## GRADING DESCRIPTIONS

In most instances, we have employed dual grading for all lots. The first grade will normally represent the condition and clarity of the main postal marking(s) [i.e. postmark & cancellation(s)] while the second grade will refer to the overall condition or appearance of an item or items. Folded letters and folded covers are expected to have at least one file fold. If the file fold does not detract from the appearance it is not mentioned, nor are missing back flaps on envelopes if no postal markings are affected. On envelopes bearing adhesives, expect normal centering or margins for the particular issue.

On virtually all 19<sup>th</sup> century covers you may expect to encounter signs of wear, age toning, minor nicks, short edge tears, flap tears and slight reduction on one side. These flaws are not grounds for return. Items which exhibit greater than typically encountered flaws will be noted as such. Lots with described faults may not be returned on the basis of the mentioned defects.

Every effort has been made to carefully describe the condition of the markings and the overall condition of the item(s) offered. Should you have questions regarding specific items, please feel free to contact us for a more detailed description. All illustrations in this catalog are of the actual items being sold.

Very Fine (VF)	Fresh appearance, well above average
Fine (F)	Better than typically encountered
Very Good (VG)	Average condition, may have faults

**STAMPS.** All attributions regarding stamps on cover are based upon Scott Catalog reference numbers for the most common type, unless otherwise noted.

***(Please Read Carefully)***

1. BIDS BY MAIL, EMAIL, PHONE or FAX will be accepted until the closing date, or as detailed within this catalog. All phone bids must be confirmed in writing on a signed bid sheet. Bids are treated as LIMITS. Bids are reduced where competition permits. In the case of tie bids, the first received is normally given preference. No "buy" or unlimited bids are accepted. Bids are accepted by lot number only. No lots are broken up. Bids are only executed in even dollar amounts.
2. This sale is NOT an approval sale. All material offered is guaranteed genuine and as described. Careful examination has been made of every lot. Cataloging errors will be cheerfully and promptly corrected. **FLOOR BIDDERS MAY NOT RETURN ANY LOTS** including those purchased while acting as agents. All claims for adjustment by other bidders must be made within five days of receipt but in no case more than 30 days after a sale. As the auction house acts as an agent for various consignors, **NO CLAIM OF ANY KIND** can be considered after settlements have been made. If a claim is not made within this 30 day period, no lots are returnable for any reason at any time. If we are notified prior to our settlement date that an opinion of condition, alteration or authenticity is being sought, the matter will remain open until such opinion is rendered. **Lots are not shipped until paid for in full.** Therefore, late payment will negate a return privilege. Any returned lot must be in its original holder with seal intact.
3. **Successful floor and mail bidders are required to pay the full invoice amount before lots are delivered. Terms of this sale are cash, check, M.O., Visa or MasterCard (See Paragraph 5). Should payment be made by check (in any form), the auctioneer reserves the right not to deliver lots until funds have cleared, usually 14 business days.** New clients are required to provide first rate credit references and a 25% deposit to insure entry of your bids. Any portion of such a deposit not used will be promptly refunded. Questions regarding this policy should be made in writing to the auctioneer 7 days prior to the sale date.
4. **A 20% buyer's charge will be added to the successful bid price of each lot.** This 20% buyer's charge will be added to the invoice of each successful bidder without exception, and is payable by the buyer as part of the total purchase price. Additionally, 2% monthly interest is charged on all accounts 30 days past due calculated from the sale date. If any awarded lots are still on hand without a deposit 30 days after a sale, they will automatically be offered to the underbidders or relisted in the next available sale. The difference in price will be billed to the former bidder. Late payers should not expect to receive future catalogs.
5. **TERMS OF THIS SALE ARE STRICTLY CASH AND MUST BE PAID PROMPTLY IN U.S. FUNDS.** Payment should be made immediately upon receipt of the invoice. **A 3.0% service charge will be added to all invoices where payment will be made by credit card, PayPal etc.** There is no charge for invoices paid by cash, check, money order or wire transfer. Foreign bidders should contact us prior to bidding.
6. POSTAGE, INSURANCE and/or handling fees are added to ALL SHIPMENTS. *(Minimum charge of \$3.00 per parcel)*. All lots to be mailed to addresses not in the United States of America or its Territories, are charged an additional 1% insurance fee unless insurance is provided by the bidder. Overseas bidders must supply full detailed shipping instructions and agree to all terms as listed herein before shipment is made. We normally use registered airmail with return receipts and proper custom tags on overseas shipments.
7. **SALES TAX will be collected under the laws of the state in which the sale is conducted unless a valid resale number is presented. Sales Tax in the amount of 6% will be collected on all lots delivered within the State of Michigan.**
8. **TITLE TO ALL LOTS REMAINS WITH THE AUCTION HOUSE** until payment in full is received. The auction house reserves the right to accept or reject any or all bids at its discretion. Generally, bids below **60% of estimate** will not be accepted. By placing a bid in this sale either in person, by agent, mail, email, or phone, you agree that this agreement is made in Michigan by the auction house's entry of your bid, and that disputes concerning the agreement shall be decided by the application of Michigan law. In the event of a dispute or nonpayment, the auction house may elect to proceed judicially, in which case the bidder consents to jurisdiction and venue in the courts of Ingham County, Michigan. If an account is referred to an attorney for collection, the buyer agrees to hold the auction house harmless and to indemnify it for all costs of collection, including actual, reasonable attorney's fees, with interest as provided in Paragraph 4 accruing on the entire amount until paid.
9. Items photographed in this catalog listing may not be returned for centering, margins or other factors which appear in the illustrations.
10. Any items with faults (flts) or impairments which are described as such cannot be returned for reason of those impairments. Large lots and accumulations are sold strictly as is with no return privilege, handling on such items will be at a **minimum \$5.00 charge** per lot in addition to the shipping charges to be added to the invoice total.
