Happy JUNE!

AND a Happy Summer season to all! TODAY (June 1st) at noon holds a massive picnic and bilingual worship service with the congregation of Cristo Rey church (outside of Trenton.) This is one of the many events held at Holy Innocents' during the warmer months. NEXT Saturday will be a fantastic concert by the Capital Singers of Trenton. The following Saturday we will host a CPR / AED class. Amidst all of the things going on, all of your summer visitors and family gatherings, my prayer for you is that you find some moments to be at peace and take a pause from the fray! Remember that your church is here for you and that you can stop in to pray, visit the office, walk the garden, or leave your stuff here and head to the beach for a while! take advantage of living life a best you can. The end of this month will mark the beginning of my SIXTH year with you as your rector. I can't believe it, can you? "Time flies when you're having fun." I treasure every moment we have together and I give thanks daily for you. Your ministries, our worship, and the love, energy, and spirit of hope here are gifts to me and to the world.

A Word from Deacon Judy Dcn. Judy has had a rough time of it lately and truly appreciates your prayers, calls, and visits. She loves you so much and hopes you are doing well. She says she cannot wait to see you again and thanks everyone for their good wishes. Give her a call sometime!

Patient Trust

(a prayer of Teilhard de Chardin, SJ)

Above all, trust in the slow work of God. We are quite naturally impatient in everything to reach the end without delay.

We should like to skip the intermediate stages.

We are impatient of being on the way to something unknown, something new. And yet it is the law of all progress that it is made by passing through some stages of instability—

and that it may take a very long time.

And so I think it is with you; your ideas mature gradually—let them grow, let them shape themselves, without undue haste.

Don't try to force them on, as though you could be today what time (that is to say, grace and circumstances acting on your own good will) will make of you tomorrow.

Only God could say what this new spirit gradually forming within you will be. Give Our Lord the benefit of believing that his hand is leading you, and accept the anxiety of feeling yourself in suspense and incomplete.

## CHOIR NEWS!

If you were in church in person or virtually the past few Sundays, you saw that our choir was singing downstairs instead of from the choir loft. We are trying this out to see if this change is a positive way to help the issue some are having climbing the stairs to the loft, which might prevent them from singing in the choir.

The choir will sing Sundays mornings thru June 30<sup>th</sup>, after which we will break for the summer.

# Sandwich Ministry

## Sandwich Ministry Update and Request

We are 5 months into our new Sandwich Ministry and our efforts are yielding positive results. So far, we have produced 345 bagged meals. The Nook Ocean County NJ (part of Bright Harbor Healthcare services) has a driver pick up meals the second Wednesday of each month (we prepare the meals from 9:30 to 11 those mornings). The Nook distribute our meals in the following ways:

- ~ at risk teens homework club that meets at The Nook Wednesday afternoons
- ~ counselors take on calls to families experiencing food insecurities
- ~ coordinate with Code Blue to distribute to those living outdoors
- ~ work with Just Believe Inc to distribute to those living outdoors

We would like to support The Nook's efforts to collect items needed by new mothers in recovery. They are collecting supplies for the Mental Health Association in NJ - Ocean County, MORE project (Moms Offering Recovery Experience). To use their words, "Recovery can be hard; being a mom can be hard; being a mom in recovery can be overwhelming."

As part of our June Sandwich Ministry, I'd like to collect the following items:

- > Disposable diapers
- > Baby wipes
- > Baby formula
- > Baby food

This is an excellent way for those unable to join us on the second Wednesday of each month, to support those experiencing difficulties in our county. Drop donations in our "Sunday School" room. We will collect them there for pick up on **JUNE 12**. Please contact Alexa Fahner (610-909-1005) with any questions.

# Episcopal Church Women

Hi Ladies. **Tuesday June 4 is our next ECW meeting.** We'll begin in the chapel at 11:30, then brown bag lunch in Martin Hall for our meeting. We'll update our Fine Arts and Craft Show and make future plans. Come with your ideas and suggestions. You do have an assignment for this month. Search through your recipe file for an old favorite from your childhood and bring it to share along with its meaning to you. (Something other than dessert would be in our best interest.). See ya on the 4th! Bon appetit Melissa

## BURUNDI SUPPORT DRIVE

Funds raised will go to support one of four areas:

- St. Andrew's School and Orphanage
- Nayarunazi rural Church (for the roof!)

- Support for Domestic Violence victims and training for clergy via the Diocese of Muyinga
- Water filtration and piping structures

Please see Mtr. Caroline+ for more information. This drive is all summer and ends at the end of August.

## Coffee Hour

A new Coffee Hour Calendar for June-December has been posted on the bulletin board outside Martin Hall.

All weeks are available with the exception of the second Sunday of each month. This second week is reserved for Vestry Birthday Cake celebrations.

Thank you.  
Ellen Kehr

**T**he tidal salt marsh areas on the Jersey Shore are ecologically sensitive areas, much of it part of the Forsythe National Wildlife Refuge and home to a remarkable abundance of wildlife. Please keep this in mind as you drive or visit, especially on shore roads and in parking lots adjacent to the bays and creeks.

From about May through July, you'll find female **diamondback terrapins** leaving the bay to make their way across shore roads to find sandy ground and lay their eggs. (Tiny hatchlings will emerge from the nests in spring or fall.)

Please be careful when driving and parking! If you choose to stop and help ANY turtle cross the road, remember to move it in the direction it was headed, *and do not relocate it!*

## In the Spotlight

*For the month of June our Spotlight is shining on our awesome  
Deacon here at Holy Innocents'!*

*We hope you enjoy getting to know **The Rev. Dr. Judith S. Krom!***

I was born in Hartford, CT, five weeks after Pearl Harbor, as the oldest of five children, four of whom are still living. My father was working for Pratt and Whitney, a manufacturer of WW II war planes. My mother took care of the five of us.

I have a brother and two sisters and for the most part we are close, although occasionally not so. We lost my brother Ben at age 36. My parents, June and Ben Krom, soon moved to Hurley, NY, to be near my father's parents. He was an only child.

My grandfather was a chef at Mohonk, a Quaker resort in the foothills of the Catskills. My grandmother was head of housekeeping at Mohonk. I was very close to my grandmother, who taught me how to cook, sew, knit, cross stitch, and embroider. I loved her dearly and miss her even now.

My mother's parents were Salvation Army Officers, and we did not see them very often. They were primarily assigned to the New England area. As I grew up, I became closer to them, and especially to my Aunt Betty, my mother's sister. She and her husband were both Salvation Army Officers. She was like the older sister I wished I had.

*"With my sisters celebrating my 80th birthday, and with several generations of family"*

I went to the Hurley Elementary School, grades 1-7, as there was no kindergarten yet. By then my mother had five children under the age of 6. I still remember holding onto my mother's hand walking to first grade. I loved Mrs. Goble, my first-grade teacher. I loved school because I loved learning, especially reading. To this day I am a voracious reader, and if you come to my house—and I hope you do—you will see bookshelves filled with the books of two academics, although most of them are mine. My fourth grade teacher, Mrs. Nash, had me working with some of the children who needed help in developing their reading skills. This was my first experience working in a helping role, and I liked it.

My schooling continued at MJM Junior High School and Kingston High School. By this time, I was in the band, orchestra, and choir; I played saxophone, bass violin, piano, and organ. I was active in ski club, debate club, Christian Endeavor at church, and the church choir. I attended the Old Dutch Church in Kingston because of the range of activities the church had available for teens. This church was also Dutch Reformed, the denomination eventually became known as the Reformed Church in America.

My college choice was Gordon College because it was a Christian College, near Boston. I visited and fell in love with the beautiful setting, its Christian values, and the very nice people I met. I never regretted my choice. Classes were small, and everyone knew everyone.

## Deacon Spotlight Continued

Once again, I got involved in many activities on and off campus: choir, philosophy club (I was a psychology major and a philosophy minor), ski club, softball team (we were undefeated for 4 years), Senior Women's Trio (we travelled with the President to various churches in the area). and I was Head Resident in my dorm. Working in the bookstore and the post office kept me busy. I finally made Dean's List my senior year, surprising my parents!

I completed a master's degree in College Student Personnel Administration at Syracuse University and decided I needed to take a break from education for a while. I found a job at the Fairmont School for emotionally disturbed blind children. This where I met the man who was to become my husband several years later; he was a psychiatric consultant to the school.

Following this position, I moved to Boston and worked as the Director of Trainees at the Department of Community Health Action at the Tufts-Columbia Health Center. Following these positions, I moved back to Syracuse and became more involved in higher education through teaching at St. John Fisher College and Upstate Medical Center. I became the Director of Educational Services at the Neighborhood Health Center in Syracuse.

At this point it became clear to me that I belonged back in higher education, and I made three changes in my life. First, I knew I needed an advanced degree. Second, I needed to return to higher education for employment. I was accepted in the Ph.D. program in higher education at the University Center at Buffalo. Third, I needed to marry Bernard Braen. I accomplished all three.

Bernard and I started a family in an unusual manner. We adopted my nephew Benson, who was 5 years old, and I became the stepparent of Bernard's two sons from a previous marriage. We also helped other young adults who needed adult attention during difficult times in their lives.

My final professional career change was to move from associate dean, tenured professor of Social Sciences at Nyack College to Dean of the Haven School of Social and Behavioral Sciences at Thomas Edison State University. Bernie and I decided to move to New Jersey so I could take this position. Bernie was already retired and eager to live by the ocean. My final retirement in education was from this position at Thomas Edison State University.

During much of the time that I have detailed above, I was spiritually estranged from my faith. I call it "my time in the desert." I hadn't lost my faith, but I didn't pray, go to church, or make it the center of my life as it had been before. I had left God, but he had not left me. He called me back to him, and I went with great gratitude for his invitation. Because of this, I became involved in Saint Andrews Episcopal Church in Syracuse. What a blessing this church was in my life and such a pleasure to love Jesus again! My desire to serve Him was very strong.

Although I had retired from Thomas Edison State University, I found that retirement was not for me! I felt led to become a Deacon in the Episcopal Church in my retirement. I applied to the Deacon's School for the Diocese of New Jersey in Trenton. I was assigned to Holy Innocents' under the guidance of Father Frank Crumbaugh for my internship. I was ordained on May 16, 2009, and then assigned as Deacon to Holy Innocents'. At last, I had found where I belonged. I have never been happier!

*"From my ordination as Deacon in 2009, including being ordained by the Bishop; with "our class, our bishop, our preacher, Director of the School for Deacons"; and with husband, Bernie, recognized in the service as a spouse."*

## Deacon Spotlight Continued

Many varied interests enrich my life. One of my greatest pleasures has been extensive travel. Leila Gonzalez Sullivan has been my regular travel partner, and it was with her that I experienced my best trip ever—to Egypt. Another memorable and meaningful trip was with others from Holy Innocents', to Israel in 2011. I am grateful for all of my travel opportunities.

Some surprising areas of interest for me are cooking—I have learned Chinese, French, and American cooking—and gardening. I have mathematical gardens where I live in Brick because of the way the plot is laid out: a square herb garden, a parallelogram bed of perennial flowers, and a square spring and early summer bed. My favorite season is spring when God's earth re-blooms in all his intended glory!

*"Collection of photographs from Deacon Judy's 80<sup>th</sup> birthday celebration"*

Our Ladies Exercise Group is back in action! Classes take place Tuesdays and Thursdays from 9:15am to 10:15am and are once again taught by the awesome Eileen Jacobs! WELCOME BACK!!
