

How to become a State National by Correcting your Status Complete Level 1 Documentation

Introduction

The process you are about to review and learn is how to become a State National which begins with correcting your status. We must realize and learn how to self-govern through the process, i.e., choosing right from wrong for ourselves. Through this process, there will be voices telling you to do it this way or that way, causing confusion and frustration. Realize we are learning how the process works, how to apply the law, and how to apply it in our daily lives. There will be times through this process, better means of doing things will occur and better documentation. Remember to keep your peace, move forward, and ask questions until you get the correct answers.

For example, you choose how your syntax name or "autograph" is displayed, consider (John-Quincy; Adams or John-Quincy: .Adams) either one is acceptable or if you sign your Passport in red or purple. It doesn't make a difference when they pull you up in the de facto system, pick a style and stick with it!

At americas-assembly.com, our goal is to bring you state-of-the-art tools and documents which will cut your learning curve in half. The 65-page packet before you consists of David Straight's level 1 State National teachings compiled into an easy-to-read format. In other words, within a few hours of reading and studying this packet, you will gain a rudimentary understanding of level 1 from beginning to end.

Let's get started: as a learning tool, take your time reading through all the instructions; if you have questions, go to our telegram channel America's Assembly Chat and request help. Finally, check out our Zoom chat times if you need more face-to-face interaction.

As you begin your process the next page is dedicated to a few items which will help you through the process as well as answer simple question.

Status Correction Documents (Land) (First Level)

The step by step process documents presented in this packet are for correcting your US Citizenship (secondary status) and returning you to your (primary status) as an American State National. This process will restore your God given right to live in private as a natural man or woman on the land. This process if done correctly gives you power over your all CAPS Fictitious (Birth Certificate) name, so do not short cut the process. "Let's get started"

Steps to Correcting Your Status document flow

Tab 1) - AFFIDAVIT OF TRUTH AND ASSERTORY OATH, REPUDIATION AND REVOCATION OF CITIZENSHIP

On page 3, you will find an outline in which to follow as you fill out your AoR document which needs to be read very carefully. This document from the beginning of Article II page 12 unto the end Article VII page 25, is where you can add or subtract subject matter. In other words, make the document your own.

On page 38, you will find the process for filling out the Certified and Registered mailings cards needed for sending your AOR packet to the various (legal) entities on the first page of your AOR, so please review carefully!

Tab 2) - DEED OF RE-CONVEYANCE

On page 40, you will find instructions for filling out the Deed of Re-Conveyance (DoR). The actual document is on page 40. In filling out this Deed, you will need a Certified copy of your Birth Certificate. It needs to be stated that not all Birth Certificates have a Local File No., in such cases you will need to remove the blue highlights sentence in the DoR document. One question that gets asked quite often is "What is the Local File number"? This is referring to the County birth record #, which is different from your Birth Registration number.

Tab 3) - PATENT OF NATIVITY

On page 44, you will find an example of the Patent of Nativity. This document is where through genealogy proves your family has existed on the land before 1776.

a) AFFIDAVIT AND CLAIM OF NON-CORPORATE STATUS

On page 46 you will find the Affidavit of Claim in which you will use in lieu of the "Patent of Nativity", if you are unable to trace back your lineage to the soil of America before 1776.

Tab 4) - CERTIFIED PROOF OF SERVICE

On page 49, you will find instructions for filling out the Certified Proof of Service along with extra instructions in case you do not receive your Certified / Registered Mail Return Receipt Card (Green Postcard). On page 49, you will find an example Certified Proof of Service document which was actually sent to the various legal entities. The actual template layout used for your returned cards is found on page 53.

Tab 5) - NOTICE OF DEFAULT CERTIFIED "JUDGMENT" OF UN-REBUTTED AFFIDAVIT

On page 54 and 55, are the instruction sheets for filling out and filing your "Judgement" of Un-Rebutted Affidavit. The actual template is found on page 54

Tab 6) - RECORDING COVER SHEET

On Page 58, you will find an example Recording Cover Sheet with written explanations on how to fill in the form correctly. This document is the cover sheet for your freedom packet and should be the first document of the packet scanned at the County Recording office.

Tab 7) – GETTING YOUR PASSPORT

On page 60 you will find instructions on how to obtain your Passport which is the final step in the level 1 process. Beginning on page 64 are examples on how to fill out both the DS-11 and DS-64 Forms. Note: The DS-64 form is for current passport holders, who have possibly lost or had their Passport stolen. [Follow these passport instructions, over the instructions at the end of this PDF](#)

UPDATE ON USING THE DS-6 FORM: It has come to our attention that using the DS-64 Form may not properly update your passport to reflect the State National Status and that their new updated Passport may still scan as a US Citizen Passport. The DS-64 Form is for those who have a valid Passport or a recently expired Passport, and would report their Passport as lost or stolen. With this being said, we have seen plenty of examples of proof that those who have updated their status to State National and used the DS-64 form to correct their Passport, have successfully used their Passports and have been let go by law Enforcement without receiving tickets in situations where they clearly should have gotten one. We have also heard of someone who has witnessed the correct verbiage on the screen when their Passport was ran/scanned when the DS-64 Form was not used. So, we leave this decision to use or not to use the DS-64 Form when applying for your new Passport up to you. As Free American State Nationals, it is up to each one of us to make our own decisions with information we are given. This is called self governing and self determining. Following the instructions for filling out the Passport application advised by coppermoonshinestills, has been recommended. Coppermoonshinestills, in his own words, recommends using only the DS-11, even if you are holding a valid passport and this is what our family followed when obtaining our Passports, including one of us who still had a valid Passport. We are including this Read Only File from coppermoonshinestills, which can be found with the documents in the zip file. Please read through this so that you can have all of the information needed for making your own informed decision as to how to move forward in getting your updated Passport.

TAB 1

1) Affidavit of Truth and Assertory Oath, Repudiation and Revocation of Citizenship

- a) **DO NOT** just put your name on it and send it in. Read it through thoroughly and *add/remove sections of the affidavit that applies to you and your situation*. Some of the content in the affidavit are specific to the original author, and does not apply to anyone else. Also, by reading through the affidavit means you understand everything that is in it, as there may come a time that you have to defend its contents. **You can add to, remove or change any of the text within any of the Articles.**
- b) Upon completion, **have two original copies for yourself** and get your affidavit notarized by a Public Notary. So, if you are sending your affidavit to all four individuals, you will get **6 copies notarized all at the same time / date**, so you'll have two original copies (one will be used to record with, put the other in a safe place).
- c) It is up to you who you send the affidavit to, but the **one office that MUST receive it is the Secretary of State of the United States**. If you choose, here is who you can/should send it to:
 - i. Secretary of State of the United States
 1. **MUST** be sent **Registered Mail (Red Label)**
 - ii. President of the United States
 1. **Registered Mail (Red Label)** or **Certified Mail (Green Label)**
 - iii. Attorney General of the United States
 1. **Registered Mail (Red Label)** or **Certified Mail (Green Label)**
 - iv. Secretary of State of your current State (or Lieutenant Governor if your state does not have a SoS)
 1. **Registered Mail (Red Label)** or **Certified Mail (Green Label)**
 - v. Secretary of State of your birth State (or Lieutenant Governor if your state does not have a SoS)
 1. **Registered Mail (Red Label)** or **Certified Mail (Green Label)**
- d) At the top of the affidavit, put down the Registered Mail and Certified Mail numbers.
- e) Always send the affidavit with a return receipt card, for proof of service
- f) Upon receipt to United States Secretary of State, you must wait **21 days after the day it was received** to make it an official judgement from an un rebutted affidavit.
 - i. *"Non Rebutted Affidavits are "Prima Facie Evidence in the Case, "United States vs. Kis, 658 F.2d, 526, 536-337 (7th Cir. 1981);"*
- g) **FAIR WARNING:** It can take 3 weeks, or more, for your affidavit to actually be delivered to United States Secretary of State.

AFFIDAVIT OF TRUTH AND ASSERTORY OATH, REPUDIATION AND REVOCATION OF CITIZENSHIP

When in the Course of human Events, it becomes necessary for one People to dissolve the Political Bands which have connected them with another, and to assume, among the Powers of the Earth, the separate and equal Station to which the Laws of Nature and of Nature's God entitle them, a decent Respect to the Opinions of Mankind requires that they should declare the causes which impel them to the Separation. We hold these Truths to be self-evident, that all Men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the Pursuit of Happiness--That to secure these Rights, Governments are instituted among Men, deriving their just Powers from the Consent of the Governed, that whenever any Form of Government becomes destructive of these Ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its Foundation on such Principles and organizing its Powers in such Form, as to them shall seem most likely to affect their Safety and Happiness.

Prudence, indeed, will dictate that Governments long established should not be changed for light and transient Causes; and accordingly, all Experience hath shown, that Mankind are more disposed to suffer, while Evils are sufferable, than to right themselves by abolishing the Forms to which they are accustomed. But when a long Train of Abuses and Usurpations, pursuing invariably the same Object, evinces a Design to reduce them under absolute Despotism, it is their Right, it is their Duty, to throw off such Government, and to provide new Guards for their future Security. Such has been the patient sufferance of these Colonies; and such is now the Necessity which constrains them to alter their former Systems of Government. The History of the present (UNITED STATES Corp) is a History of repeated

Injuries and Usurpations, all having in direct Object the Establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid World.

So here shall I, Stand...

This shall serve as notice to certify that I; A Living Soul, So called by my Father and Mother since born,

UNITED STATES Government (Corporation), whose situs is Washington, the District of Columbia. My relationship to that Federal entity as far as jurisdiction is that of a non-resident alien to the Corporate United States Government. Also known as an American State National, or Lawful Bloodline American.

I am a free and natural woman/man, described by the Lord God in Genesis 2:7 as a **Living Soul**, living under God's law and his grace alone. I have assumed among the Powers of the Earth, granted by the Lord God Almighty, the Separate and Equal Station to which the Laws of Nature and Nature's God entitle me. Giving me dominion over all things. Therefore, in order to secure the Blessing of Liberty to my posterity and myself, to re-acquire my Birthright as "one" of a member of the Sovereign Social Body of "We the People," I hereby Asseverate, Repudiate and Revoke my Citizenship, if any ever existed, with the Legal fiction known as the "UNITED STATES" Government (Corporation), USA Inc, and any and all subsidiary corporations both known (STATE, COUNTY, CITY,) and unknown under its control. Maxim of Law: No man can renounce the country in which he was born, nor abjure the obligation of his allegiance. Co. Litt. 129. Sed vide Allegiance; Expatriation; Naturalization. (The Nation State Republic is the country state in which you were born and it cannot be renounced, by anybody or anyone) I further rescind any and all feudal contracts with that Federal government, its agencies and with the State of current State, STATE OF CURRENT STATE and its agencies as well as State of Birth State, STATE OF BIRTH STATE and its agencies. I rescind the Social Security number, fraudulently issued upon me
(Omit birth State if your birth state is your current State)
 by the government well before the age of 18, as such I was legally incompetent to enter

into a legal contract with the government. The government by obfuscation of facts and misinformation led my parents/me to believe at that time that I was required to secure a Social Security Account number in order to gain employment, which is simply not true. The government agent who obligated me to the Social Security System knew or should have known that there existed serious liabilities to anyone who accepted a Social Security Number. That Agent had a fiduciary responsibility to inform my parents/me of the true nature of the Social Security Trust Account and the obligations and liabilities that the Trust involved. By the government's silence on the matter, the government established, by fraud, a Constructive Trust Agreement with me which must be vitiated. Since receiving that Account, I have through my religious instruction come to the belief that the Social Security number and/or Birth Number (CUSIP's) may be what is referred to in the Holy Bible, Book of Revelation 13:16-18 and 14:9-10, as the mark of the beast or at the least its precursor. For me to participate in that program and continue to use that number may place my eternal soul in jeopardy. This I will not and cannot do.

The money which I have paid into that Socialist Security system for over my lifetime, including the monies paid by my employers' demand, is hereby made as demand for full reimbursement to me. I also now understand that my SS number or CUSIP was used, via fraud while under the extreme duress of child birth, using my mother as an informant to give me up to STATE without full and honest disclosure was bonded and insured since my birth. And at present those funds are being used by multiple Corporations including multiple Life insurance policies. I demand that those bonds and policies be redeemed for real monies and if any debts are proved against me those debts withheld as payment in full that I may be made whole and the balance paid to me in real money. US Postal Money Orders, gold or silver shall suffice.

I do not wish, nor am I permitted by God, to make myself a ward of the State, as would be the case if I accepted the Social Security benefits. I demand the same treatment that was given to the people of the Philippines who were participants in the Social Security Trust and who choose Citizenship of the

Philippines over that of the United States. As the Social Security program is not a feudal contract, in that Congress gave no property rights to a Social Security Trust Account, I demand the contract be voided and all monies returned, as would be the case for any fraudulent contract or Constructive Trust Agreement. The United States Government Corporation should not enrich its self from the Fruits of a Poisonous Tree.

I emphatically deny that I have ever filed for bankruptcy protection with any degree of complete understanding and honest disclosure. Nor have I ever given my Power of Attorney to anyone or to the State of (Your State) or any of the union states or territories of the UNITED STATES (Corporation) government for the purpose of instituting a bankruptcy action in my name with any degree whatsoever of complete understanding, full and honest disclosure or without great duress. Nor granting that my Labor and or my Property of whatever kind, or wherever situated, be held as collateral in any bankruptcy proceeding of the State or Federal governments. Nor any scheme, using my labor and property as collateral, to support or fund a fiat money scheme of the Federal Reserve Bank, Inc. and/

or the Current State, Birth State (if different from current state) and/or Federal UNITED STATES Government. "if you have owned property or land" I have found property which has been stolen from me through fraud by agents of county on behalf of STATE. This should be Allodial to

Some of my reasons for repudiating that Citizenship status are defined in the following Articles and by the totality of this document, are made a part hereof. I have lived a productive and eventful life, now in anticipation of the end and God's mercy and grace. Undoubtedly the singularly most horrific moment of that life was the conviction to repudiate my Citizenship of the "UNITED STATES".

Those words, "REPUDIATE MY CITIZENSHIP," crushed the very soul within me. **I stood beneath that war flag I served with pride for my entire life. Not even**

You can leave this part about the war flag and civil peace flag in or you can remove this whole sentence . It does not just apply to those who have served in the military. Just remove "I served with pride"

knowing the existence of the civil flag of peace until a few years ago. The memories of our brave young men, comrades in arms, who defended the Constitution, who never had a life, flood before me. They

sacrificed all of their tomorrows so that I might have mine. Those memories will always remain with me and be remembered with humble honor and gratitude.

Our educational propaganda system is a joke; our children are taught only what the fraud of government wants known and nothing more.

The awful knowledge and horror of betrayal by my own government of which I was once so proud, is an unbearable sorrow that I must now carry to my grave; but I shall do so a free [woman/man](#).

Perhaps the American people are like the frog that is heated slowly to a boil in a pot of water. If we had detected the heat sooner, we could have jumped out, saving both the Republic and ourselves.

But, alas, our fathers and grandfathers were asleep at the helm and not as vigilant as they were instructed to be by Thomas Jefferson. Americans are now awakening to the cataclysmic reality of a Fascist, one-world government, having replaced our intended Constitutional Republican Government.

ARTICLE I

The Declaration of Independence for the united States of America clearly outlined the necessary course each citizen must take when his government became insufferable. Over the past one hundred years, nearly all of our unalienable rights have been stripped from us through the sophistry and obfuscation of the Courts and blood lust of the Congress for spending debt-based money borne on the back of the American people. What they have done is egregious, but as the Declaration of Independence points out, "... all experience hath shown that Mankind are more disposed to suffer, while Evils are sufferable, than to right themselves by abolishing the Forms to which they are accustomed." By sufferable, I believe they meant survivable.

That same Declaration also declared: “We hold these Truths to be self-evident, that all Men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the Pursuit of Happiness – That to secure these Rights, Governments are instituted among Men, deriving their just Powers from the Consent of the Governed, that whenever any Form of Government becomes destructive of these Ends, it is the Right of the People to alter or abolish it...”

Since 1861, We have been under Martial Rule, And the 41st congress adjourned Sine Die it has operated as De Facto.

Since 1871, the united States of America, became The United States of America Corporation, without disclosure of the facts and without the vote of the people. And with the 14th Amendment and the redefining of the word “Person” All were made US Citizens without disclosure of what that meant made all Persons Slaves and residents of Washington D.C.

Since 1911, and its Federal Reserve Act has given our currency to a Private mostly foreign owned and controlled Corporation.

Since 1933, beginning with the confiscation of our Gold and Allodial property, rather than “secure” our Right to Life, Liberty and the Pursuit of Happiness, our government has persistently and systematically reduced our standard of living. But this Evil seemed survivable, so we just suffered and let it pass, letting the water get a little hotter.

Since 1871, our government has refused to “secure” our Right to Life, Land or Liberty by persistently increasing our burden by Regulations, prohibitions, legalized abortion and unlawful taxes. They have bastardized our Judicial System with Statutory Law, replacing the Common Law and the protections which it afforded us with the severe and brutal Equity/Admiralty jurisdictions, where the Constitution is of no protection. They have lied and withheld the truth about the jury’s power to judge the law as well as

the facts, all but turning the jury system into a prosecutor's tool and not our protection from over-zealous prosecutors that it was intended to be through nullification.

They have increased our Prison population to nearly Two and a half million inmates, the largest imprisonment of its own citizens of any country in the world. They now prepare plans for new prison construction for the new millennium, projecting twenty years in advance and building cells for our as yet unborn children, as though all or most of our offspring will be criminals. This reality alone reduces the expression, "The home of the brave and Land of the Free" to mere illusion and an oxymoron. But these evils were/are also sufferable, and we let the water get hotter. They have done this not to secure justice to protect the people but are imprisoning people without a crime. No victim No crime! And a corporation of any sort be it The UNITED STATES or STATE of Franchise or Burger King, has a living soul to be harmed. With the "Patriot Act" and the "NDAA" US Citizens are held without due process, without a jury of their "Peers" as defined by Black's Law Dictionary, without adequate defense or of benefit of witnesses or evidence that is not allowed, at the whim of corrupt judges, being lied to by Actors of the court, those members of the Bar Association. Completely blatantly obvious and repulsive to sit in a court of fake law and watch good men and women citizens supposed to be under the protection of "government" sent to prison by these actors when there was no victim and no harm to another living soul. Why I Ask? Because it is a for profit system! A way to tax the poor with no regard to destruction of lives of citizens. Why? Bonds! (Proofed by sf24, sf25, sf25a, and others) The courts collect billions from (the people's trust) and judges and prosecutors receive "net retention's" effectively commissions, incentives for a conviction, a system of fraud designed to destroy real justice.

Child kidnapping and trafficking by CPS, CSD, or DHR, workers in cohorts with courts (Attorneys and Judges) and "Houses" that all make a profit from (Citizens and Taxpayers) these Heinous Crimes and Trafficking.

The individual Rights guaranteed by our Constitution cannot be compromised or ignored by our government. For example, in *United States v. Johnson*, 76 F. Supp. 538, 539 (D. Pa. 1947), Federal District Court Judge James Alger Fee ruled that,

"The privilege against self-incrimination is neither accorded to the passive resistant, nor to the person who is ignorant of his rights, nor to one indifferent thereto. It is a FIGHTING clause. Its benefits can be retained only by sustained COMBAT. It cannot be claimed by attorney or solicitor. It is valid only when insisted upon by a BELLIGERENT claimant in person." *McAlister vs. Henkel*, 201 U.S. 90, 26 S.Ct. 385, 50 L.Ed. 671; *Commonwealth vs. Shaw*, 4 Cush. 594, 50 Am.Dec. 813; *Orum vs. State*, 38 Ohio App. 171, 175 N.E. 876. The one who is persuaded by honeyed words or moral suasion to testify or produce documents rather than make a last-ditch stand, simply loses the protection. . . He must refuse to answer or produce, and test the matter in contempt proceedings, or by habeas corpus." [Emphasis added.]

>> Notice the verdict's confrontational language: "fighting", "combat", and most surprising, "belligerent". Did you ever expect to ever read a Federal Court condemn citizens for being "passive" or "ignorant"? Did you ever expect to see a verdict that encouraged citizens to be "belligerent" IN COURT...?

Better go back and re-read that extraordinary verdict. And commit it to memory, for it succinctly describes the essence of the American legal system.

ARTICLE II

Now, the United States government not only refuses to "secure" our Right to Life, it is openly seeking to diminish or even eliminate that Right in order that a foreign people we neither know nor see might survive. Thanks to the UN (New World Order), IMF, CFR, World Bank, NAFTA, GATT, the criminal

BAR Association, and every whore, coward and traitor elected or appointed to American public office that voted in favor of those dastardly Treaties, our very survival as a people is now at stake. Our government's Evils are no longer sufferable.

The La Paz portion of the NAFTA agreement provides for the forfeiture of a thirty-mile wide strip of American soil to a foreign power (the UN) across the entire 1,935 miles of border between Mexico and the U.S.A. Roughly sixty thousand square miles of American soil is being surrendered without a single shot being fired. That's more land than is contained in Rhode Island, Delaware, Connecticut, New Jersey, New Hampshire, Vermont, Massachusetts, and Hawaii combined, constituting the single greatest act of treachery in the history of this nation. Even more land is being surrendered as National Parks are converted to UN Biospheres. Thank the Lord that the legislature of Kentucky flat out refused to go along with the surrender of any of their land to a UN Biosphere. The Antiquities Act Causes even more.

There is no provision in the Constitution for Congress, the President, or the Courts to surrender any portion of our national sovereignty to any foreign government.

I am positive that there's no provision in any State constitution for those States along the Mexican border to surrender any portion of their State sovereignty to a foreign power. Those legislators who swore to uphold the national Constitution have violated their oath to God and the American people's trust. Our incumbent politicians are guilty of treason and should so be accused and tried.

The justification for surrendering our sovereignty to the UN (New World Order) is found in their ecological argument. "The Earth is overpopulated and its resources are inadequate to support our species. The human population must be reduced by at least half if our species are to survive." Well who are they to determine this, New advances are made every day in Technology that can change this. Example; in a 50' x 70' Building I can grow the same amount of highly nutritious animal feed today as

575 Acres of prime farmland and use 1/400th the water or in 150' x 300' Building as 3750 acres of prime farmland if government would simply "Get out of the way".

If that argument is accurate, then there is not enough food or resources to sustain all currently living human life. In any other time throughout the history of human society, such shortages as described by the ecological pundits would precipitate violence and unimagined wars, as individuals, families and entire nations struggled for scarce resources in their survival against other human competitors. Such has been true since time immemorial. Under such extreme circumstances, where a foreign power or population might threaten your survival and mine, we would inevitably deduce that foreign power or population was our mortal "enemy." After all, for them to survive, we must die or at least condemn our children and ourselves to a diminished life span.

Yet you look at the UN own Prospectus and of the more than One Trillion dollars USD Equivalent they take in each year, how much is lent out to those impoverished nations as their own mission statement says is their purpose, Less than 2%? According to Article 3, Section 3, Clause 1, of the U.S. Constitution, "Treason against the United States shall consist only in levying war against them, or in adhering to their enemies, giving them aid and comfort."

If the world is on the threshold of a life-or-death Malthusian battle over scarce resources, what more "aid and comfort" could this government possibly provide to a foreign people or power than to voluntarily surrender our nuclear technology to China for political campaign contributions – the surrender of our land and sovereignty to the UN, as well as our very lives, so that some foreign competitors, our mortal enemies, might survive.

Will the American People just sit back like the frog and let the water boil, letting this government sacrifice their children's lives and futures to benefit some foreign slaves or aborigines? I don't think so, and I for one, in the capacity of a Citizen, want no part of this moronic agenda with that insane policy.

ARTICLE III

The United States Constitution is a Compact or Contract between the Federal government and the “States” of the Union. Its fundamental and guiding principle is the idea that the State is always a potential source of corruptive power and ultimate tyranny.

Originally the Federal government’s responsibilities were confined to a few enumerated powers, involving mainly national security and public safety. In the realm of domestic affairs, the Founders sought to guarantee that federal interference in the daily lives of citizens would be strictly limited. They also wanted to make sure government would have a minimal role in the domestic economy and that it would be financed and delivered at the state and local levels, not by an evil and pestilential Central Banking System, as is the Federal Reserve Bank, Inc.

In Article I, Section 8, of the Constitution, the enumerated powers of the federal government to spend money are defined as 18 services under contract with one more additional service located in the preamble that the States people agreed to pay for and no more. That Sir’s, is the contract and no more.

These powers include the right to “establish Post Offices and post roads; raise and support Armies; provide and maintain a Navy; declare War...” and to conduct a few other activities related mostly to national defense. No matter how long one may search, it is impossible to find in the Constitution any language that authorizes at least ninety percent of the civilian programs that Congress crams into the federal budget every day of every year.

The federal government has no authority to pay money to farmers, run the health care industry; impose wage and price controls, give welfare to the poor and unemployed. They have no authority to provide job training, subsidize electricity and telephone service, lend money to businesses and foreign governments, or build parking garages, tennis courts, and swimming pools. But they do. The Founders

did not create a Department of Commerce, a Department of Education, or a Department of Housing and Urban Development. Or a Bureau of Land Management or a Federal Bureau of investigation which has no congressional charter to even exists. What Part of 10 Square Miles and forts and ports do they not get. This was no oversight: they did not believe that government was authorized to establish such agencies. They were correct; Congress is forbidden by the Constitution to establish any such agencies.

The Tenth Amendment to the Constitution states clearly and unambiguously: “The powers not delegated to the United States by the Constitution ... are reserved to the States respectively, or to the people.” In other words, if the Constitution doesn’t specifically permit the federal government to do something, then it doesn’t have the right to do it. May God have mercy on your soul for bankrupting and enslaving our people!

Yes, the 14th Amendment enslaves us albeit voluntary, but without full and proper disclosure, and this as you know is fraud.

ARTICLE IV

The Bill of Rights clearly defines the most often “government” abused individual liberties. It forbids the Federal Government to violate any of these unalienable rights of the people and reserves all other rights of a sovereign not delegated to the United States, to the States: the States’ authority and sovereign rights would be determined by the people in their individual state Constitutions. All sovereign rights not delegated to the Federal or State Governments by the people remains with the people.

On April 19th, 1993, at Waco, Texas, the United States (Corporation) showed its utter contempt for the unalienable Rights of its Citizens and the Sovereigns of its creation. Eighty-six men, women and children were murdered by Agents of the FBI and BATF, with the sanction of the Executive Branch of that government. An internal investigation by the Department of Justice (the fox asked to investigate the

fox in the hen house), determined that the agents of the government perpetrated no criminal acts. The majority of this nation's population knows it was murder and will never forgive nor forget this manifestly evil work. I can no longer abide in this government's unlawful conduct and moral bankruptcy, because as a citizen, by proxy, I am guilty also. This I will not accept.

In 2014, In Nevada, they did it again at the Bundy Ranch. Militarized agents with no de jure authority terrorized innocent ranchers and their families.

In January 2016, In Oregon, they did it again with the FBI HRT Team, Oregon State police, With the consent of Governor K. Brown, Senators R. Wyden, and J. Merkley, A.G. Loreta Lynch, and more than likely J Kerry, and possibly the White House itself. Using a military tactic **murdered** a Father, Husband, and rancher Lavoy Finnicum a righteous, peaceful and gentle man in a peaceful protest, indirectly resulting in deaths of three nurses, and Blake Paine. Yet ignoring Black lives matter and Antifa, protestors nationwide.

ARTICLE V

I am not anti-government, anti-military, or anti-American, Quite the contrary. For Generations, **My family served the united States of America in both active and inactive service all over the world. Veterans like my family joined the military because of our love of Country and our constitutional obligation. I never imagined there were any real "domestic enemies." Today I know otherwise. The following is a partial example of the activities of those "domestic enemies."** (Only keep this paragraph if your family served in the military)

In 1997, the Pittsburgh Post-Gazette exposed the "Tuskegee Experiment." It was conducted for forty years, from 1932 to 1972. According to the Associated Press, "The government withheld treatment from 399 black men with syphilis so they could study how it spreads and kills."

That's not an "experiment;" that's genocide. Whether it happens to one Black man or ten Eskimos or three Hispanics, it is wrong and violates everything this country stands for. President Clinton publicly apologized on behalf of this government to the aging male survivors. But it wasn't just the 399 men who were damaged. Their spouses also got the disease, causing their children to be born deformed. All told, 6,000 Americans were sickened, deformed or killed as a result of The UNITED STATES Government's "Tuskegee experiment" to study how syphilis kills. President Clinton didn't bother to acknowledge their suffering.

In 1977 during the Senatorial Select Committee on Intelligence hearings (reported in "Project MK-Ultra; the CIA's Program of Research in Behavior Modification"), the CIA revealed that over forty universities and institutions were involved in extensive testing and experimentation using covert drugs on unwitting citizens at all social levels. In 1977, the University of Maryland newspaper reported that during the 1950s and 1960s, forty-four colleges, fifteen research foundations, twelve hospitals, and three prisons knowingly participated in MK Ultra experiments, but people that were experimented upon were never informed or asked to consent to be "guinea pigs."

Project MK Ultra was one of the biggest military experiments (there were one hundred forty-nine sub-projects) and lasted for years. It included human drug and biological testing by the Department of Defense (DOD) under the direction of the CIA over entire American communities. The Bureau of Narcotics and even the IRS participated in MK Ultra. When you see these government documents, they are more frightening than the rumors because our government actually admits to participating in these experiments.

In 1950, the UNITED STATES government released bacteria – "serratia marcesens" – that cause pneumonia and urinary tract infections into the San Francisco Bay. The bacteria were "aerosolized" by the surf and blown inland to study how effective an offensive biological weapon would be against the

people of San Francisco. According to the report, it blew fifty miles inland. People died as a result of that experiment. Incidentally, the amount of “*serratia marcescens*” still remaining in San Francisco is three times the national average. It follows that we can legitimately ask how much of the syphilis that we have in the South today is a direct result of conducting the Tuskegee experiment for forty years when they could have stopped it? How much of today’s other diseases are a result of government “experiments”? Is it possible, as some have published, that AIDS is a product of one of these government experiments?

At the U.S. Army Biological Weapons Research facility at Fort Detrick, Maryland, “weaponized” mosquitoes were developed. They actually grew viruses inside mosquitoes, placed the mosquitoes in balloons, released the balloons from aircraft over American communities and infected people. They had to infect people to tell how far the disease went and how far it would spread. How many of today’s diseases are direct results of those experiments?

Tuskegee was not a one-time anecdote; it’s just the tip of an iceberg that indicates they’re still doing experiments on the American people.

Another experiment was done in 1966 at Kessler Air Force Base. In 1966, 12,000 recruits at Kessler received the “micro plasma vaccine.” Obviously, another experiment.

“MK Ultra” considered various means of controlling human behavior; it was literally a mind control project.

“MK Action” was funded with CIA money through the Geschicter Foundation at Georgetown University. In the 1977 congressional hearing, Dr. Geschicter testified that during the Vietnamese War, the CIA didn’t know if various Vietnamese nationals were double agents. Therefore, the CIA included a material in the anti-cholera vaccine given to pro-American Vietnamese, which made them glow when

they were exposed to an ultraviolet light and helped identify those who rejoined the Viet Cong. This may be a clever wartime strategy, but it illustrates that as early as the 1960s, our government used vaccinations for purposes other than the prevention of disease.

The 1977 Senate Hearing report (Biological Testing Involving Human Subjects by the Department of Defense) actually says that unwitting American people were involved in open air testing. For example, it says, “The Army was using live organisms which we know can infect human beings.” The Food and Drug Administration allowed it; entire cities were involved in the testing of these biological agents.

Our government even placed biological warfare agents in the New York City subway to see how many people would be infected. They did the same thing in Pennsylvania’s Kittatinny and Tuscarora turnpike tunnels. You would drive through and receive aerosolized bacteriological agents.

“MK Naomi” – a biological project from the 1950s through 1969 which exposed six entire towns (including Ft. McClellan, Alabama; San Francisco, California; Ft. Wayne, Indiana; Minneapolis, Minnesota; and St. Louis, Missouri) to biological warfare agents dropped out of aircraft to see how many people would become ill. They say MK Naomi ended in 1969. Why should I believe them?

On page 160 of the 1977 “Human Drug Testing by the CIA” Senate report (S. 1893), they discussed “EA3167” – a compound they could rub up against you and it would absorb into your skin and kill you. They tested it in Pennsylvania and Kentucky prisons. It was applied to the skin through some type of adhesive tape. They also did this on military and civilian people without telling them what they were exposed to or getting their informed consent. As if anyone would volunteer!

The primary excuse for nearly going to war again with Iraq in February, 1998, was the suspicion that Iraq had been conducting biological experiments on its own prisoners. If those experiments are evil for

Iraq, how then can they be legal, moral or ethical, in the United States of America? Have you clones of hydrocarbon base gone completely insane?

In 1997 Congressional hearings, the Army admitted conducting these experiments but argued, “We just didn’t tell you about it because nobody was hurt and there was no problem.” No problem?

I have a serious problem with this outrageous conduct. Title 50, Chapter 32, Section 1520, permits the government to experiment on us with biological and chemical agents. Thanks to a treacherous Treasonous Congress, it is now legal for the DOD or their contractors to experiment with biological and chemical agents on the American people. The only proviso Congress imposes on them is that at least two unspecified local officials be notified within the subject community, and they could be the garbage collector or the water meter reader. Once that major communication event occurs, the test can begin within 30 days. But we are not told; our children aren’t told. No problem?

Through government oversight and regulations, it is done now with our food with Pesticides, herbicides, RBST, GMO’s, Fluorides, Estrogen sterilization agent coatings on the inside of nearly every can used to can common everyday foods, then we wonder why men need Viagra just to get an erection and why we have a much higher percentage of unmanly men, and manly women. Harm is done with Pharmaceutical Drugs, Vaccines, and Heavy Metals. All these things change our very Genomes. Our DNA.

Today we are poisoned by our spraying of our air, food, water, doctor’s dealing legal death drugs, all at the blessing of government. Despicable! Shame on you.

This is but a few of the many reasons, (all would fill many volumes) that I, a God-fearing Living Soul must sever my relationship with the UNITED STATES (Corporation) government, to ease the heavy burden on my soul these foul deeds have laden it with. The water has gotten far too hot for this frog/me and is evaporating under the boil.

“And after these things I saw another angel come down from heaven, having great power; and the earth was lightened with his glory. And he cried mightily with a strong voice, saying, ‘Babylon the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul spirit, and a cage of every unclean and hateful bird. For all nations have drunk of the wine of the wrath of her fornication, and the kings of the earth have committed fornication with her, and the merchants of the earth are waxed rich through the abundance of her delicacies.’ And I heard another voice from heaven, saying, ‘Come out of her, my people, that ye be not partakers of her sins, and that ye receive not her plagues. For her sins have reached unto heaven, and God hath remembered her iniquities.’” – Revelation 18: 1-5

As one of God’s people, I must now also leave Babylon the Great and not partake of her sins any longer lest I receive her plagues, for her sins have reached unto Heaven, and God will remember her iniquities. May God have mercy on the people of the United States/UNITED STATES!

What Is The Name of The Crime? — Unlawful Conversion

Obviously, it’s fraud. Barratry at the least. Slavery and involuntary servitude. That, surely... Trespass also...

But there is so much more to what has been done to us by our "Public Servants" conscription, inland piracy, racketeering, kidnapping, press-ganging, enslavement, false presumption, false arrests, false impersonation, deliberate mischaracterization, plundering, pillaging, unauthorized hypothecation of debt, conspiracy to defraud, conspiracy against The Constitution, invasion, trespassing, copyright infringement, trademark violations, identity theft, grand theft and larceny, deprivation of rights....

I could probably go on all night, but at the root of it---- besides constructive fraud in general, there is a nagging need to nail down a razor-sharp diagnosis of what has gone on here, and in the end, after several

years of ruminating about this at odd hours, I believe that Congressman Louis T. McFadden nailed it back in 1934.

Unlawful Conversion Unlawful conversion of our identities and our assets has been the entire aim of the Territorial United States/Municipal United States Tag Team. We've had the British Enemy pretending to be our friend on one side, and the out-of-control Vatican Thugs on the other, conspiring together against us and against virtually everyone else's lawful government, too, because the same evils have been visited on a many other countries including most of Europe, Australia, New Zealand, Japan, India, Canada, Mexico.... and the list goes on.

Unlawful conversion of our Trade Names redefining them as Foreign Situs Trusts.

Unlawful conversion of our American state national standing to that of mere corporate US "citizens".

Unlawful conversion of our land patents to titles and leases held under color of law.

Unlawful conversion of our private property to public assets.

Unlawful conversion of our government on the land to a government on the sea.

Unlawful conversion of the copyrights and trademarks we are owed.

Unlawful conversion of our private bank accounts to public "personal" accounts.

Unlawful conversion of our States to "State of States" and "STATE OF STATES".

Unlawful conversion of our public courts to private corporate tribunals.

Unlawful conversion of private civilian assets to public trust assets.

Unlawful conversion of American Common Law to English Common Law.

Unlawful conversion of public records to private registrations.

Unlawful conversion of our right to elect to mere voting privileges.

The sheer scale of this sly, secretive crime spree all across the globe is staggering, especially when one considers that it has all taken place under a lie, a banner of freedom and progress---- while in fact delivering a form of modern feudalism instead.

I wonder how long they thought they'd get away with it? And now that they are standing with their pants down around their ankles, I wonder how long they think they can still get away with it before we bear arms and grab rope?

How long before the police forces and military wake up and do their jobs and prosecute the actual criminals?

How long before the government politicians responsible know for sure that they have been caught and are forced to correct, or none of us will have any reason to pay them for their "service"?

Article VII

Even the IRS is not who we think they are, IRS agents are neither trained nor paid by the United States government. Pursuant to Treasury Delegation Order No. 92, the IRS is trained under the direction of the Division of Human Resources of the United Nations (U.N.) and the Commissioner (International), by the office of Personnel Management.

In the 1979 edition of 22 USCA 278, "The United Nations," you will find Executive Order 10422. The Office of Personnel Management is under the direction of the Secretary of the United Nations. Pursuant

to Treasury Delegation Order No. 91, the IRS entered a "Service Agreement" with the US Treasury Dept (See Public Law 94-564, Legislative History, pg.5967, Reorganization (BANKRUPTCY!!!)Plan No. 26) and the Agency for International Development.

This agency is an international paramilitary operation and according to the Dept of the Army Field manual (1969) 41-10, pgs 1-4, Sec. 1-7(b) & 1-6, Sec. 1-10 (7) (c) (1), and 22 USCA 284, includes such activities as, "Assumption of Full or partial executive, legislative, and judicial authority over a country or area."

The IRS is also an agency/member of a 169 Nation pact called the International Criminal Police organization, or INTERPOL, found at 22 USCA 263a. The memorandum of Understanding (MOU), between the Secretary of Treasury, AKA the corporate governor of "The Fund" and "The Bank" (International Monetary Fund, and the International Bank for Reconstruction and Development), indicated that the Attorney General and it's associates are soliciting and collecting information for foreign principles; the international organizations, corporations, and associations, exemplified by 22 USCA 286f.

According to the 1994 US Government Manual, at page 390, the Attorney General is the permanent representative to INTERPOL, and the Secretary of Treasury is the alternate member. Under Article 30 of the INTERPOL constitution, these individuals must expatriate their citizenship. They serve no allegiance to the United States of America.

The IRS is paid by "The Fund" and "The Bank". Thus, it appears from the documentary evidence that the Internal Revenue Service agents are "Agents of a Foreign Principle" within the meaning and intent of the "Foreign Agents Registration Act of 1938" for private, not public, gain!

The IRS is directed and controlled by the corporate Governor of "The Fund" and "The Bank". The Federal Reserve Bank and the IRS collection agency are both privately owned and operated under

private statutes. The IRS operates under public policy, not the Constitutional Law, and in the interest of our nation's foreign creditors.

The Constitution only permits Congress to lay and collect taxes. It does not authorize Congress to delegate the tax collection power to a private corporation, which collects our taxes for a private bank, the Federal Reserve, who then deposits it into the Treasury of the IMF!

The IRS is not allowed to state that they collect taxes for the United States Treasury. They only refer to "The Treasury."

SUPPORTING STATUTES – R.S. TITLE XXV SEC. 1999 (1878)

“Whereas the right of expatriation is a natural and inherent right of all people, indispensable to the enjoyment of the rights of Life, Liberty, and the pursuit of happiness; and whereas in the recognition received emigrants from all nations and vested them with the rights of citizenship; and whereas it is claimed that such American citizens, with their descendants, are subjects of foreign states, owing allegiance to the governments thereof; and whereas it is necessary to the maintenance of the public peace that this claim of foreign allegiance should be promptly and finally disavowed: Therefore, any declaration, instruction, opinion, order, or decision of an officer of the United States which denies, restricts, impairs, or question the right of expatriation, is declared inconsistent with the fundamental principles of the Republic.”

The above statute reads like it was meant for foreigners who come to this country from all over the world. Definitions are all important in the reading of any legal writing. The definition most important in the above statute is the words “foreign states,” so let’s look at some other statutes, Supreme Court decisions and dictionary definitions that shed more light on those words.

The Constitution was made for States, not territories,” wrote Daniel Webster. “[T]he Constitution of the United States as such does not under it extend beyond the limits of the States which are united by and under it,” wrote author Langdell in “The Status of Our New Territories,” 12 Harvard Law Review 365, 371.

Judicial note should be taken that the United States Constitution always denoted “Citizen” and “Person” in capital letters prior to the 14th Amendment; thereafter, “citizen” and “person” were not capitalized. The distinction between “citizens of the United States” and “Union States Citizens” has been fully recognized by the Congress and the Courts as follows:

“We have in our political system a government of the United States and a government of each of the several States. Each one of these governments is distinct from the others, and each has citizens of its own who owe it allegiance, and whose rights, within its jurisdiction, it must protect.”^a [Emphasis added]

The Federal Government is a “state”.^b Foreign State. A foreign country or nation. The several United States are considered “foreign” to each other except as regards their relations as common members of the Union. (Black’s Law Dictionary, Sixth Edition, page 1407) Congress identifies these citizens of the “District” as “individuals” or citizens who reside in the “United States” and who are subject to the direct control of Congress in its local taxing and other municipal laws. Asking one question can clear up the distinction between the two types of Citizen:

Are both classes of Citizenship the same and, if not, what is the difference?

Citizens of the Union States have the right of suffrage (right to vote); District citizens have no such right.

If you are not a United States citizen of Washington, D.C., or the territories and possessions, then what are you in relation to the federal government?

a NON-RESIDENT ALIEN or more appropriately known as an...

American State National

At first that term does not seem to describe your relationship to the federal government, but Federal Income Tax Law and the Supreme Court enlighten greater understanding of the term. The revenue laws do not use the term “sovereign citizen.” Those laws refer to United States Persons, Resident Aliens and Nonresident Aliens. U.S. persons are defined to include, among other things, citizens and residents (i.e.: resident aliens) of the United States.

Treasury Decision (TD) 2313

The Supreme Court decision on a tax case determined the issue. *Brushaber v. Union Pacific Railroad Co. Inc.* (240 U.S. 1) 1916 is often cited by the IRS as demonstrating its authority to collect income tax and that the income tax is constitutional (limited application). What the IRS fails to mention, and what is not apparent from looking at the court’s ruling in the case, is that the case concerned income from within the United States accruing to a nonresident alien, which is subject to the federal income tax because he was involved in a trade or business with a federally-chartered corporation.

Treasury Decision 2313 in elaborating on the case makes this apparent:

“Under the decision of the Supreme Court of the United States in the case of *Brushaber v. Union Pacific Railway Co.*, decided January 24, 1916, it is hereby held that income accruing to nonresident aliens in the form of interest from the bonds and dividends on the stock of domestic corporations is subject to the income tax imposed by the act of October 3, 1913.” (Treasury Decision 2313)

It is based upon the decision of the Supreme Court in a lawsuit brought by a citizen of New York, living in Brooklyn, against the Union Pacific Railway Co., a federally-chartered corporation. The purpose of the suit was to prevent the railway company from withholding the 1% tax from the dividends payable to the New Yorker. The state citizen lost that case. In reliance upon that decision, the Treasury Department referred to the New Yorker as a nonresident alien who, as such, was not exempt from the withholding of taxes from dividends payable by a domestic corporation (i.e., chartered by the federal government)! The fact that TD 2313 called Mr. Brushaber a nonresident alien seems proof enough that citizens of states are nonresident aliens for all purposes of the Code, and if this is true, then a corporation chartered in a state is foreign, while only federally- chartered corporations can be domestic. So, anything done in a state is done without the United States.

The Treasury Department actually confirmed their understanding by their analysis of the Brushaber case on the status of a sovereign as being a nonresident alien for revenue purposes.

A nonresident alien is anyone who is neither a citizen nor a resident (alien) of the United States. Since the sovereign is not a “citizen of the United States” under the Code (by virtue of the definition in the regulations), and since he does not fit the definition of a resident alien, by elimination, he must be a nonresident alien!

The term “alien” must apply to the sovereign, because he is alien to the status of subject citizen, and he does not fit the special definition of resident found in the 14th Amendment. It may also be said that, since the sovereign person does not live within the political jurisdiction of the United States, he is nonresident thereto. Thus, he can be nonresident to the place, as well as nonresident and alien to the status of subject citizen.

Under the language of the Code, as interpreted by the tax regulations, the sovereign may be liable for the tax applicable to the nonresident alien. The Code subjects nonresident aliens to taxes upon income

which is received either from a trade or business “effectively connected with the United States,” or from a source “within” the United States. Do not assume that this means some place as foreign as France or Japan. It appears to refer to the fifty states, just as clearly as did TD 2313.

As to taxability of nonresident alien income, in order for such income of the nonresident alien to be taxable, it will have to emanate from sources within sovereign federal areas or from an activity that is effectively connected with the political jurisdiction of the United States by reason of the ATF laws, patents, copyrights, federally-created entities, etc. If it emanates from any of the fifty states and is not “connected” with those federally-controlled activities, such income is not taxable to the sovereign people. Once again, the problem is to find a court that will apply this truth. To do this, one must show to the court that an activity in one of the fifty states is “without” the United States.

To do this, it is suggested that a standard form subpoena, as issued by the clerk of any United States District Court, be marked as an exhibit.

Point to the return of service which states that it is signed “under penalties of perjury pursuant to the laws of the United States of America.” Then attach it to a motion which cites 28 USC §1746(1). This statute defines that form of verification is applicable only “without” the United States! Also cite 28 USC §297, showing that the fifty “freely associated compact states” are referred to as “countries.”

Combined with the Brushaber case and TD 2313, one would make it hard for the court to deny that income from within the fifty states is without the United States.

Since one has always been a non-resident alien of the United States, also known as an American State National, it seems absurd that you would be required to prove it with rebuttal evidence, but that is exactly what you have to do. The government and the courts are not going to let you easily out of the system that it took them so long to put in place to fund their criminal activity.

Therefore I, demand this affidavit be certified by the Secretary of State, as evidence of my Status as an American State National and a passport correction be made to reflect such status and jurisdictional venue and returned to me.

Through its regulations, the government has made it difficult to expatriate, as they require that you leave the country and do the deed at a Consulate or Embassy. However, President Bush may have made the task a little easier since he has Declared War against Terrorists as (6) formally renouncing U.S. citizenship within the U.S. (but only “in time of war”) (Sec. 349 (a) (6) INA); Simply address the Document to the Attorney General per the regulation.

"...the first eight amendments have uniformly been held not to be protected from state action by the privilege and immunities clause [of the 14th Amendment]." *Hague v. CIO*, 307 US 496, 520

"The right to trial by jury in civil cases, guaranteed by the 7th Amendment...and the right to bear arms guaranteed by the 2nd Amendment...have been distinctly held not to be privileges and immunities of citizens of the United States guaranteed by the 14th Amendment...and in effect the same decision was made in respect of the guarantee against prosecution, except by indictment of a grand jury, contained in the 5th Amendment...and in respect of the right to be confronted with witnesses, contained in the 6th Amendment...it was held that the indictment, made indispensable by the 5th Amendment, and trial by jury guaranteed by the 6th Amendment, were not privileges and immunities of citizens of the United States, as those words were used in the 14th Amendment. We conclude, therefore, that the exemption from compulsory self-incrimination is not a privilege or immunity of National citizenship guaranteed by this clause of the 14th Amendment." *Twining v. New Jersey*, 211 US 78, 98-99

State Citizenship Test

The following are some of the citizenship questions you will see on various government forms styled in a way to deceive you out of your rights secured by the original constitution of our republic. United States of America and the original State constitutions. They have stopped using the term State Citizens on all of the forms for the purpose of constructive fraud. Remember that a State Citizen is a not a national of the United States. But is a national of the United States of America. See...**8 USC § 1101(a) (21) The term state “national” means a person owing permanent allegiance to a state.** (This is a State Citizen) **(22) The term “national of the United States” means (A) a citizen of the United States, or (B) a person who, though not a citizen of the United States, owes permanent allegiance to the United States.** **(23) The term “naturalization” means the conferring of nationality of a state upon a person after birth, by any means whatsoever.**

There exist mountains of supporting evidence and court decisions regarding my true status, and it seems absolutely preposterous to require anyone to jump over obstacles in order to expatriate from tyranny.

Again, this is one of the most important decisions of my life, so I, do not approach it in a cavalier manner. I, asked the good Lord for direction before making that decision. Notice: That tax are not even a consideration, as having taxes as one's motivating reason makes the attempt a Complete failure.

Conclusion

On every front, with blinding speed and inexhaustible power, the evil forces of darkness of the New World Order are closing a Ring of Fire on freedom. In every domain and field of human endeavor, the choking, suffocating idolatry permeates all fields of human thought, corrupting our language, destroying truth and justice, demolishing integrity and virtue, enacting totalitarian legislation and controlling education and communications.

Above all, the vilest evil is the destruction of our unborn children – a thing so horribly vile that even maggots in filth do not do. Then the attack on our faith and its foundations of Biblical thought and experience, demonizing God’s followers as religious right-wing zealots to be held in ill repute, ever rapidly expanding its deviancy of evil, closing the parameters on the just, as the UNITED STATES collapses inextricably into Babylon.

What malevolent force of darkness thus captains the ship of State for Columbia, the Gem of the Ocean?

God save me, but the UNITED STATES government is no longer sufferable. I can tolerate its pernicious and predatory conduct no longer as a citizen of the UNITED STATES (Corporate) fiction.

I hereby repudiate, rescind, renounce and disavow any CITIZENSHIP status with the UNITED STATES GOVERNMENT that I may have inadvertently acquired, by any scheme, for the reasons detailed in the foregoing Articles. My birthright now being re-secured as a member of the Sovereign Body of freemen and women known as Americans, American State Nationals, I hereby pledge my allegiance only to my God. I shall live by the commandment of “Love thy Neighbor” and shall “Do no Harm” in my private pursuit of life, liberty, happiness.

American State Nationals

I hereby pledge my allegiance only to my God. I shall live by the commandment of “Love thy Neighbor” and shall “Do no Harm” in my private pursuit of life, liberty, happiness.

America demands no less from me in that freedom has never been free.

My love for the united “States of America” has never been stronger. So help me GOD; Lord Jesus come quickly, Amen.

This NOTICE is from a woman/man, a living soul, sui juris, jus soli (on the land), a private non-citizen, non-resident, non-person, state national pursuant to 8 U.S.C. § 1101(a)(21) under Common Law Jurisdiction. "U.S. adopted common laws of England with the constitution."

See Caldwell v. Hill, 178 SE 383 (1934).

The avoidance of tax is not the purpose of this document, and is both voluntary and necessary for the 19 essential governmental services the state Nationals, we the people contracted for and agreed to pay for.

As a "nonresident alien," my estate and/or trust is, as described in 26 USC 7701 (a)(31), as a TAX-EXEMPT "foreign estate or trust."

"The Tax Code represents the genius of legal fiction... The IRS has never really known why people pay the wages/income tax... The IRS encourages voluntary compliance, through FEAR."

2) Proof that you belong in America

- a) **Option 1 – Patent of Nativity**
 - i. Trace your genealogy back before 1776 when your first ancestor was born on the shores of America before the ratification of the Constitution. This proves that you belong on the American soil before the government was created. **Also**, women will need to trace their maiden name from their father's side and their mother's maiden name. Most people think they need to trace their paternal line only and this is not the case.
- b) **Option 2 – Declaration**
 - i. Write a Declaration to state your case of why you are not a citizen of the corporate UNITED STATES. You are a living breathing soul with a heartbeat.

(b) Get your passport

1. Plan a trip to a Passport Agency (or closest passport agency to you)
 - a. Check the travel.state.gov website for current passport prices.
 - b. Download DS-11 from United States Secretary of State
 - c. Go to coppermoonshinestills.com fill out the passport exactly the way it is directed
 - d. Get your two passport photos and two forms of I.D. as required
 - e. As of Dec. 2020, some passport agencies are currently accepting a limited number of expedited passports without requiring a life-or- death emergency. For months, they have been restricting expedited appointments because of the farce COVID-19 'pandemic'.
 - f. Book an appointment in the future at a passport agency, choosing a travel date within the next week or two.
 - g. Book a reservation at a hotel in Canada (or Mexico), as it is required to have a reservation (hotel or plane itinerary) in order to justify your reasoning for an expedited passport. You can cancel it after you get your passport, as your passport will be received on the same day.
 - i. We recommend booking a hotel with a service that offers free cancellations with over 24-hour notice. This way it doesn't cost anything to book the hotel, and you can still offer it as expediting proof.
 - h. **If you have a passport, or yours has expired within the last 5 years, fill out a DS-64.** This is the form to report a lost/stolen passport. You will fill this form out in addition to the DS-11.
 - a. If you walk into the passport agency with your unexpired/recently expired passport, they will try to push the DS-85 renewal form on you. They will claim the DS-85 is cheaper, and that you should do it. The problem with the DS-85 is that it has nothing in the document about citizenship.
 - b. When you arrive at Passport Office you take with you all of the ~~ab~~ items including the Repudiation and you say
 - c. *"Here is my application properly filled out, here are my photos and my I.D. here is my reservation for expedited service and here is my Affidavit of Status as a State National*

defined in USC title 8 sec 1101(a) (21) (23) Please issue me a passport that reflects that reflects that status” (then shut up this is all you say)

1) The following is from my personal experience at the Colorado Passport Agency

- a.** The clerk at the first window has no idea what you are talking about, when you are asking for a State National passport. They will ask for additional info. This may be a legitimate person who has no idea, or they want to see if you know what you are talking about. Just repeat that because of your Affidavit of Status as a State National defined in USC title 8 sec 1101(a) (21) (23) that you need a passport to reflect your status. It really doesn't matter what you say to this person, as they will not be the one who ends up helping you in the end. They will have you sit down to wait to speak to a specialist
- b.** Not everyone who works for a government agency are surely people. The specialist I worked with was actually a nice kid. He was extremely helpful, and very kind. Give the specialist agent your recorded affidavit and ask them to make a copy to include with your application.
- c.** After turning in your application and affidavit, you will be instructed to come back after a certain time to pick up your passport. Because I went
on a Friday, and had a hotel reservation in Canada on Monday (and I told them I was driving), I was able to pick up my passport in 1 hour.
- d.** If you filled out the application asking for a book and a card, be weary that the specialist actually orders a card. I had Book and Card checked, and I was only charged for the Book. I added up the cost for the Book, the Card, and the expedited fee before heading to Denver. The total cost for all is \$200
 - i. \$110 book fee
 - ii. \$30 card fee
 - iii. \$60 expedited fee

I was charged \$205. Specialist said something about some \$35 fee. I didn't ask, although I should of. When I went to pick up my passport, I was handed an envelope that contained only the book. When asking about the card, I was told **“Colorado passport agency does not issue the cards. They come from the Dept. of State”**.

I headed home, and waited 2 weeks before calling the Dept. of State inquiring about my card. Apparently, the agent never ordered my card, and because I filled out a DS-11, I was charged a \$35 fee, thus the \$205. At the time I went to Denver, it was not listed on the travel.state.gov that there is a \$35 administration fee.

NOTE: Denver has stated that they will only issue US citizen passports. This is correct. The passport agency has no decision on what is on your passport. The information on your passport does not indicate anything about your citizenship. The information about you ("State National" status, and "Do not detain, do not interrogate") is corrected in D.C.,

Process by David L. Straight

SEE DS-11 FORM BELOW AS AN EXAMPLE

NOTE: It is rumored that the State Department will require proof of travel such as a VISA or other proof of travel. This is because the enemy is in panic. They do not want their slaves to escape. It's merely a way to discourage you from getting this type of passport. And most countries do not require a VISA for Americans. So if this becomes the case, I suggest you simply make a hotel reservation for a night or two across the border in Canada or some place. Then print off a copy of the reservation for proof to include with your application. You can always cancel the reservation after you get your passport, if you change your mind or not able to go.

Traps to avoid.

1. Do not put down that you are a U.S. citizen on anything. Usually the proper choice given is Citizen of the United States, Non-citizen national or other. They used to have places on the form to check off State Citizen but not anymore. Yes, they make it as confusing as possible.) Or the form may only have a yes or no question if you are a U.S. citizen. Check off no. Checking off no to U.S. citizenship does not prevent you from benefits or rights. If you are registered to vote, you still can vote. Because you are asked if you are a Citizen of the United States.
2. Your social security number is voluntary. But again, if you do not put it on the passport application or you will be denied. So it does not hurt you to use it if you need to. But it is a felony for anyone to compel your social security number from you. See... **42 USC., 408 A-8**. I am told that you can get an EIN number for banking purposes only. Then use that with your passport to get a bank account. Do not give them your SS number when getting an EIN number or it will be denied.
3. Always put the phrase "**without prejudice**" with your signature. State Citizens do not have to do this. But it sure does not hurt. It means you are not giving up any rights or otherwise contracting. See **UCC 1-308** which was formally **UCC 1-207**.
