The original agreement was between “ ” and Farm Finger’s. Details of the project have been provided via the estimate. Further details of the contractual agreement may be found at <https://farmfingers.com/warranty>. Please feel free to inform us of your reason for cancelation in the following space provided.

Full explanation of your rights can be read at:

This site states, “To cancel the contract, sign and date both copies of the Notice of Cancellation and either mail or hand-deliver *one* copy to the merchant by midnight of the third business day after signing the contract. Keep the second copy for your records. Since you may need to prove that the cancellation notice was sent on time, you should use certified mail (return receipt requested) so that you will have the receipt as proof. If the notice is hand-delivered, be sure to get a signed and dated receipt. You are not required to state a reason for canceling the contract.”

We have simplified the process. You may download this file, fill it out, save it and send it back to us via email if you like. This is the method we would prefer due to the risk of covid 19.

We look forward to working with you on your next project.
