

Appreciation Letter

On behalf of management of NewBoy Saudi Ltd., we would like to extend our deepest gratitude to Vertical Solutions Team and their manager Mr. Faris Fleifel for providing us the best support tactics through its qualified team regarding Epicor iScala ERP Software.

Vertical Solutions Team has achieved the desired results, through Epicor iScala ERP software depending on the dedication of the work team in providing technical support to our queries.

Through the previous points and success of iScala support, and that is in tune with the nature of our work, we are grateful to Vertical Solutions regarding the quality of services they followed. We believe that Vertical Solutions has the integrated skills and experience that would help any institution to achieve the objectives of administrative planning of its foundation.

We wish them the best in their field, and continued progress with our sincere appreciation for the unlimited support they have given us.

Best Regards,

NewBoy Saudi Ltd.
