

# The Cliffs

## Lighting Add-On's

### Up to 16 Wireless LED Uplights

Transform your venue with these super bright RGBWAUV LED uplights featuring a low profile and fully wireless. Virtually any color combination plus dimming ability creates the perfect ambiance for your event.

### Custom Gobo Projector

Display a personalized graphic with a bright 7500K white gobo projector. This fixture uses high quality optics for crisp, clear projection on walls, floors, or ceilings with the option of a still or rotating image. Choose from 150+ gobo designs.

### LED Foam Glow Sticks

Instantly transform your event's experience, pictures, and videos with the addition of foam glow sticks! Customization options available.
