We have chosen to develop a SECURED WAIT LIST. To be on the Secured Wait List, you leave a \$200 deposit. As kittens are available and ready to be chosen (Eight weeks of age), I will contact the families on the list in the order I receive the deposits. You pick out your kitten from the available litter. At that time, when you choose your kitten that you want to join your family, you leave another \$300 deposit toward kitten. (\$500 total to reserve that kitten until final sale) The balance will be due at the time you pickup your kitten. If you do not see a kitten you want out of the current litter, you simply “pass” to the next litter. Your deposit goes toward the purchase price of the kitten and you move up the list as people ahead of you choose their kitten. After families choose their kittens that are on the Secured Waiting List, I then offer the remaining kittens if any to the public. Please notify me via Facebook, Instagram, email or direct phone. You may pay your \$200 deposit via PayPal (Friends and Family Option), Money Order, Check, Zelle, Venmo or Chase Pay. A deposit and final Binding contracts must be filled out.
