***New to the Market
2017 Legacy 450***

***Exceptional Opportunity
Some Trades Considered***

"Experience why the Legacy 450 is an industry leader in mid-size jet design, speed, range, and comfort, and available now at an exceptional price."

CCI is pleased to offer our 2017 Embraer Legacy 450. This Legacy 450 is available for immediate sale, with select trade considerations possible.

Building on a distinguished legacy of world-class executive jet design, the Legacy 450 represents a new-generation, technologically advanced platform and is a recognized and proven leader in the midsize jet market. This Legacy 450 delivers exceptional cruise speeds, true transcontinental range, and a notably comfortable cabin altitude—all as a compelling value.

On board, passengers enjoy the full suite of comfort and performance advantages the Legacy 450 provides, along with the added confidence of HEPA filtration systems that remove 99% of airborne bacteria, ensuring a clean and safe cabin environment.

This premium midsize Embraer Legacy 450 features engines enrolled in Honeywell's MSP program and with the airframe covered under Embraer Executive Care.

The elegant interior is configured to comfortably accommodate up to eight passengers, featuring a four-place club arrangement in the mid-cabin, two forward-facing seats in the aft cabin, and a two-place divan in the forward section. A forward refreshment center, equipped with a microwave oven and coffee maker. A fully enclosed rear lavatory completes this refined executive interior. This Legacy 450 had the latest and improved door installed at West Star Aviation, which also incorporated service bulletin 550-52-0002. West Star also accomplished a full new paint in 2024.
