

TO: All Conscious Care and Support Participants
RE: The University of Toronto Certification
DATE: November 17, 2022

Hello Everyone,

As announced during our orientation, the University of Toronto certifies all participants for the *Conscious Care and Support* training based on successful completion of the following.

Certification Requirements are as follows:

1. Professional and Personal Learnings:

After a complete review of the CCS Text Book, **write a 750 – 1,000-word summary of your most significant Professional Learnings as a result of participating in the *Conscious Care and Support* training.**

2. Write a 200-250 word ‘story’ that completes the sentence “One of the most personally meaningful support or leadership experiences that I have had applying Conscious Care and Support principals has been”

Process: Submissions are required by January 4, 2023

Please email submissions with your name and contact information to:
Adriana (Addy) McVicker – **adriana@clwindsor.org**

Please contact Adriana (Addy) McVicker for clarification as required:
adriana@clwindsor.org

Please ensure that **your name is on this assignment (not your I.D. number).**

Also state if you do not give permission for this assignment to be reviewed by others for quality control purposes.
