WHY JOIN THE PTSA?

Connects you to a network

of parents and teachers in our community and gives you a voice in support of education.

Keeps you more informed

to understand challenges schools face and become part of the solution.

Boosts children's well-being.

Research has proven kids do better when parents are involved: grades are higher, test scores improve, and attendance increases.

Makes you a good role model by demonstrating to your children the importance you place on education.

Enjoy substantial benefits

with your Arizona State and National PTA Membership through discounts, offers, and leadership training as well as local special offers and discounts.

Join the other millions of people nationwide who have become PTSA members and help make an impact!
