Things the PPP PTO has done in the past for the teachers/staff that I would like to have again: (if you are new to PPPS, share what a previous PTO has done that you would like to have here)	I have truly enjoyed the traveling goodies cart to the classrooms. The homemade snacks, the yummy beverages and desserts are such a nice pick-me-up. I love the sponsored teachers lounge lunches as well, those have saved me during the day at times, and is so generous. I have never felt more appreciated than this year's teacher appreciation week, we were so spoiled!
Things that have *NOT* been done in the past that I would like to suggest:	
Anything we missed that you would like the PTO to know?	I am so grateful for your generosity, your drive, your care for our classrooms, your consideration for not only what we want but what we need, and for genuinely caring for our well-being and mental peace. I am very lucky to be surrounded by supportive and willing volunteers.
