

# True Surrender

*Rev. Fr. Bobby Calunsag*

**Intro: Re**

*Sol*

I've wandered through the

*Mi-*

shadows wide, Chasing dreams

*Do*

that couldn't stay. But now I lay

*Sol*

my pride aside, And walk the

*Re*

narrow, hallowed way.

*Mi-*

*Do*

All the striving, all the noise,

*Sol*

*Re7*

Fade beneath Your quiet voice.

*Sol*

*Do*

**I surrender, arms held high,**

*Sol*

*Re7*

**To the Lord who hears my cry.**

*Sol*

*Do*

**Not my will but Yours be done**

*Sol*

*Re*

*Sol*

**True surrender to the Holy One.**

No more bargains, no disguise,

No more hiding weary eyes.

Every burden, every fear, I leave  
them at the altar here.

You revive my soul within, Trade  
my ashes for Your wind. **Rit**

**Bridge**

*Mi7*

*La*

*Re*

In the breaking comes the light,

*La*

*Mi*

In surrender, I find might.

*La*

*Re*

Heaven meets me on my knees,

*La*

*Mi*

*La*

In the silence, I find peace.

*La*

*Re*

**I surrender, no pretense,**

*La*

*Mi-*

**Grace surrounds my frail defense.**

*La*

*Re*

**Here I stand, Your will begun**

*La*

*Mi*

*La*

**True surrender to the Risen Son.**
