

TO: All Conscious Care and Support Participants
RE: The University of Toronto Certification
DATE: March 14, 2019

Hello Everyone,

As announced during our orientation, the University of Toronto certifies all participants for the *Conscious Care and Support* training based on successful completion of the following.

Certification Requirements are as follows:

1. **Completion of the** Wellness Facilitation and Agitation, Anger & Aggression (AAA) and Intrusive Measures Prevention Plan. Each participant is to submit a copy of your Group Composite Plan, including your Personal Plan Statement i.e. Needs # 1 of the Hierarchy of Needs.
2. **Professional and Personal Learnings:**
After a complete review of the CCS Text Book, **write a 750 – 1,000 word summary of your most significant Professional and Personal Learnings as a result of participating in the *Conscious Care and Support* training.**
3. **Write a 200-250 word ‘story’** that completes the sentence “One of the most personally meaningful support or leadership experiences that I have had since starting the *Conscious Care and Support Course* has been

Process: Submissions are required by **April 22, 2019**

Please email submissions with your name and contact information to:
Adriana (Addy) McVicker – adriana@clwindsor.org

Please contact Adriana (Addy) McVicker for clarification as required:
adriana@clwindsor.org

Please ensure that **your name is on this assignment (not your I.D. number).**

Also state if you do not give permission for this assignment to be reviewed by others for quality control purposes.
