hello

Hi! We are Kyle & Meg and we are 5 Point Visuals.

I want to start by saying a little about us but then talk to you about you & your relationship! I knew my life was going to change when I started photography and videography. We fell in love with capturing special moments for families, couples & loved ones. Creating beautiful photos and videos on your wedding day is something we can't get enough of!

Now, I think the most important part of this journey is YOU! If it wasn't for you trusting me on your big day none of this would be possible. I want you to feel comfortable with me on your wedding day, I often become great friends with my couples after spending as much time as we do on your special day. I will be there to help to help grab you drinks, hype you up, make you laugh & kill it on the dance floor when I'm done with the camera. I just want to thank you for allowing me to be a part of your wedding day, it is going to be the best day of your life! I cannot wait to capture it!

Kyle and Meg did absolutely amazing for our DESTINATION wedding in Florida! Kyle had excellent communication starting from our engagement photos about a year ago! He touched base with me every so often just in case I had any questions or needed anything from him. I can't thank 5 Point Visuals enough for their amazing work! Not only is he outstanding at his work BUT he is so friendly and easy going! His return time on photos and videos is UNREAL!

If you are thinking about who to choose for your wedding, Kyle & Meg are your ANSWER! I'd recommend over and over again!!!

FAQ'S

Q: Is the reservation fee/deposit refundable?

A: The initial retainer is non-refundable. This is required to secure your date.

Q: Can you shoot both photo/video for our wedding?

A: Unfortunately, I cannot do both photo & video for your wedding. My team at this point is not big enough to do both, however we would love to capture your day in some capacity!

Q: How do you accept payment?

A: Payments are processed through Pixieset. You will receive an invoice that you can pay easily with setup reminders. Card payments, Venmo & PayPal methods are available.

Q: What time do you arrive and how long will you stay?

A: After checking out the day of timeline, we decide when the best time for us to arrive is (we communicate with you before to be sure we are not missing out on any special moments before makeup). We like to arrive during makeup and hair and leave once 10 hours is up, we'll make sure to capture plenty of dance floor footage as well!

Q: What is your turnaround time?

A: My turnaround time is something I take pride in, you are excited to see your wedding day and I'm excited to show you! My contract states you will get your photos or video back in 4-6 weeks.

Q: Do your prices include tax?

A: YES! Taxes are covered on our end.

Q: Do you include drone footage?

A: Yes! Drone footage is included with all of our video packages. (Weather/Location permitting)

Q: What do you shoot with and are you insured?

A: We shoot with 4K Sony full frame mirrorless cameras and yes we have equipment and liability insurance.

Q: How do you pick music?

A: Music for our films is super important and we take plenty of time to make sure the music fits the vibe of the day. We do have to use legally licensed music from Musicbed and Epidemic Sound.

Q: Do you post everything you shoot online?

A: Highlight films are typically posted online on Instagram, Facebook and YouTube unless specifically requested not to.

Q: What is your deposit and payment plan?

A: I do a retainer of \$1,000 to secure your date. The remainder is split up typically 50% of the remainder due 90 days before your wedding date and the last 50% due 7 days before the big day.

*If you think of anything else, please reach out! Can't wait to talk further!

I've known Kyle for many years and when I heard he was getting into the photography business, I was ecstatic. Kyle has been taking our photos since my daughter was 3 months old and just recently was our photographer for our wedding. I had asked Kyle to drive 3 hours away for our engagement pictures at our family farm and without hesitation he was more than willing to make the drive. This shows you his dedication and passion for photography and to his Clients. He has captured the most special moments of my family's life. I would never hesitate to recommend him to anyone who wants a true professional to create a customized photography experience
