Classroom supplies that I always NEED more of or seem to run out of:	rectangle kleenex boxes for my kleenex holders/table numbers, they always steal all my kid scissors, check out the wish list for other things that come up I usually add things as I see things we need!
Books I'd LOVE to have for my classroom:	Anything your kid loves is great to build the library!
I have a para educator or student teacher who will be in my classroom and their name is:	n/a
When I am not at school, I like to relax or spend my free time:	with my husband, family, and my doggies
Something I love learning about or want to learn more about:	nothing right now
I have the following allergies, dietary preferences or food dislikes:	No food allergies but scents give me headaches unfortunately. I love all foods really. The things I don't like are really random like cottage cheese and cooked fish which rarely come up at school.
I do *NOT* need more of these things or I would *NOT* like receiving these things as gifts:	Little nicknacks unless it's a weenie dog
Things the PPP PTO has done in the past for the teachers/staff that I would like to have again: (if you are new to PPPS, share what a previous PTO has done that you would like to have here)	I love the weekly snacks I think it's fun to go down to the lounge for surprise snacks. I love the Trunk or Treat.

Things that have *NOT* been done in the past that I would like to suggest:	<p>We did a super fun night at my old school where the music teacher set up the risers outside and the grade levels came in class tshirts and performed. We had preordered pizzas delivered for families and it was a family picnic on the lawn night, listening to the kids sing. So fun!!! We could do food trucks though for dessert and tell families to do picnic dinners or something like that. I loved last year when my room moms spent the morning with my class and let me go make a bunch of copies that I needed to do. I told them for Teacher Appreciation Acts of Service are my Love Language so Pacheco hung out so I could get things done during work hours and not on my personal time. It was end of the year so no crucial instruction was lost but teachers might love that randomly before a holiday break. Even if it was 1 hour or 30 minutes.... we love class coverage with Dr. Freed's approval! Being prepared really reduces stress! Reduced stress makes happy teachers!</p>
Anything we missed that you would like the PTO to know?	You gusy are amazing. Thank you for all you do!
