## ART CONNECTIONS

*SPECIAL EDITION Newsletter*

October 15, 2020

Welcome back to the first in our latest series of *Art Connections* special editions!

After a summer hiatus, we're reinvigorating VSC's online version of a show 'n' share in response to the ongoing sequestration that COVID-19 is laying on us.

Earlier this year, we compiled eleven issues, averaging four pieces of art per issue, so have been able to show off a fair number of our members' works. A big club thank-you goes to Virginia Hutzuliak for her great idea to get *Art Connections* up and running in the first place!

So, we exhort ***you*** to share your finished works or your works-in-progress for members to see-- you can just pretend you're walking around the Windsor Park Pavilion looking over your colleague's shoulder.

If you would like to participate, please forward to following to [Rand Harrison](#) :

- 1) your image in .jpg format (no pdfs, please)
- 2) painting details, including title, dimensions, media, date
- 3) any artist commentary, and
- 4) the email address at which you'd like to receive comments

See you in the funny papers!

From a 30-year old photo I took of my mom's lupins against a fence. I struggled mightily, especially on composition.

## Val Lawton

**Artist:** Val Lawton

**Title:** *Hallowe'en Tree*, pen, ink and ink wash 5.5" x 5.5" ; (autumn 2020)

**Artist's Comments:**

I used a traditional dip pen and India ink wash for the backdrop. I was inspired by one of my favourite illustrators, [Edward Gorey](#) (especially his *Gashlycrumb Tinies*), whom I regard as the king of spooky pen and ink work.

Comments welcome!
