Gound Rules: Cripple Creek and Collegiate Peaks Stampede will each add \$125.00 per rough stock event. Example: The Cowboy that attended both rodeos and has the highest combine score from the two rodeos in a

single rough stock event, will win the incentive bonus of \$250.00. This would take place in all three rough stock events. Bareback, saddle bronc and bull riding. The total payout from each rodeo would be \$375.00. This added incentive payout will be won by the contestant that competes at both 2026 rodeos in the same rough stock, must have qualified rides at each event and has the highest combined score for the weekend for the two rodeos. This contestant would receive a \$125.00 check from Cripple Creek &; a \$125.00 check from Collegiate Peaks Stampede. The double checks will just remind the contestants that this is a collaborative from both rodeos. Results will be determined by the score sheets from the CPRA, after the weekend competition is over. In the event that no one has the combined qualified scores at each rodeo, we could roll the money to the next year and it would double. In the event of a tie, the money will be split.

Ground Rules: If cattle are available, one (1) calf will

be furnished for each contestant in the Tie Down
Roping. These cattle will be brought back in the
breakaway roping. Once a calf leaves the roping chute, it
is considered ran and will not be brought back. If for any
reason, a re-run is awarded, an extra, fresh calf will be
roped in the order they were drawn. If the breakaway
roping entries are greater than the tie down roping
entries, breakaway will be before the tie down roping in
