RRR Personal Development Progress Report – Self-Understanding Tool #2

Statements Reflecting My 4 P&P Tools of Development – My Relationships are Generally Trustworthy Because...	Strongly Agree 5	Agree 4	Somewhat Agree 3	Disagree 2	Strongly Disagree 1	Totals
• When I feel stressed, for the most part, I understand that my filters, cognitive bias, inattentional blindness, brain priming, neuro - transmitters and hormones are causing the stress – even more than the situation						
• I understand what I must do to prevent stress and the 4 outs						
• As soon as I start to become emotionally hijacked, I understand what is happening						
• I understand why some circumstances make me stressed but do not stress others						
• In general I understand why some people are difficult and what I must do to not be stressed by them
