## COMPANY PROFILE

Hybrid Builders Inc. is a proud woman-owned, minority-owned construction company located in a HUBZone. We are dedicated to delivering excellence across every project, specializing in construction, property preservation, and maintenance. Our services also include top-quality commercial and residential janitorial solutions, as well as consulting and training to ensure comprehensive client support. Backed by a Master's Degree in Construction Management, our team combines expertise with innovative solutions to meet the unique needs of our clients. With a strong commitment to quality and client satisfaction, we take pride in fostering lasting relationships, creating jobs, providing training, and promoting education within our community.

## CORE COMPETENCIES

- **Construction:** Delivering high-quality construction projects tailored to client needs.
- **Property Preservation:** Safeguarding and maintaining properties to preserve their value.
- **Maintenance:** Providing reliable upkeep services for both commercial and residential properties.
- **Commercial Janitorial Services:** Ensuring pristine, professional environments for businesses.
- **Residential Janitorial Services:** Keeping homes spotless and well-maintained.

## MISSION & VISION

**Mission:** To deliver exceptional construction, property preservation, maintenance, and janitorial services with integrity, quality, and professionalism, ensuring the satisfaction and trust of our clients through innovative solutions and dedicated service.

**Vision:** To become a trusted leader in the construction and property services industry, known for excellence, reliability, and a commitment to enhancing the value and livability of every space we serve.
