Thanks!

Mr. Malone
