A note to our Vendors and Chef's Table Adopters

Dear Chef's Table Event Supporter,
Since the date of our Fundraiser "Chef's Table, Dine Around The Barn at Cauffeil is quickly approaching, we need to communicate a major change.

We have decided to postpone this event until Spring 2024. The date is not yet determined. We greatly appreciate your offer to provide product/ support for this event and hope you can also support us on our rescheduled date.

We have not chosen a date yet. This decision was very difficult to make, however due to the lack of ticket purchases

we feel it is imperative to make this decision now.

We look forward to a continued relationship with you and your company as well as continued support in our rescheduled Chef's table.

We are open to ideas to promote ticket sales and participation in other events. We want this event to be a great success and know we can do so with your continued support.

A relationship between your company and our members is extremely important. Support from vendors for this event was outstanding!

Please join us at meetings throughout the year and build a continued relationship between your company and our chef's.

We encourage you to bring other industry members to our meetings and events and become involved with ACF Philadelphia-DVCA. And communicate about our organization. Our website is kept up to date about meetings and events.

Upcoming Meetings

December Holiday Celebration- In the planning stage

We would like to hold this on a Sunday afternoon, December 3rd or 10th ,so your family can attend.

However we also need a location.

Can anyone host this event at their location? We are open to ideas or suggestions.

Please contact Joe Gudonis joe.gudonis@gmail.com for more details.
