

## FROM THE PASTOR

Greetings dear friends of Freshwaters and sisters and brothers in Christ Jesus! I pray that you and your family are well!

This is an interesting newsletter to write because it is 18 days before the election and our nation is on edge. If you have been following online worship or attending in person you will note that we have been trying to address how we navigate this very polarized time. Scripture shows us that to navigate these days we need to have an undivided heart, soul, mind, love, strength, and community (the church). Jesus tells us that the most important law is to love the Lord your God with all your heart, soul, mind, and strength; and to love your neighbor as yourself. This not a recommendation, this is not a suggestion, this is a command – the greatest commandment. We see Jesus in the Gospel of John say – I give you this command that you love one another, and that because of this love you will be known as my disciples. How wonderful it would be that we would be known for that rather than the candidate we support or supported.

Friends, we do not know the outcome of the November election, but the one thing we do know is that Jesus is still the Lord of heaven and earth; Jesus is still our Savior; Jesus will come back and all the madness will end in his ultimate victory. This belief grounded the faith of many Christian men and women who have gone before us when they faced difficulties, crisis, and chaos. In the declining years of the Roman Empire, the Christians had this eternal

perspective that despite the persecution they were more than conquerors because they knew Jesus was alive and had won for them a crown that would not rust, fade, or perish. Every single day they faced new struggles in daily life in an earthly kingdom that was falling to pandemics, famines, civil wars, and invasions. Emperors, governors, princes, rulers might change but Jesus is forever – indeed Jesus is the same yesterday, today, tomorrow, forever. We must build our spiritual house upon the Rock of Jesus Christ and take shelter there together. This is why we are the church, unified in our love for Jesus and strengthen by his love for us.

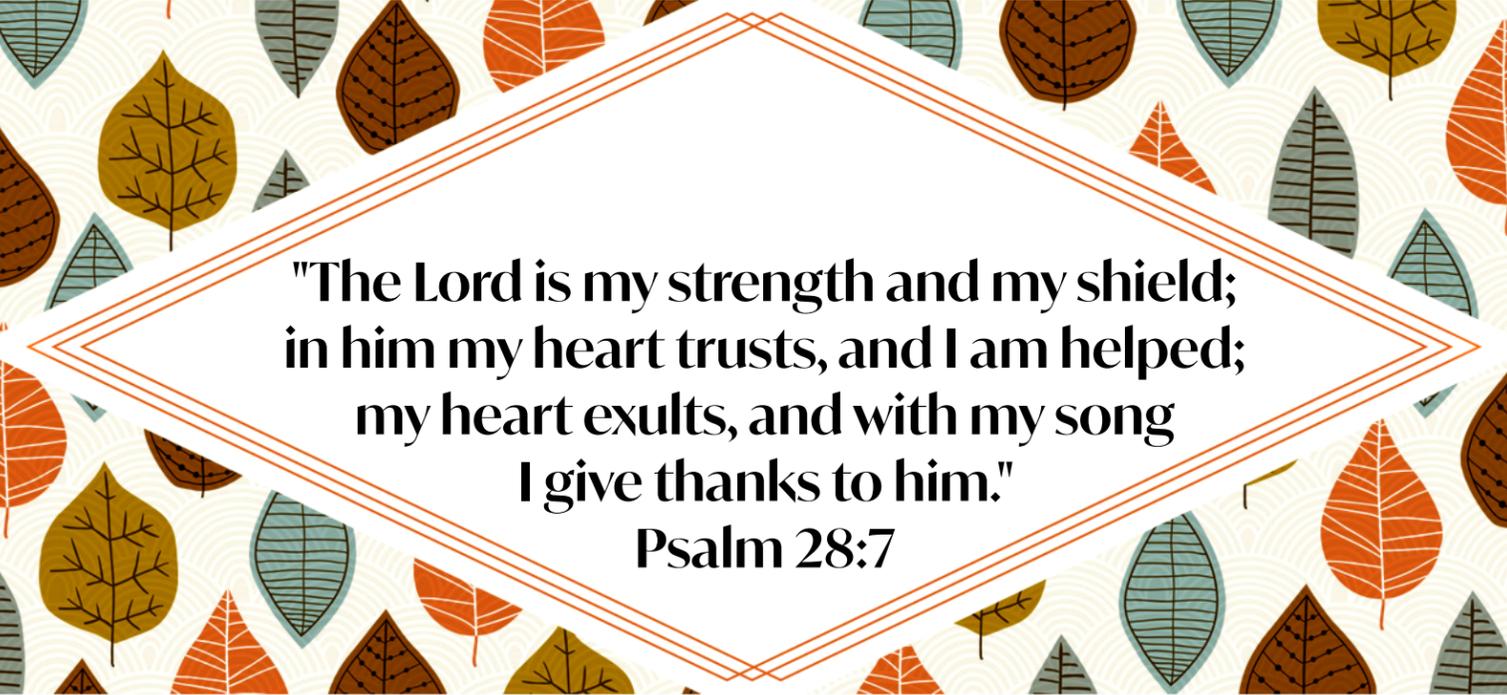

I pray that in our own humble steps we can contribute to the process of healing our communities and our land. I pray the church and its spiritual leaders will help lead us to where we can all sit down at the table of fellowship; as Martin Luther King Jr dreamed. I want you to know that I am praying for you and our congregation in these days; I ask for your prayers as well. Pray and give thanks for our wonderful worship leaders and musicians, give thanks for our awesome office assistant Bethany Moos and our children's/youth person Cori Wallace. All of us working, praying, striving together will pull through these days and give glory to Jesus Christ! May all of you be blessed with peace and grace! Pastor Kevin

## SINGLE BOARD MEETING MINUTES

October 10, 2020

The meeting was held at MN Propane building following the planning session. Present were Linda Olson, Darren Wesloh, Andrew Harvala, Scott Liestman, Dave Halverson, Phil Lingle, and Kevin Fox.

The meeting was called to order by Linda at 1:30 pm.

The Agenda was approved as written, and the minutes from 9/8/20 had been approved electronically.

Kevin reviewed the nominations committee's progress.

Andrew reported for the Trustees. They will be finalizing bids for sanctuary repairs soon now that insurance benefits have been completed. Roof repairs are done. They are working with the PUC to switch to LED lights and go to a lower electric rate.

Roger presented the financial report. Giving remains steady but down about \$12,000 from a year ago. Expenses have also been lower. Our balance sheet looks good but we are still being supported from the \$20,000 grant from the Conference for the Youth Director position. We are planning to re-apply for the grant for next year, but will have to plan on covering that position if we do not get it. Current giving will not meet that expense, so Pastor Kevin will send a letter out to the congregation to remind people to keep up with giving.

The policy statements on endowments was reviewed and presented as follows:

### Spending Policy for Endowment (Applegate and Smith)

Proceeds of this investment will not be relied on as part of the general budget of the church. This account is never to invade the original principal. All earnings beyond the original principal will be available at the discretion of the Trustees. If the account ever drops below the original principal invested due to investment performance, no access would be allowed.

### Spending Policy of Zimmerman Sale Proceeds

Proceeds of this investment will not be relied on as part of the general budget of the church. Per the Bishop and the Minnesota Cabinet if the UMC, this account is to be left alone to be used at a later date for future building projects of the church. However, the dividends can be used for ministry purposes which may be above and beyond the general budget and/or capital improvements at the current location. This would include all dividends paid previously if they have not already been used. Dividends are typically paid on a quarterly basis and would be available at that time. The use of these funds will be at the discretion of the Single Board.

A motion was made and seconded, and the policies were approved as written.

Roger informed the Board that we received a grant from the Metcalf family in honor of Alex Metcalf for the amount of \$1400. A motion was made and passed to place those monies in the Investing in Congregation fund of the budget to be used for education.

Darren reported for the SPRC committee. The Pastor's evaluation has been completed and they have begun the work on the compensation package. They will perform an evaluation for Bethany also.

Due to Covid we will do a virtual annual meeting in a Charge Conference format, where only the Board will be present. All the information will be sent out to members in letter form, with any questions to be directed to Board members ahead of the meeting. The board will then vote on the annual package on December 15.

The next meeting is scheduled for November 10, 2020 at the church.

Meeting adjourned at 2:40

## Service of Remembrance

A special time of remembering those who have died during the time of COVID, including Charles Herman, Yvonne Gunnick, Bruce Morton, and Verna Ady.

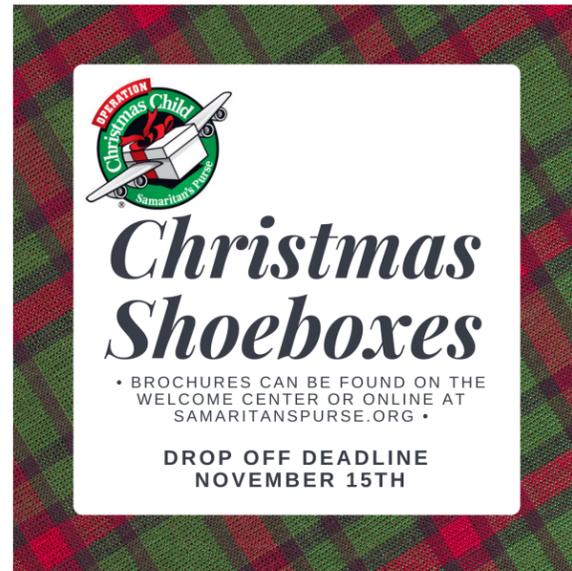

If you have a loved one you would like us to remember, please contact the Church Office so their name and photo came be added to the night.

Be on the lookout for the Christmas Giving Tree towards the end of November. We will once again be joining with other churches and the school to bless families in our local community. There will be paper ornaments on the tree listing gifts for each family member. We will also put them on Facebook for those not coming to church in person but would like to be part of this awesome ministry. Contact Isaac if you have any questions (763) 742-4583.

### THANKSGIVING EVE SERVICE

The Princeton Ministerial is still uncertain about whether or not to have an ecumenical Thanksgiving worship service given the unknowns surrounding Covid. On the first week of November a decision will be made. Please look at the Freshwaters Facebook page, the Freshwaters Church website, the church bulletin, or simply contact the church office for more information.

## “CHARGE” CONFERENCE

December 15, 2020

7 PM

The District Superintendent recommended that we hold a charge conference rather than a church conference this year. **A charge conference is where the pastoral support package, the election of church officers, the sharing of reports, approval of the budget is voted on by the Single Board.** We plan to arrange to mail out to each of the members of Freshwaters the church conference packet by mid-November so that you will have it well in advance of the Charge Conference. We do not anticipate anything major to be voted on this year, so this conference should be straight forward and to the point. If you have any questions, concerns, comments you are invited to reach out to Pastor Kevin or members of the Single Board.

### FOR THE BEAUTY OF THE EARTH

TEXT: Folliot Sandford Pierpoint MUSIC: Conrad Kocher

1. For the beauty of the earth,  
For the glory of the skies,  
For the love which from our birth  
Over and around us lies.

Refrain: Lord of all to Thee we raise  
This our hymn of grateful praise.

2. For the wonder of each hour,  
Of the day and of the night,  
Hill and vale, and tree and flower,  
Sun and moon, and stars of light. (Refrain)

3. For the joy of human love,  
Brother, sister, parent, child,  
Friends on earth and friends above,  
For all gentle thoughts and mild. (Refrain)

4. For the church, that evermore  
Lifteth holy hands above,  
Offering up on every shore  
Her pure sacrifice of love. (Refrain)

5. For Thyself, best Gift Divine.  
To our race so freely given,  
For that great, great love of Thine,  
Peace on earth and joy in Heaven. (Refrain)
