Things the PPP PTO has done in the past for the teachers/staff that I would like to have again: (if you are new to PPPS, share what a previous PTO has done that you would like to have here)	I think the dinner during conference week is so wonderful and really allows the staff to sit together and enjoy a meal. We all have separate lunches, so it's nice to come together the night of late conferences. One year, during teacher appreciation, someone put up signs outside the building, and that was so nice to see each morning.
