Subject: CareKonnnect™ Pilot Terms and Conditions

1. Pilot Overview:

This is a 30-day pilot to evaluate CareKonnnect's digital clinic platform. CareKonnnect provides technology only and does not provide medical care. This pilot does not create a partnership, employment, or agency relationship.

2. What CareKonnnect Offers:

- Provides Branded digital clinic page.
- Practitioner profiles & booking tools.
- Secure patient records.
- Virtual consultations (video/audio/chat.)
- Patient volumes are not guaranteed.

3. Clinic & Practitioner Responsibilities

The Clinic confirms that all practitioners are licensed, act professionally, and use the platform only for agreed services. The Clinic ensures accurate pricing, service information, and patient consent for digital care and data use.

4. Clinical Responsibility & Liability

All medical decisions are the sole responsibility of the practitioner. CareKonnnect is not liable for clinical outcomes, misdiagnosis, delays, or practitioner conduct. Cases requiring physical or emergency care must be escalated appropriately.

5. Data & Records Patient

Data is handled under NDPR. The Clinic owns its patient records. CareKonnnect may use aggregated, anonymized data for analytics and reporting.

6. Commercial Terms (Pilot)

- Setup & Subscription fees ₦0
- Post-pilot models may include:
 - Transaction fees
 - Revenue share on CareKonnnect-originated patient engagements (time-limited).
 - Hybrid models by agreement

7. Platform Use

The Clinic will not reverse engineer the platform, replicate workflows, or share access outside authorized users. CareKonnnect may update platform features during the pilot.

8. Termination

Either party may exit with 7 days' notice. On exit: consultations conclude, records remain accessible, and outstanding transactions are settled.

9. Governing Law

Governed by the laws of the Federal Republic of Nigeria.
