

From our Director...

Dear Parents/Guardians,

My name is Mrs. Loretta Barwick and I will be your child's director/ teacher at Where Kids Fit. I began my career more than 30 years ago as an Early Childhood Education graduate of Shorter College. Since then, I have earned a Master's Degree from Georgia College in Early Childhood, with a minor in reading and writing, as well as my Specialist degree in Educational Leadership from Lincoln Memorial University. I taught first grade for the first 11 years of my career, and have taught kindergarten for the last 25 years in various schools in the Greater Rome community, including West End, Alto Park, and Garden Lakes. I also had the opportunity to serve as an instructional coach and administrator at McHenry Elementary. I am a proud mother of three. My eldest son is a Coosa High and Shorter College graduate and works in criminal justice. My middle daughter is a Rome High and Shorter College graduate and is now a teacher in Polk County. She and her husband, Rob Cowart, are proud parents of my first baby Robby. My youngest daughter is a graduate of Rome High and is attending Kennesaw State University where she is planning to go into the nursing program. . I have been married for 35 years to my husband, who has his own transport business, and we live in West Rome. I am very excited about beginning my second year with Where Kids Fit. We have a fabulous team and perfect facility for your children to grow and learn!!
