# About us

## MIJOnline.com

BISMILLAHIR RAHMAANIR RAHEEM

Alhamdulillah, we feel very accomplished to have successfully set up MIJOnline - our virtual Islamic school since October 2020.

**Madressa Imam Ja'afar e Sadiq (A)** was the brainchild of **Sister Gulshan Moledina** - who recognized the need for an Islamic center for women and children in Sharjah (UAE). With the support of her family and the enthusiasm of community members, she established MIJS (A) in 1988, which served as the main means for Islamic education for children and women, according to the teachings of the Ahlulbayt (A) in the vicinity.

After over 29 years of operating as an instrumental and enlightening source of religious activities and education for the ladies, youth and children of Sharjah & surrounding areas, due to unforeseen circumstances, the brick-and-mortar building was temporarily closed down in 2017.

However, with online education and platforms becoming common during the Covid-19 pandemic, we were able to seize the opportunity and relaunch MIJS (A) after 3 years - virtually - as MIJOnline in October 2020, Alhamdulillah!

During our first year (2020-2021), MIJOnline received a lot of appreciation and success- with over 180+ regular students enrolled, and almost 35+ staff members as part of our team. After the pandemic, we decided to continue this initiative; and Alhamdulillah, it has ever since, benefitted so many more students from all across the globe!

All of this has only been possible because of the will of Allah (SWT) and the blessings of the Ma'sumeen (AS). Moreover, we could not have done any of this without our valuable, dedicated and knowledgeable staff members. Some members of our team carry with them, years of experience in Madressa teaching, and many of them used to once be in the physical MIJS (A) - as staff or even students in the yester years- joining hands with us again, and volunteering for this cause from every part of the globe. Alhamdulillah!

We invite all parents to collaborate with us in this continued effort of educating every child of our community with religious knowledge, which will turn them into a better mo'min, InshaAllah!

May Allah (SWT) continue to bless us with His mercy and blessings.

# Message from The Principal

All praise is due to Allah (SWT), blessings upon Prophet Muhammad (S) and his noble lineage (A). May Allah (SWT) hasten the reappearance of the awaited saviour, Imam Mahdi (AJF), Ameen.

## **Warm greetings to respected parents of MIJSONline students!**

At MIJSONline, our core mission is to provide quality education in Qur'anic and Islamic studies for your children.

We invite your cooperation and strong partnership in this initiative, as we have allocated only one day per week to ensure effective education. Our goal is not only to impart knowledge, but also to instill the teachings of Prophet Muhammad (S) in our students, guiding them to embody his principles.

As Imam Ali (A) wisely stated,  
"Know that there is no good in knowledge that does not benefit anyone."

Therefore, our primary focus is on nurturing the character and moral ethics of our students.

In this digital age, where technology can both empower and endanger young minds, we have assembled a team of highly qualified and trained teachers to guide our students.

We humbly request all MIJSONline families to support their children in attending Madressa regularly, providing them with a conducive learning environment during class time, revising what is taught every week before the next Madressa session and maintaining open communication with our dedicated staff & teachers for any queries or updates.

May Allah (SWT) accept our collective efforts.

**With Du'as,**  
**Sister Tehseen Khaku** (Principal @ MIJSONline)
