

Williams Distribution LLC
A Chemical Distribution Company

*A Leading Industrial Chemical Distributor
A Preferred Paint Stripping Company*

****Product Line Card****

Facility & Jan-San Products

For – Floor & Carpet Care, Kitchen, Sanitizers, Laundry, Fabric & Vehicle Care

Floor Cleaners, Degreasers & Wax Strippers:

2115 Neutra Cleaner Won't harm Waxed Floor Finishes, Surfaces and pH. 8
2107 Revitalizer One Step Cleaner & Wax
2122 Dust Bop Treatment
2120 Sure Foot Title Cleaner
2110 Power Strip Wax Stripper
2121 Neutralizer to remove salt & ice melt
6917E Degreaser Cleaner under 10ph
6915HD Heavy Duty Degreaser Alkaline

Floor Finishes & Coatings:

2111 Ultimate Shine 25% High Solids Finish
2117 Diamond Shine Burnishable Finish
2242 Urethane Enhanced Water Based Concrete Floor Sealer
2250 Oil Modified Concrete Sealer
2118 Stone Care Sealer – Natural Stone Surfaces

Floor Sweeping Compounds:

6960 Clean Sweep Oil Based no grit
6965 Wax Sweep Compound for Wood floors

Carpet Care:

2190 Carpet Cleaner/Extraction *7 Bonnet Clean Conc.
2191 Carpet Spotter RTU Remove spots
2192 Spotter Conc makes RTU spot cleaner saves \$
2199 Defoamer remove suds and foam anywhere
2198 Carpet & Fabric Protect Repels stains

Kitchen, Food & Sanitizer Service Products:

3160 Jem White Dish Soap
3165 Premium Emerald Dish Soap
3270 Sub Zero Freezer Cleaner
3255 Cuts Degreaser RTU for Kitchens
3260 Sani Spray RTU Kitchen Sanitizer
3265 Sanitizer Concentrate odorless

Laundry & Fabric Care:

5200 Clean Break Laundry Builder
5215 Fabric Fresh Laundry Softener
5220 oxy Power Safe Bleaching/Cleaning
5230 Bleach Destainer removes blood and protein satins
5235 Lemon Fresh Laundry Powder Economical

Vehicle Wash:

8900 Car & Truck Wash concentrate
8955 One Step Car Wash & Wax

Specialty Items:

Dema 607 High Flow Mixer 10GPM
Streamline 8471 2 Button Mixer 1 & 4 gpm
Streamline 3 Button Mixer 8571
Dema RF Remote Gas Pump Like Filing Mixer
Rapid Fie Foamer Wand Dispensers
Dema dish Soap Kitchen Dispenser
1 oz Pump for Gallon Jugs
5 gal Pail Hand Pump
Quart Empty Bottle
Spray trigger for Quart Bottles.

Facility & Jan-San Products

Glass Plastic & All-Purpose Cleaners, Disinfectants, Polishes, Drain & Hand Care

Glass – Plastic – CRT & More Multi-Surface Cleaners:

2500 Sparkle Glass Cleaner RTU Ready to Use

2590 Kwik Cleaner RTU spray and wipe

2570 Plastic & CRT Cleaner RTU

All Purpose Multi-Surface Cleaners

2490 Crème Cleanser Abrasive Tough Cream

6913 Simply Green Bio-degradable Clr

2669 Non-Butyl Cleaner BOD friendly

2461 Hydrogen Peroxide Cleaner cont.

Polishes for Wood & Stainless Steel:

2420 Steel Shine – Stainless Steel Polish

3370 Premium Wood Polish

Machine Cleaning & Parts Washer:

6919 Orange Power RTU Cleaner D' Limonene

6950 Super Citrus Cleaner Conc. Citrus oils

Enzymes & Air Fresheners

2425 Odor Eliminator Enzyme to remove build up in drains and eliminate sources of odors. For the industrial world.

2340 Urinal Screens w/Blocks

2400 Air Freshener

2392 Absorbent Deodorizer for vomit clean up

Drain Care

3505 Quick Drain Opener

2425 Enzyme Drain Maintainer Deodorant

EARTH Care Line of Super Concentrates:

4250 Disinfectant & All Surface cleaners: cleans all rest room surfaces, glass, stainless, drink Ftns & more

4255 Proxi Clean – cleans toilets, sinks, commodes removing hard water, rust and without harsh acids

4265 neutral Cleaner 8ph Cleans tile, walls, floors, & surfaces needing cleaned with neutral pH.

Disinfectants & Deodorants/Restroom Cleaners

2300 Non-Acid Restroom / Multisurface Clr EPA Reg.

2450 Lemon Neutra Quat Cleaner Disinfectant EPA Reg.

2325 Low Acid Restroom Cleaner EPA Registered

2380 Tile Grout Phosphoric Cleaner

2377 Disinfectant Wipes: just wipe & clean

2360 All in One RTU Disinfectant no scent or dye

2370 clean up with Bleach

Concentrated Disinfectants

2450 Lemon Neutra Quat Disinfectant/Clr

2451 Pine Disinfectant Clean great pine scent

2391 Lime Away Conc. Calcium/Lime Cleaner

Hand Soaps

SC Jonson Hand Care Program Includes

Refresh Foaming Hand Soap Clear or fragrance

GFX Foamy Grit, Save 30%

- Foaming Instant Hand Sanitizer
- Prework Barrier Cream
- Hair and Body for Showers
- Hand Lotion
- Waterless Hand Cleaner

Paint Shop Maintenance & Specialty, Metal Treatment

Paint Cleaners Water Based

7915 Heavy Duty Water Based Alkaline
7912E Low Voc Water Based Alkaline
7912H Aluminum Safe Water Based
5131g Non-Caustic Paint / Glass Cleaner
7918 Thick Water Based Paint Cleaner
7831 Ecoat Cleaner

Paint Booth Coatings Water Based

(All Have Zero Voc & No HAPS)

7977c Clear Tacky Booth Coating
7995 / 7995 T White Grate & Booth Coating
7996 Clear Paint Barrier Coating Dries to Touch
7992W or C Barrier coating Petrolatum based
7987E White Tacky Coating Haps Free
7948-BC7 White Coat Sprayable
7999W / G White or Gray Peel Coat

Specialty Products

3128 Anti Squeak Lubricant Compound
CG 2000 Anti Scratch Mutilation Prevention in Plant Coating
1001 Petrolatum Lubricant
9912 Gas Tank Purge Water Based
7869A Rubber Solvent Cleaner Roll Test
4817 Leak Detector Dye
3301 Lubricant Silky Soap pink
3165 Emerald Lubricant Soap, like Palmolive
3160 Jem Lubricant White Soap Like Ivory

Paint Cleaners Solvent

7160 Non-Chlorinated Hi Flash 100+ F Paint & Equipment Cleaner Sealer Remover
7470i Thick Heavy-Duty Thick Stripper
0749 Thick BA Heavy Duty Thick Stripper
7362 & 6132 Paint Line Stripper & Line Flush to Clean Paint Delivery Lines.
7954 Thick Naphtha Stripper 1k
7363 Thick Clear Paint Stripper 2k

Paint Booth Coatings Non-Water Based

8011 Gold Barrier Coating No Voc
8011W White Barrier Coating No Voc
8004 Thick Baffle Coating
7991 Sprayable Baffle Booth Grease
7818 Thick Hi Temp Red Grease
6222 y High Temp Oven Tacky Green (6222 is tan)

Metal Treatment Products:

2000 Hi Light Solution
3622 Anti Spatter Compound Low Ph.
6350 Anti Spatter Compound
3200 Rust Preventative Concentrate
3275 Rust Erase Derusting Chemistry

Paint Shop Detack Products

We Tailor our products to your system

Paint Detackifiers:

- 9333 Aluminum Starch Detack – works well with water based & 2k paints
- 9370 Chemidetack Poly Aluminum – traditional technology good on high solids paints
- 9375 Poly Aluminum Detack – Lower viscosity for smaller systems
- 9345 Poly Amine Detack: Solids Separator for Cationic Paints
- 9331 Chemidetack Poly Amine: organic amine for water wash booth

Paint Detack Dispersant:

- 9304 Bio dispersant – Aids in biocide reduction in highly biologically active systems

Paint Detack defoamer:

- 2196 Water Extended Defoamer for Detack pits
- 2100 Oil Based Defoamer for Detack pits

Polymers:

- 9206 Cationic Chemipolymer – high molecular weight polymer for superior solids collection
- 9203 Anionic Chemipolymer – Highly effective Anionic polymer useful in charge correction.

Premade Floc:

- 9000 Cationic Premade Floc – ready to use flocculant for small systems to remove paint solids

Melamine & Scrubbed Melamine:

- 9010 Melamine F – has free formaldehyde to remove paint solids
- 9011 Scrubbed Melamine F – Free formaldehyde

Additional Support Chemistries Needed:

In Paint Detack operations, we can support the daily process with Biocides, Bleach Caustic and supply these to your paint detack system. Consult us on these extra chemicals needed for the control and removal of paint solids in your plant.

Coolants & In-line Parts Washers for Assembly Operations

Synthetic Coolants:

1397 Chemicool Grinding & General Machining

1388 Chemicool Lighter than 1397 for Grinding

1397HS Premium Coolant for Machining

Semi-Synthetic Coolant:

1410 CS Chemicool Med Duty Ferrous & non-Ferrous

1404C Chemicool light Duty Coolant contains triazine

1442 Chemicool Med Duty Coolant

1401 Chemicool multi-metal includes Titanium

1450 Chemicool coolant

1412 Chemicool Low Oil for Extruded/Cast Aluminum

1425 Chemicool Chlorine free coolant boron free

1402 Premium HD Alum & Steel Machining Coolant

Soluble Oil Coolants:

1530 Chemicool Med Duty Low Foam & Non-Staining

1584 Chemicool Heavy Duty Bio Stable for Aluminum and steel parts

Rust Preventatives:

11257 RP for Iron/Steel long term corrosion inhibitors & rust prevention, mild alkaline pH

1125 RP for protecting against bacteria & hard water tolerance 10ph, steel parts Neutral pH.

Light Stamping Oils:

193 ChemiDraw: Is designed for fin forming and other light or medium stamping applications.

194 ChemiDraw is a light duty evaporative metal forming lubricant.

Blank Wash ChemiDraw Products:

1603B Med Duty Stamping & Drawing Compound emulsion for Col Rolled or Galvanize Steel

1605 Oil Based Metal Working Fluid Steel, Galvanized or Aluminum Body parts. Good RP

1607C High Pressure Stamping & Drawing Compound, Good for Acidic & Humid conditions

1609S Heavy Duty Stamping Compound & protects panels stored for up to 12 weeks against corrosion or staining

Parts Cleaners for Low- & High-Pressure Washers:

1175 Chemiclean Med Duty Low Foam Med RP for inline parts washers on steel parts

1125Q Chemiclean Low foam for cast iron with corrosion inhibitors

1256C Use in High pressure no foam washers, free of DEA-Phosphate & no Silicates ferrous & steel metals safe

1256-CA Aluminum safe & No DEA or Silicates, great parts washer for engine and aluminum parts or castings

1387GMA Use in Ultra High-Pressure spray washers. DEA, EDTA free & moderate Rust Protection

1397-CF Low to Non-Foam use in Ultra High Pressure washer High/Excellent Rust Protection DEA EDTA Phosphate silicates free

M5B-341-A Mild Alkaline for High pressure Spray Process Parts washer, Silicates based no foam with excellent short term RP, aluminum safe.
