When I am not at school, I like to relax or spend my free time:	with my husband, daughters, son-in-law, and grandchildren. I like to garden, knit while watching Young Sheldon, Big Bang Theory, or NCIS. British Bakers are fun to watch too! I read myself to sleep each night with my Kindle.
Something I love learning about or want to learn more about:	How to be a mathematician! I want to learn how to play Pickle Ball too! I just bought a paddle on clearance.
I have the following allergies, dietary preferences or food dislikes:	Only environmental and mold :O)

I do *NOT* need more of these things or I would *NOT* like receiving these things as gifts:	I am grateful and appreciate anytime someone thinks of me.
Things the PPP PTO has done in the past for the teachers/staff that I would like to have again: (if you are new to PPPS, share what a previous PTO has done that you would like to have here):	In past schools where I have worked, the PTSA provided a light meal and snacks during parent/teacher conferences. I always appreciated this generous appreciation because it was difficult to eat during these times.
Things that have *NOT* been done in the past that I would like to suggest:	I've never had the great opportunity to have generosity splashed upon me like the PPPS PTO has done. I am so grateful to be a part of this school and to partner with the PTO.
Anything we missed that you would like the PTO to know?	Thank you for the many ways you care for and support teachers at PPPS. Your welcoming spirit makes teaching at PPPS a true delight.
