Membership Application to ICCR Family Onlus

Dear Rev. Fr. Bobby,

With deep reverence and joy, I respectfully submit this request to become a bonafide member of the ICCR Family Onlus. I am inspired by the mission and spiritual foundation of this community, and I wholeheartedly wish to be part of its journey of faith, service, and unity.

I am willing to serve voluntarily, offering my time, talents, and heart to the Lord and to my brothers and sisters in faith. I make this commitment freely, without expecting any form of compensation or exchange in the future. My desire is to walk humbly with the ICCR Family, to grow in holiness, and to help build up the Body of Christ through acts of love, compassion, and service.

I believe in the values upheld by ICCR—unity in faith, dedication to the Gospel, and the call to serve the least among us. I am ready to participate in its spiritual activities, pastoral missions, and community outreach, and to uphold the integrity and vision of the organization.

May this request be received in the spirit of sincerity and devotion. I entrust this intention to the Lord and pray that, if accepted, I may contribute meaningfully to the life and mission of ICCR Family Onlus.

With gratitude and faith,
