

Letter of Appreciation

On behalf of Landmark Amman Hotel & Conference Center, we would like to extend our deepest Gratitude, to Vertical Solutions, for providing the best Support tactics, Through Its qualified team, regarding the Epicor iScala ERP software. In which our company was under a big challenge handling the challenges of Business and Clients.

Vertical Solutions achieved the desired results, thorough the Epicor iScala ERP software, Depending on the dedication of the work team in providing technical support and responding to our queries.

Through the previous points and success of iScala support, and that it is in tune with the nature of our work, we are grateful to Vertical Solutions regarding the quality of services they followed, we believe that vertical solutions has an integrated set of skills, experiences that would help any institution, to achieve the objectives of administrative planning of its foundation.

We wish them the best in their field, and continued progress with our sincere appreciation for the unlimited support they give us
