## Famous Quotes

**The Famous American Author Mark Twain quoted the following, which really describes the problem at hand:**

*“It is easier to fool the people —  
than to convince them they have been fooled.”*

**From the White House, a well-known Aide, Colonel Edward Mandell**

**House, was quoted as reporting the following back in the 1920’s....**

”Very soon, every American will be required to register their biological property in a national system designed to keep track of the people and that will operate under the ancient system of pledging. By such methodology, we can compel people to submit to our agenda, which will affect our society as a charge back for our fiat currency. Every American will be forced to register or suffer not being able to work and earn a living. They will be our chattels and we will hold the security interest over them forever, by operation of the Law-Merchant under the scheme of secured transactions. Americans, by unknowingly or unwittingly delivering the bills of lading (Birth Certificates) to us will be rendered bankrupt and insolvent, secured by their pledges. They will be stripped of their rights and given a commercial value designed to make us a profit and they will be none the wiser, for not one man in a million could ever figure our plans, and if by accident one or two should figure it out, we have in our arsenal plausible deniability. After all, this is the only logical way to fund government, by floating liens and debts to the registrants in the form of benefits and privileges. This will inevitably reap us huge profits beyond our wildest expectations and leave every American a contributor to this fraud, which we will call “Social Insurance”. Without realizing it, every American will unknowingly be our servant, however, be grudgingly. The people will become helpless and without any hope for their redemption and we will employ the high office (presidency) of our dummy corporation (USA) to foment this plot against America.”

It is therefore clear for all to see that this conspiracy was orchestrated through the use of FRAUD, and makes everything associated with it, or this acting government Null and Void, as Fraud vitiates everything it touches.

# Declaration

On The United States of America (1787)

On The State part of Texas Republic (1850)

Declarant, First-Middle; Last: in esse and sui juris, being firstly duly sworn, hereby deposes and declares on her own firsthand knowledge, under her unlimited commercial liability, and under the penalty of perjury under the Laws of The United States of America (1791), without the UNITED STATES, that the following facts and declarations are true, correct, complete, and not designed to be misleading in any way to the very best of her knowledge and belief:

## Major Historical Facts:

**These historical facts are in regard to the status of de jure private American state nationals and the design of the Roman papacy - as spearheaded by the military order of the Society of Jesus (Jesuits), to overthrow the liberties of private American state nationals of The United States of America by imposing a State-created Statutory de facto Public U.S. citizenship on We the People this being in substance a privileged Roman citizenship, would enable the Constitutionally de jure civilian government of The United States of America, having been unlawfully altered from being a de jure "Federal" government, to a de facto "National" government by the 14th Amendment (1868), which was one state short of lawful ratification, to be later replaced with a Corporately-created statutory, de facto, Emergency War Powers Military government of the "United States" on March 9,1933;**

1. Whereas America was founded under the administration of commercial Trust Management Organizations, the most famous of which was the Virginia company; As a result of the Revolutionary War the American People formed an unincorporated domestic civil government with the Articles of Confederation, and later the Constitution; The "Several States" later contracted with an unincorporated Trust Management Organization dba "United States" to provide international representation and stipulated public services in common; and
2. Whereby the American civil government based on individual and organic state sovereignty is known as the Republic; A more recent Trust Management Organization dba the "United States of America, Incorporated", clearly admitted its status as a mere representative of the Republic when it popularized the Pledge of Allegiance, "...and to the Republic for which it stands."; and

3. Whereas the Republic originally functioned in international commerce through the agency of an unincorporated commercial Trust Management Organization known simply as the “United States”; George Washington was the eleventh President of this Trust Management Organization which predated the Revolutionary War; and
4. Thusly there are TWO governments in America, and there always has been; The Republic, which is the civil government of the American People, and the Trust Management Organization that is charged with providing nineteen enumerated services for the Sovereign States, most of which deal with international commerce; and
5. Wherein the Republic States, which originally entered into the equity contract known as The Constitution for The United States of America, where represented by the Trust Management [Organization, dba ”United States”, from 1789 to 1863, when it entered into bankruptcy caused by the expense of the Civil War; and
6. That it is important to note that the Peace Treaty that followed the Revolutionary War contained a stipulation to allow the British to continue serving in the Judiciary here in America, and also allowed the British to participate in the Banking System, which they did during the Twenty-year Charter that followed (1791-1811); and
7. Whereby both of these concessions proved costly, as the English Barristers never had American values at hand, and the Banksters completely raped the American public financially over this twenty year period, and the Congress refused to renew their Charter in 1811, while at the same time, the Original 13th Amendment to the Constitution was circulated to bar all those with Titles of Nobility (Esquire mainly) from practicing law here in America, or to hold public office — and it was those two things that prompted the War of 1812; and
8. That neither the Original 13th Amendment, nor the original Constitution, did they find when the British burned the Library of Congress and the White House under construction, and the 13th Amendment survived the War of 1812 to be finally lawfully ratified when Virginia joined into the ratification process in 1819 — still published to this day along with the Constitution of Colorado, and that of other states; and
9. That the year following the War of 1812, the Congress of Vienna was held in Eastern Europe, with the Eastern Bankers and Vatican in attendance, to conjure up a means to strip America of their Liberties and Freedoms (1815-1816); and
10. The subsequent Secret Treaty of Verona (1822) was led by the Vatican and furthered the plot against America, and its Freedoms, and once revealed led President James Monroe to issue his blessed Monroe Doctrine (1823) — because of which he was given the “poison cup” on July 4, 1831; American inventor Samuel F.B. Morse warned of this diabolical Jesuit Conspiracy against the Liberties of America in his epic work, Foreign Conspiracy Against the Liberties of the United States, published in 1835; and
11. Wherein when the Civil War broke out in 1861 with the South winning during those first two years, while the Union was being operated by the First unincorporated Trust Management Organization that was forced to file for bankruptcy protection in 1863; But it was the Vatican

Bank that bailed them out by giving them a loan (of millions) in gold, allowing President Lincoln to turn the tide of the war around against the South, and bring eventual victory to the Union Army in 1865; and

12. However, Lincoln was unable to repay the Union's debt in gold, and instead offered mere "Legal Tender", which were only Treasury promises to pay, which did NOT satisfy the conditions of the loan, as one simply cannot repay a loan of substance with more mere promises to pay; and

13. That this loan not being satisfied, brought Rothschild's Bank Agent, John Wilkes Booth into the Ford Theater that evening to shoot President Lincoln before total peace could be declared, and the Vatican Bank was able to seize the Collateral on the loan — the unincorporated Trust Management Organization that ran the United States; The Vatican then proceeded to incorporate this TMO and then call it the "United States of America, Incorporated" in France in the year 1871, and still holds title to this Trust Management Organization that Americans are lead to believe is their lawful government; and

14. However with the Bank takeover in 1865 of this unincorporated Trust Management Organization during this period of Reconstruction, it went almost completely unnoticed by the American Public, but it was Incorporated by the Vatican Bank in 1871 as the Vatican's Roman Curia was the author and copyright holder of this new law form, the Corporation, and wherein the Vatican itself having based all their strategy and planning from the Congress of Vienna and Secret Treaty of Verona, wanted to seize complete control for itself, which it effectively did, unbeknown to the public, and still holds lawful title to this Trust Management Organization that Americans have been fraudulently lead to believe was their lawful government; and

15. Whereas an Incorporated Commercial entity operating for Profit has NO sovereign powers whatsoever, and the United States of America, Incorporated, charged with providing the nineteen enumerated services listed in the Constitution, became a de facto government entity when that same year of 1871 the Corporate CONGRESS enacted legislation on their behalf to adopt the Constitution along with only the first twelve (12) Amendments as their Corporate Constitution & bylaws, calling it the "Constitution of the United States" (1871), leaving out that important Original 13th Amendment baring Attorneys from holding public office, as their Oath-taking Attorneys were needed to run these Corporations; They then enacted the Act of 1871, formally incorporating the municipal (city-state) of the District of Columbia as a separate nation operating according to its own government code; and

16. Whereas The Constitution for The United States of America (1871) requires the government to guarantee a Republican Form of government — and a Corporate Form of government is definitely NOT a Republican Form — in fact it is more of a Democratic Form of government, rather diabolically opposed to the Republican Form which is required by our Organic Constitution, and therefore unlawful on the land; and

17. Whereby at NO time in this nation's short history has the People of this Land contracted with any incorporated Trust Management Organization in any way, and that this hostile takeover of the unincorporated Trust Management Organization by the Vatican in 1865, who then

incorporated it in 1871, and then with the aid of their Corporate CONGRESS, which in NO way has ever been allowed to change the actual Law of the Land upon which the Constitution for The United States of America (1791) and the People depend, leaving it very clear that a Corporate entity — a LEGAL FICTION remains outside the Law, and technically operates under the Law of the Sea, in Admiralty, and CANNOT be the legitimate government of this country; and

18. Whereby it is a fact that only an unincorporated Body Politic can lawfully operate the Civil government of this country, and a Corporate one CANNOT; And the fact remains that in America there is NO Corporate authority whatsoever over the People on the Land of America, other than those subjects of CONGRESS, which are the citizens of the District of Columbia or their possessions, all referred to as “U.S. citizens” (with the small ‘c’) (See the Clearfield Doctrine (1943) of the U.S. Supreme Court); and

19. Whereas the Vatican was also instrumental in the creation of the Federal Reserve System in 1913, making this private banking cartel the sole creditor to the United States while controlling this banking interest which again brought the United States into bankruptcy both in 1930 at the Geneva Convention, when the United States of America, Incorporated, along with Great Britain and the other G5 Nations, entered into an agreement to file bankruptcy as a result of Germany’s failure to pay War Reparations from their involvement in WW-I, and this caused a domino effect on the entire world putting many other nations into bankruptcy during the years that followed; and

20. Whereas an Incorporated Commercial entity operating for Profit has absolutely NO sovereign powers at all according to the Clearfield Doctrine of the U.S. Supreme Court in 1943, where it is said that “When a government operates as a commercial corporation for profits it descends to the level of all such corporations and has NO special powers or attributes, and that it is only when acting as a properly formed unincorporated Body Politic that a government exercises sovereign powers of any kind”, but this United States of America, Incorporated, charged with providing the nineteen enumerated services listed in the Constitution, has pushed to become the de facto governmental power anyway, even though it has never had a contract to operate our Civil government — and couldn’t as long as it remains incorporated operating in Commerce for Profits as it does, as it does NOT provide for a Republican Form of government in any way, shape, or form; and

21. Whereby with the Vatican also backing the Federal Reserve Act of 1913, placing the United States under a sole creditor that it could also control, the United States not only filed bankruptcy in 1930 when it went along with Great Britain and the other G5 Nations, based upon Germany’s failure to repay War Reparations from WW-I, but they also filed for bankruptcy again in 1933 when their Scottish-Rite Mason Agent, Franklin Delano Roosevelt, declared the “Banking Holiday” at the beginning of his term in office, and over that decade of the 30’s also brought the States into bankruptcy with the Buck Act of 1940 being enacted by its Corporate CONGRESS, therein enfranchising the States as Corporate Municipal Franchises of this United States Corporation, and also enfranchising the Estate/Trusts of all the Americans that they themselves had created; and

22. That Officers, Employees, and Agents of the United States of America, Incorporated are in fact by Statute, Foreign Agents, and Foreign Corporate Officials — nothing more, as this United States of America (Minor) is NOT the same as the lawful United States of America (Major), which is an unincorporated Body Politic, which is the lawful government Of the People, By the People, and For the People who’s Constitution calls for each State to guarantee a Republican Form of government, and NOT a Corporate or Democratic one; and

23. Whereas this Incorporated Commercial Corporate entity operating for Profits calling itself the “United States of America, Incorporated”, along with all of its other various Franchises, Departments, and Agencies — including all of the Buck Act States, are NOT our lawful government, and never has been, they are Foreign Corporations simply masquerading “as” our government entities, which is exactly why the U.S. Supreme Court had to rule the way it did in the Erie-Clearfield Decision of 1943; and

24. Therefore the fact remains that in America there is NO Corporate authority whatsoever over the People — private American state nationals, and never has been, however once they took over our Courts they have been conniving to do so through gross Breach of Trust, Breach of Fiduciary Duty, Fraud, Fraudulent Representation, and Breach of Contract, and the National Trust Indenture, especially through semantic deceit, while most American People have in fact been fooled by this Foreign Interloper’s deceit; and

25. Wherein since 1944, the United States of America, Incorporated’s business affairs have all been managed by these same creditors organized as the International Monetary Fund (IMF), acting under various corporate names including the UNITED STATES, the UNITED STATES OF AMERICA, the USA, and E. PLURIBUS UNUM THE UNITED STATES OF AMERICA, and therein the International Bankers seized control; and

26. Wherein this radical socialist-communist coup d’état plotted by the infamous Society of Jesus, aided by the Knights of Columbus, and carried out by its Scottish-Rite Mason agent, President Franklin “Augustus Caesar” Roosevelt, would overthrow the civilian government exercising the Constitutional, de jure jurisdiction of The united States of America — this united States of America being the collective name of the States which are united by and under the Constitution [Hooven & Allison Co v Evatt, 324 U.S. 652, 672], replacing it with a de facto Military government exercising an extra-constitutional, alien and foreign, de facto jurisdiction of the “United States” — this “United States” being the territory over which the sovereignty of The united States of America extends [Hooven & Allison Co v Evatt supra, 573]; and

27. Wherefore further by replacing constitutionally de jure private American state nationals with de facto Public “U.S. citizenship”, thereby enabling the constitutionally de jure jurisdiction of The united States of America to be replaced with a statutory de facto jurisdiction of the “United States”, the Jesuit Order would fulfill its design of overthrowing the liberties of The united States of America as plotted during the Congress of Vienna (1815-1816) and the subsequent Secret Treaty of Verona (1822): and

28. Furthermore this overthrow of both de jure private American state nationals at common law and its counterpart, the de jure jurisdiction of The united States of America at common law,

would enable the Jesuits from Georgetown University to use the de facto Emergency War Powers Congress now possessing the unlimited legislative powers of an English Parliament to wield absolute legislative power over the de jure fifty sovereign states turn de facto “Conquered Territories” as ruled by the statutorily-created, de facto National War Powers CORPORATE Military government, all run by the International Bankers, with the Vatican at the head; and

29. Whereby this unlimited congressional power would enable the Jesuits, ruling their de facto Corporate Military government of their de facto American Empire, to control by statute every facet of American life, “from cradle to grave”; This control would include the imposition of socialist-communism for the building of cartel capitalism (fascism) and the destruction of the historic White Protestant and Baptist Middle Class of American Nationals, as well as others, with the building of a huge military-industrial complex while using their de facto Public “U.S. citizens” to work in the Jesuit Order’s lassier-faire, cartel capitalist corporations, and to finance and fight the wars of the Pope’s American Empire; and

30. Whereby these international crusades directed by the Society of Jesus within the geographical United States via its Council on Foreign Relations, would be fought for the benefit of the Roman papacy in restoring the Temporal/Political Power of the Pope over the governments of all nations while subsequently militarizing those conquered nations; and

31. That furthermore with the change of the de jure constitutional jurisdiction of The united States of America, with its common law civilian due process of law, and procedures secured by the Fifth and Seventh Amendments, to a de facto, extra-constitutional, Roman Civil Law jurisdiction of the “United States” established by an amended World War I statute (1933), a Presidential Proclamation (1933) and the subsequent abolition of common law right and common law civilian due process of law by the Roosevelt “stacked” Supreme Court in 1938, an alien and foreign martial due process would be adopted by the federal and state courts fitted for the new de facto “New Deal” Public “U.S. citizens”, which are in substance Roman citizens, and since these de facto “Conquered Territories” are in substance Roman provinces under military rule, it is only fitting that the Roman/Public “U.S. citizens” should be criminally and civilly subjected to a martial process imposed by their very own constitutionally-created civilian courts; This de facto martial process, if unchallenged by prima facie evidence proving the accused to be a “American State National” of The united States of America, and not a Roman Public “U.S. citizen” would confer in substance, martial in personam jurisdiction; and

32. With this absolutist judicial jurisdiction limited only by decisions of the Supreme Court, the federal courts would be in substance only territorial courts of the Conqueror; These Emergency War Power Courts would enforce the sovereign will of the de facto Emergency War Powers CONGRESS, while sitting in a special Executive Equity in substance, a martial equity, operating upon a LEGAL FICTION: The legal fiction would be the presumption of fact that each individual American State National of The united States of America was in contract with, and enfranchised by, the state of his/her natural birth, thereby altering his/her constitutionally de jure American State National’s status, in direct violation of 2 Stat. Â§ 153, cc28, ss1, Revised Statute 2165, upon the public filing of the Birth Certificate a unilateral contract, which in status would

enable and obligate the Emergency War Powers Courts to dispose of this matter, federal or state, civil or criminal; and

33. Birth Certificate, which by operation of law would be the contract to alter de jure Private American State National status of The united States of America to a de facto Public “U.S. citizenship”; With this presumption of fact of an existing contract held by every individual Public “U.S. citizen”, holding its Private American State Nationals as “property” and Surety, every court legally sits in a special Executive Equity jurisdiction in which Law and Equity have been merged enforcing the statutes of an Emergency War Powers Congress; and

34. Whereby this de facto status enables and obligates all federal and state courts to sit in Executive Equity thereby fulfilling the grand design of the Society of Jesus in subverting the common law jurisdiction of The United States of America (as per Section 1, 13th Amendment, and Section 1, 14th Amendment) by rendering ineffective the constitutional status of de jure American State Nationals of The United States of America (1871); and

35. Furthermore this evil design of the Society of Jesus against the constitutional common law liberties of the American State Nationals of The united States of America as set forth by one of the Order’s Masonic Temporal Coadjutors: That man was Sir Henry Summer Maine, Regis Professor of the Civil law in the University of Cambridge in England: In his ancient law: Its Connection with the Early History of Society, and its Relation to Modern Ideas (1864), Maine sets forth his three-part plan that, after its imposition, would overthrow limited American government born out of the Protestant Reformation (1517-1648) and the First American Great Awakening (1735-1750); That diabolical “unholy trinity” was first the creation of a LEGAL FICTION: That Legal Fiction, even though legally imposed by silent consent of each American State National, was the public filing of a Certificate of Live Birth, or Birth Certificate, the Baptismal Certificate of every federally-owned Public “U.S. citizen”, became subordinate Surety for, and the held property of his alter ego and Gemini Twin, the Public “U.S. citizen”; and

36. Whereby as of March 9, 1933, all Public “U.S. citizens” with their Surety Property, Private American State Nationals were seized as booty of war by Corporate President Franklin Delano Roosevelt’s Corporate Military War Powers Proclamation 2040 which practically overthrew the sovereignty of the People of The united States of America, reducing them to being mere property of Rome’s de facto Corporate Military Government sitting in Washington, D.C., to be treated as “rebels and belligerents” living in the then forty-eight States deemed by the Conqueror/Commander-in-Chief to be merely Corporate Military Governments in subordination to Washington, D.C.; and

37. Whereby with the Buck Act of 1940, State of California, and the other 48 “State of ...’s”, all became Corporate Municipal Franchises of the bankrupted United States of America, Incorporated, and the STATE ALASKKA emerged along with the other 49 “STATE OF ...’s” all becoming Corporate Municipal Franchises of the UNITED STATES, INC. with none of these ‘States’ being the same as any of the geographically defined and organic Several States, which are the original Republics; and

38. Whereby none of these Trust Management Organizations had a contract to operate the Civil Government of this country, **and NEVER have**, although they have been conniving and contriving to do so for several decades with disastrous results; and

39. Finally, on September 24, 2015, the legal “owner” of this Corporation called “the UNITED STATES”, Pope Francis, did place it into a Bankruptcy liquidation with the World Court at the Hague and it was concluded and finalized with a complete liquidation on November 5, 2020, two days after the 2020 Election rendering any results completely null and void; and

## Positive Averments

**Whereas, based on the foregoing, Declarant, First-Middle;. Last: in esse and sui juris, does also solemnly affirm the following positive averments:**

40. Whereby Declarant, First-Middle;. Last: in fact born of God on the Land known as Los Angeles on the California Republic on November 10, 1968 CE to (Fathers) William Bruce Simmons and (Mothers) First-Middle;. Last:— both native American State Nationals with fully protected and guaranteed Constitutional Rights, by virtue of his/her natural birth and 2 Stat 153, c.28, ss.1, Revised Statute 2165 also became a native Private Inhabitant on the State Republic and private American State National of the American Republic; and

41. That however the Corporate Birth Registration process created and imposed by the Corporate CONGRESS of the Corporate UNITED STATES and their Corporate Franchise, STATE OF CALIFORNIA, this Birth Registration process is only lawfully imposed upon their own Subjects, creating a Corporate-sole utilizing this Birth Certificate and then using Foreign Fictitious NAMES created as variations of his/her True Name for their own use and benefit, based upon a purely alleged contract with his/her mother, in which the newborn Declarant was NOT a party; and

42. That then his/her Birth Certificate was further Registered with the Department of Commerce in Washington, DC, wherein what they Registered was NOT the man/woman but actually the United States property — namely the United States-created Estate/Trusts and Foreign-situs Trusts which were converted from that State-created Corporate-sole NAME, registering those into International Commerce — again for their own benefit and use; and

43. Whereby Declarant is in fact one of the Posterity of “We the People”, by whom and for whom The Constitution for The united States of America was created and ordained, and established according to its Preamble, holding de jure private American state national status conferred upon his/her natural birth by Article I : Sub-section 1, paragraph 2, of that Constitution as an American state national of the continental united States (Major), and both non-resident, and alien to, the military government of the United States in Washington, D.C., just as his/her ancestors were; and Whereby Declarant’s given name at the common law is: Carrie-Ann;.- her surname/family name at birth was: LastName, and he/she is known by his/her married name of First-Middle;. Last: his/her married name but by no other names or spelling, publicly or privately; and

44. Whereas Declarant's full name, "First-Middle; Last;" is spelled in proper English, and without any captions or abbreviations in accordance with the rules of English grammar as the Courts operating in Corporate Statutory Jurisdiction utilize Roman Civil Law, which is Foreign to the Republic and not binding on Americans, and whereby any ALL CAPS NAME is a Capitis Diminutio Maxima, which reduces the Rights of that entity to that of a Slave or mere possession and therefore is NOT acceptable and cannot be allowed, and therefore the proper English form must always be used in respect to his/her and his/her proper persona just as it originally appeared on his/her Birth Certificate as "Carrie-Ann; McClain;"; and

45. Wherein Declarant was naturally born on the land known as Los Angeles, on the California Republic in these United States of America (1787); and

46. That on the day of Declarant's natural birth, he/she became a de jure Private American State National on the land of the geographic United States of America composing the then fifty (Several) States pursuant to and secured by Article I: Sub-section 2 of the Constitution for The United States of America (1787); and

47. Whereas on the day of Declarant's "CERTIFICATE OF LIVE BIRTH" being filed with the State of California, by operation of law, it was fraudulently presumed that he/she became the Property and Surety for, and wedded to "FIRST MIDDLE LAST", or "FIRST MIDDLE INITIAL LAST", or any derivative thereof, a state-created California corporate-sole and statutory Public "U.S. citizen" of the de facto Emergency War Powers Corporate Military government of the "United States", it governing the states as "Conquered Territories" and its state-created "U.S. citizens" as conquered peoples through this artifice of pure Fraud; and

48. That said Property has since been returned to the natural owner, said suretyship has been terminated, the marriage has ended, and Declarant's former status of Private American State National has been resumed and restored pursuant to 2 Stat 153, 15 Stat 249, the Maxims of Law of Contract, the Common Law, Equity Jurisprudence, along with the recording on the public record of my "Declaration of the Naturalization Act of July 1779", two "Witness Testimony Affirming American State Political Status and Identity" forms, along with an "Acknowledgement, Acceptance and Deed of Reconveyance", a "Certificate of Assumed Names", "Acts of Expatriation", "Cancellation of All Prior Powers of Attorney", "Foreign Sovereign Immunities Act", "Paramount Claim of the Life and the Estate; and the "Revocation of Election to Pay Income Taxes"; and

49. That Declarant's de jure Private Inhabitant status on the Republic of California is "Paramount and Dominant", and his/her de jure "Private American State National" status of The United States of America, unincorporated (1787), is "subordinate and derivative" of said "Private Inhabitant status on the California Republic", the 14th Amendment notwithstanding, because it was never actually lawfully ratified, being one state short of lawful ratification, and the expatriation from that unlawfully imposed foreign citizenship was effected pursuant to 15 Stat 249, the day before the 14th Amendment was ratified; and

50. That Private Inhabitants of The United States of America were called "American Freemen" by pre 14th Amendment Presidents George Washington, Andrew Jackson, Zachary

Taylor, and Abraham Lincoln, as well as post 14th Amendment Supreme Court Justice, John Marshall Harlan, evidenced by his dissents in Downes V Bidwell, 182 U.S. 244, 381 (1901) and Maxwell v Dow, 176 U.S. 581,607,617 (1900); and

51. That Declarant now specially and privately lives without the military jurisdiction of the “United States” as defined by the Trading with the Enemy Act, and therefore lives Privately on non-military occupied private estate land geographically known as the New Mexico within the Texas Republic; and

52. That Declarant’s flags are the civilian flag of The United States of America (Title 4 U.S.C. § 1), and the civilian flag of the State Republic, neither civilian flag representing its nation under a Republican Form of Government displaying any gold fringe and/or cords, tassels, or spears and/or birds atop thereof as military “colors” do, as displayed by the Commander-in-Chief of the de facto corporate military governments of both the “UNITED STATES” and the “STATE OF YOUR STATE, TEXAS, CALIFORNIA, ALASKA” or any STATE; and

53. That Declarant’s law is the Word of his/her Creator via his/her family Geneva Bible, and or the Hebrew Scriptures born out of the risen Son of God’s grand and glorious Protestant Reformation having birthed the Modern Era, and thus Declarant does not recognize anyone other than his/her Creator as an authority in his/her life; and

54. Whereas being a non-statutory, constitutionally-protected private American state national of the Republic of The united States of America and non-statutory, constitutionally protected Private Citizen/Special and Private Inhabitant on the State Republic, and therefore no longer the Property of, Surety for, and wedded to State Corporate-sole, Public “U.S. citizen” of the “United States”, and therefore artificial person “CARRIE ANN MCCLAIN” or any derivative thereof, now without a Surety and personal property, is a “Non-Taxpayer” as described in Economy Plumbing & Heating v United States, 470 F.2d, 585 at 589 (1972); and

55. Whereby Declarant has removed every signature, or silent consent, and rescinded every contract of Suretyship, Nunc-Pro-Tunc, Ab Initio ever executed on behalf of the corporate-sole / “U.S. citizen” “CARRIE ANN MCCLAIN” or “CARRIE A MCCLAIN ” (including any derivatives of the NAMES thereof), be it public and/or private, by means of duly filed documents on the public record as laid out in paragraph forty nine (49) of this document, Nunc-Pro-Tunc, Ab Initio, as on Public Record in the year 2021; and

## Negative Averments

**Further, Declarant First-Middle;. Last;, in esse and sui juris, solemnly declares and affirms the following negative averments:**

56. That Declarant is not alieni juris, holding the status of being Property of, or Surety for, and/or wedded to, an artificial, de facto, hybrid Public “U.S. citizen” created by statute in the state of his/her natural birth for the benefit of the de facto Emergency War Powers Corporate Military Governments, federal and state, on March 9, 1933, hence Declarant is neither an infant,

child, rebel, belligerent, or any type of artificial “person” under the power of a paternal Emergency War Powers Corporate Military Government, federal or state; and

57. That Declarant’s Christian/family name is NOT “FIRST MIDDLE LAST”, or “FIRST MIDDLE INITIAL LAST”, or “FIRST LAST” nor even “First Middle initial Last”, or any other derivation thereof, or any other form of this Nom de Guerre (name of war): French, which denotes a legal fiction or dead person) carried by all subject “U.S. citizens”, styled in solely uppercase letters, or with abbreviations, which principle in distinguishing the difference between the all uppercase letters, and mixed case names has been affirmed by a federal court of record (see Black’s Law: Capitis Diminutio Maxima); and

58. That Declarant is neither the Property of, Surety for, nor wedded to the artificial entity “FISRT MIDDLE LAST”, “FIRST MIDDLE INITAIL LAST”, “FIRST LAST”, “First Middle Initial Last”, nor any other derivatives of this Nom de Guerre/name of war, carried by all “U.S. citizens”, said NAME being the legal property by the characteristics of the de facto Corporate Military Government of the “United States” and

59. That Declarant is neither a statutory, state-created Public “United States citizen” (artificial person) of the de facto Corporate Military Government of the United States, nor is he/she surety for and/or personal property of and/or wedded to, a statutory, state-created Public “United States citizen” (artificial entity/person) of the de facto Corporate Military Government of the United States as a matter of status and/or matter of Public and/or contract(s); Therefore Declarant is not a state-created, federally owned statutory Public “United States citizen” (artificial person/”U.S. citizen”) subject to the de facto Corporate Military Government of the United States for income/excise/privilege tax purposes; and

60. That Declarant’s flags, national and state, are not military colors with gold fringes and/or draped with gold cords with gold tassels; [Army Regulation 840-10 et seq.]; and

61. That Declarant is not a rebel or enemy publicly residing within a conquered territory of the “United States”, the territory over which the sovereignty of the United States exists [Hooven supra, p. 671] its de facto Corporate Military government having been created by FDR’s Presidential Proclamation 2040 approved and confirmed by the Corporate CONGRESS in their “Emergency Banking and Relief Act” [12 U.S.C. § 95(b)], which also amended [via 12 U.S.C. § 95(a)] the Trading With the Enemy Act [50 U.S.C. App. 5 (b)], on March 9,1933; and

62. That Declarant does not publicly reside according to state statutes within a conquered territory or within a federal military district of the geographic United States (composed of the 50 States); his/her special, private, and confidential mailing location is as follows:

First Middle Last

Private American State National

% Your Address

City on State, Texas Republic

63. That Declarant does not publicly reside according to statutes within any of the ten regions of the geographic United States as designated by the Buck Act (1940) or the ZIP CODES of the Federal Zone Improvement Project began in 1963, and takes exception to whenever possible in the use of either a ZIP Code or a Postal Code, both being synonymous; and

## Corporate Fraud

**With the United States setup as a Private Commercial Corporation operating for Profits and acting in Fraud the way they do, this setup not only involves the United States itself, but many other corporations under their control as well, to participate in this Fraud whereby Americans have been completely dominated by all this Fraudulent activity in a land of their own, but unfortunately with most not completely realizing it:**

64. Whereas none of the Incorporated Trust Management Organizations or other Corporations have a contract to operate our Civil government, and NEVER have, although they have been conniving and contriving to do so for several decades now with disastrous results; and

65. Wherein the IMF dba UNITED STATES, INC., and its corporate OFFICERS and their appointed bankruptcy Trustees commandeered the apparatus of what Americans thought was their lawful government, claimed to represent the American People, and then went on an eighty-five (85) year rampage of white collar fraud and crime the likes of which the world has never known; The IMF dba UNITED STATES, INC., has claimed that the American People have had a free choice in the midst of all this misrepresentation and unlawful conversion of assets and that they could redeem their property held in the franchise ESTATE Trusts setup in their NAMES by the banks at any time/simply by notifying the proper officials the Internal Revenue Service; and

66. Whereby the private American state nationals were never told any of this, so this remedy was never actually made available in any practical sense to the millions of rank and file Priority Creditors of the United States of America, Inc.; The two Trust Management Organizations dba United States of America, Incorporated, and the UNITED STATES, INC., were and are obligated to defend the National Trust Indenture, including the material interests and rights of individual Americans who are beneficiaries of the National Trust Indenture; Breach of Trust results in severance of contracts that go along with the fiduciary obligations owed as liabilities of the IMF and its agencies and franchises to the living American Nationals; and

67. Thereby any concerted attempt by Trustees whether individuals or entire vast incorporated Trust Management Organizations to impose upon the beneficiaries of a Trust, or to usurp the assets and collateral held in Trust for the Trustees or Trust Manager's own benefit, is a high crime and Felony Fraud and Criminal Malfeasance...an act of inland piracy, and deserves to be punished as such; and

68. Whereas these Undeclared Foreign Agents and Agencies employed by the FEDERAL RESERVE, a privately owned and operated Central Bank employed by the bankrupted United States of America, Inc., and/or the IMF operating the UNITED STATES, INC., have continued to presume a controlling interest in the assets of individual private American State Nationals and their already redeemed individual "E-STATES" and to also presume that the private property assets of individual Americans were offered as surety and collateral for debts owed by the United States of America, Incorporated all based upon insupportable and undocumented claims made by unauthorized third parties acting in Breach of Trust for the past eighty-five plus years; and

69. Wherein this is your individual and personal notice that not only are “Governors” of the United States of America, Inc., and “GOVERNORS” of the “UNITED STATES, Inc.”, not authorized or empowered to pledge private property assets of any private American state nationals, they were never empowered to pledge any assets of the organic States either; All “Acts”, pledges, agreements, and policies of the U.S. CONGRESS and STATE GOVERNORS operating the UNITED STATES, INC., a privately owned for profit commercial corporation under contract to serve the American People and pretending to have effect on living Americans, their private property assets, or their organic states, is fraudulent, null and void as if these ACTS never were, and

70. Whereas similarly, all “legislative acts” of the Franchised States, i.e. STATE OF State-UC and the other 49 STATES — all operating as Corporate Municipal Franchises of the Corporate United States of America, or the UNITED STATES, which pretend to have an effect upon the private American State Nationals, their private property assets, or their organic states, are fraudulent, null and void as if they never were; All rules, statutes, codes, regulations, taxes, tithes, fees, penalties, and “laws” established by these Corporations apply only to their corporate officers, employees, agents or Corporate citizens, similar to the internal policies set by other commercial corporations on earth, and any pretension that any individual private American state national is obligated to obey those instruments of Corporate Policy as an “Employee” must be backed up with proof of fully disclosed employment contracts and agreements; This NOTICE informs you individually and personally that the individual living private American state nationals, their private property assets, and their organic states on the land, are NOT subject to any law, code, statute, rule, regulation, order, or internal policy that is promulgated by any incorporated entity; and

71. Wherein all Corporate Officers/OFFICERS and Employees have cause to now know that they cannot rely upon second-hand direction received from third parties merely claiming to “represent” individual private American State Nationals, nor claiming to have controlling interest in private assets held in public trusts that have been established “in the NAME of” individual private American state nationals by the United States of America, Inc, and/or the UNITED STATES, INC.; and

72. Whereas in “representing” the Republic, the UNITED STATES OF AMERICA, INC. was bound to honor all contracts and Public laws established by the Republic; In receivership, the United States of America, Incorporated, had to be operated according to the same Trust Indenture that was established by the Preamble and Bill of Rights, because it is not possible to receive assets in bankruptcy without also receiving the liabilities;

73. Wherein the UNITED STATES, INC. in acting as a secondary Trust Management Organization since 1933 has in turn undertaken to “represent” the “United States of America, Incorporated”, and is bound by the same obligations; and

74. Whereby in “the NAME of” public trusts, the Trust Management Organizations pretending to represent the American States and individual living Americans, have gone on compiling debts, creating bankruptcies, unlawfully making false claims, and otherwise seeking to ensnare and obligate assets of the U.S. Trust for the benefit of their private shareholders for the past eighty-five (85) plus years; and

75. Wherein members of the “BAR” Association, who are by definition members of the Inner City of London, a City-State and foreigners on American soil, are subject to deportation and seizure of all their personal and private assets, if they continue to presume and impose upon the private American State Nationals, who are their ultimate employer pursuant to the organic 13th Amendment to the Constitution for The United States of America (1791) as ratified in 1819; and

76. Whereas Corporate Officers of the United States of America, Inc., or the UNITED STATES, INC., who continue to impersonate state or federal judges, or pretend to act as state or federal officials, will be prosecuted to the fullest extent of the American common law if they do not voluntarily come into compliance and live within the limitations of their actual Office/OFFICE, also remembering that as of September 1, 2013, the Holy See, Pope Francis, has removed all immunity from all such officers, from the Pope himself on down; and

77. Whereby none of these Trust Management Organizations schemes and actions have anything lawfully to do with any living private American state national, nor with any geographically defined state of the Union, nor with any private assets belonging to these peaceful unincorporated entities, but through purposeful semantic deceit and fraud, false claims arising among these incorporated entities have been allowed to bleed over and impact the beneficiaries of the U.S. Trust; and

78. Whereas with all this uproar, all these claims and counterclaims, all these legal fiction entities battling it out with each other in corporate administrative tribunals having nothing whatsoever to do with the living people, their private assets, or their organic states, and they never did; The only business any living private American state national has with any corporate administrative tribunal functioning as a court/COURT, is: (1) to inform the personnel operating the Court/COURT, of facts pertaining to some issue being considered, or (2) to present a claim against the United States of America, Inc., or the UNITED STATES, INC., or one of their corporate franchises, such as STATE OF NEW MEXICO or COUNTY OF BERNALILLO (see the Administrative Procedures Act of 1946 for statutory admission); and

79. Whereby the United States of America, Inc., and the UNITED STATES, INC., and their STATE Franchises are all commercial corporations for profit, privately and mostly foreign owned, they have no special standing at all, and with respect to private American state nationals they have precisely the same standing as any-other multi-national corporate conglomerate; These incorporated entities can't force individual private American state nationals to accept their services, buy insurance, pay taxes, or do anything else based upon the representations of third parties merely claiming to represent them; They have no authority to arrest, imprison, or detain any private American state national for any “crime” lacking a corpus delicti demonstrating actual harm to other living people or property; and

## **Bank Fraud**

**With the Vatican taking over control of the United States Corporation, along with their Vatican Bank, through this conspiracy with the BAR (British Accreditation Registry) they conspired to create the Federal Reserve System as the sole creditor to the United States so they were still in control at arms-length, and this fiat money system they created was**

**further abused to indebt the American People through schemes hatched up by this Corporate banking cartel and the government that was believed by most to be the lawful government of the United States, when it was only under contract to provide those nineteen enumerated services listed in the Constitution:**

80. Whereas it was clear that the Vatican assisted in the plan to create the Federal Reserve System in 1913, and eventually take the United States off the gold standard in 1933 by making this foreign owned banking cartel the sole creditor to the Corporate United States and its Franchises; Wherein these banks basically exercised monopolistic control not only of the government entities, but even over their Courts, and yet another diabolical plot was constructed against the Rights of the People, especially starting with the Townsend Maternity Act of 1921, where they enfranchised the People via the creation of the Birth Certificates and Registration, which interesting enough, is designed exactly like their Catholic baptismal certificate; and

81. That since the 1920's, the Corporate United States has been receiving these Birth Certificates for Registration at their Department of Commerce in Washington, D.C., and then, as they consider them to be "Documents of Title", they then turn those Originals over to their Department of Treasury, where they are "monetized" backing the Treasury Bonds that are issued against them and then used to pay off the "unquestionable National Debt" at the Federal Reserve with those Bonds that were created from the backing of these Birth Certificates as their Collateral, and those Bonds where they are also used to pay for their habitual deficit spending as well, and whereby the Registration of such creates a foreign controlled Estate/Trust and Foreign situs trusts under the Fictitious Names of the People documented thereupon in this fraudulent scheme to hypothecate their National Corporate debt unto the unsuspecting American People, which are very clearly shown here to be the actual Priority Creditors to this Nation; and

82. **That all bank officials operating businesses in the geographically defined States have knowingly, or unknowingly, setup checking, savings, and other depository accounts, including mortgage and escrow accounts, which result in unlawful conversion of private property into corporate assets and that by creating these accounts in the "NAMES" of individual Estate/Trusts, owned and operated by the "UNITED STATES, INC.", instead of the names of the living people, private bank accounts belonging to Declarant, Carrie-Ann; McClain;, have been unlawfully converted to the ownership of Puerto Rican Trusts owned and operated by the "UNITED STATES, INC.", under the Fictitious Names created from those Birth Certificates, like "CARRIE A MCCLAIN", or "Carrie A McClain"; or any derivative thereof and**

83. That wherein this semantic deceit dependent on the use of similar names and the constructive fraud of non-disclosure practiced by the banks has resulted in claims by the I.M.F., dba "UNITED STATES, INC.", and their "STATE INSTRUMENTALITIES", where the funds and contracts under deposit as negotiable instruments are the property of the "UNITED STATES, INC.", or one of their "STATE" Instrumentalities, and all banks and their banking officials operating in the Several states are now under Notice and Demand to correct their records to reflect the fact that assets contained in, or claimed by, individual franchise Estate Trusts operated in the "NAME" of Private American State Nationals and their private unincorporated business enterprises have been redeemed by the same or similar given names of living people, living at the geographic address of record on file; and

84. Whereby the leadership of the “UNITED STATES, INC.”, known as the “U.S. CONGRESS”, has recently passed the Dodd-Frank Bill, gratuitously granting themselves the right to pillage the bank accounts of Americans which have been purposely and self-interestedly constructed by the “I.M.F.” dba “UNITED STATES, INC.”, as private accounts belonging to federal franchise ESTATES or Trusts without the knowledge or consent of the victims or rightful owners; and

85. **Therefore all banks and banking officials operating in the Several States are under Notice that any claim presented by any officer of the “UNITED STATES”, “STATE OF State-UC”, or any other STATE, pretending an interest in the private property assets of private American State Nationals, or seeking to withdraw deposits under the authority of the Dodd-Frank Act, or any other “CORPORATE CONGRESSIONAL ACT”, is prohibited from any such action by Public Law of the Republic, and that any banker aiding or abetting unlawful conversion of private assets for the “I.M.F.”, dba “UNITED STATES, INC.”, or their “STATE” Instrumentalities, will be prosecuted to the fullest extent of American common law; and**

86. Whereby any CORPORATE Officer/OFFICER receiving this Notice, who is unaware of the facts presented herein, is invited to contact “INTERPOL”, the nearest Vatican Legate, or the International Service Agent for **STATE**; And any CORPORATE Officer/OFFICER receiving this Notice who believes that we are misunderstanding any of the historical facts or any aspect of the material circumstance, *is invited to produce the single document which they believe grants their agency or office jurisdiction and/or controlling interest in living Americans, their private property assets, their credit, labor, their organic states, or any other material assets; and*

87. Wherein the criminal intent of these actions is self-evident...first convert private bank accounts to the ownership of public trusts owned and operated by for-profit corporations merely pretending to “represent” the victims, second to claim that these private assets have been “donated” voluntarily to the public trust franchises, or abandoned by the legitimate beneficiaries of the assets; This Notice is your individual passport to a real “federal” prison if you do not cease and desist all participation in support of these claims, actions, and intents; and

88. Whereby the living **man/woman**, whose given name is written properly in the form: as **First-Middle; Last.**, has been induced by undeclared foreign agents of the “I.M.F.” dba “UNITED STATES, INC.”, and the “FEDERAL RESERVE”, dba United States of America, Inc., to believe that **he/she** is depositing **his/her** funds in **his/her** own private bank account, but in fact **he/she** is always depositing **his/her** private property into a bank account owned by “**FIRST MIDDLE LAST**”, which is an Foreign Estate/Trust owned by the banks operating the “UNITED STATES, INC.”, or “**First Middle Initial Last**”, which is a foreign situs trust owned and operated by the United States of America, Inc.; and

89. Whereby any Officer/OFFICER receiving this NOTICE that doubts that this is true, is invited to pull out their own personal check book and look at what appears to be the signature line under high magnification, and you will see that this line is not a line at all, under high magnification, but a row of endlessly repeating microprinting stating “authorized signature” over and over; This verbiage has to be there because the “owner” of the account “**FIRST MIDDLE LAST**” is a Puerto Rican Estate Trust, and can’t function without human agents; and

90. Wherein the “I.M.F.” dba “UNITED STATES, INC.”, has deceived millions of Americans into depositing their private assets into “public franchise trust” accounts, without their knowledge or consent; Most likely most of the Officers/OFFICERS reading this Notice have been similarly victimized by this foreign interloper’s deceit, fraud, and self-interest; To lead you along this deception they have allowed you to write checks on “their” account and claimed that you are an employee of their corporation and as such, require you to obey all their laws, rules, codes, statutes, and regulations that they deem appropriate to establish and enforce; and

91. Whereby this is all a form of bunko that has been made possible because the banks operating as creditors gained a position of trust via the bankruptcy of the United States of America, Inc., which is in receivership and the “FEDERAL RESERVE”. another privately owned, for profit banking cartel, gained a similar position of trust as the primary creditor of the United States throughout its bankruptcy reorganization and

## Court Fraud

**With all the Court Fraud exposed in this Vatican scheme to take over our lawful government, and also that of their other corporations, and also the Banks, it should be obvious to all that the Courts have been manipulated the way they have been to protect the Banks, as well as the Federal and State Corporations:**

92. Wherein whenever anyone is “booked” by the Corporate Municipal Police, or other law enforcement agency in this country, they are fingerprinted, and those fingerprinting machines that they utilize have all been pre-programmed to accept only all “UPPERCASE” letters, or convert them from lower or Mixed case into “UPPERCASE”, so that the NAME they book someone under is always an “ALL CAPS NAME” that of a “LEGAL FICTION” and that which they assign to U.S. subject citizens; and

93. That converting a private American State Nationals’ name to a Fictitious “NAME” such as this, is an act an “personage” and not only fraudulent, it is contrary to well established law, as this in their Roman Civil Law is a Capitis Diminutio Maxima as described in Black’s Law as having stripped that individual of her Rights without due process of law, rendering his/her to the status of a Slave in direct violation of the 13th Amendment; and

94. Whereas when they have fraudulently done this right at booking, even over one’s objections, that man or woman will not get a Grand Jury indictment, a Trial by Jury, or Due Process of Law as they have already stripped his/her of his/her Rights, and no amount of objecting will fix the problem, as their so-called judges will just most likely overrule those objections; and

95. That the Prosecutor takes his/her unsworn “Information”, with or without an injured party or proper testimony in the form of an affidavit of injury, to the special Criminal Rule 6 Petite Jury, which only has nine members — requiring only 7 to indict, having them issue the so-called True Bill — which is no actual True Bill at all; and

96. That if one doesn’t know about all this Fraud, and how to object at the arraignment, or what to object to, or have this Declaration on File, or other suitable prima facie evidence of their true status as an private American state national submitted into evidence, their martial due process Courts will then require you to prove your own innocence, as twelve additional

presumptions will have already been made against them, and once you either enter a plea, or one is entered for you by the nisi-pris Court, your fate is sealed, as you will be tried as a U.S. subject citizen with NO Rights only revocable privileges, and those will have already been revoked; and

97. That the only issue that needs to be brought before one of their Courts is this Declaration of Status, to show that you are a private American state national fully endowed with all your Constitutionally guaranteed Rights, and one will really have to be on their toes even then, as the Prosecutor will be practicing Barratry, and they do not give in to reason very easily but with your Declaration in Evidence, you can continue to object to whatever they do on the basis of their non-rebuttal, as everything they do in these Courts is unlawful under the Constitution, and their Corporate Codes, Statutes, Rules and Regulations simply do NOT apply to you they apply ONLY to their Corporate Officers, Employees, Agents, and U.S. citizens just as any other Commercial Corporation operating for Profit in the world's internal by-laws do; and

98. That it is a fact, that their Corporate Codes, Statutes, Rules and Regulations simply DO NOT apply to private American state nationals, as they are the Law of the Sea, and NOT of the Land they ONLY apply to their Corporate Officers, Employees, Agents, and Subjects just as any other Commercial Corporation operating for Profit in the world's internal by-laws do, and since they cannot bring forth into evidence any valid, fully disclosed contract of employment, they simply cannot take silent judicial notice and "claim" that you are an employee, when in fact you are not; and

99. That **"Trial by Jury"** is never given in their Corporate Courts — only a **"Jury Trial"**, which is vastly different, as the Judge instructs the Jury and dictates the law, whereas in a "Trial by Jury", it is the Jury's duty to determine BOTH the Facts and the Law of the case; and

100. That a "Fictitious Name" is defined in Black's Law as "A counterfeit or pretended name taken by a person, differing in some essential particulars from his True Name, and "Fictitious" is described as being "Founded upon a Fiction, having the character of a Fiction, pretended or counterfeit; and

101. That "Fiction of Law" is wrongful if it causes loss or injury to anyone and where there is truth, fiction of law does not exist, so why do Courts always use a Fictitious Name that Black's says "is meant to deceive or mislead", when a Fictitious entity cannot be a "natural person" according to Black's...a natural person being a Man or a Woman, and this is Fraud, pure & simple, when Fraud and Justice are never supposed to dwell together...and this is all their Courts have to offer; and

102. That these Prosecutors are all committing the crime of "Personage", when they use a LEGAL FICTION NAME, and that is FRAUD in fact; and

103. **When bringing this Fraud into the Courtroom several other Federal crimes come to mind: Conspiracy for the Deprivation of Rights (Title 18 U.S.C. § 241) and Deprivation of Rights Under Color of Law (Title 18 U.S.C. § 242), False or Fraudulent Claims (Title 18 U.S.C. § 1001), Kidnapping (Title 18 U.S.C. § 1201), Use of Fictitious Name (Title 18 U.S.C. § 1242), Frauds & Swindles (Title 18 U.S.C. § 1341), and Peonage (Title 18 U.S.C. § 1501), just to name a few,** to say nothing about State Law; and

104. And then when they fraudulently convict the "LEGAL FICTION" (person), they make the Man Surety for all the Bonds they create at \$12,000,000 per felony count, \$1,200,000 per

Misdemeanor, or \$120,000 per Infraction by having the Public Defender, or Private Attorney, sign the Standard Form 28 “Affidavit of Individual Surety” for you, without your knowledge or consent; and

105. That this foregoing act clearly demonstrates their Motive for doing all this Fraud, which is unjust enrichment for this Privately owned Commercial Corporation operating for Profit, so it is no wonder the U.S. Supreme Court had to rule the way they did in the Clearfield Doctrine of 1943, as greed corrupts everything; and

106. That in fact, “**FIRST LAST**” is a mere “LEGAL FICTION”, in Law that exists nowhere except as a concept on paper, this Fictitious entity cannot be attached to a **Man/Woman**, and most definitely is not the name of Declarant, who always carries lawfully Notarized Private ID and is not a licensee, Officer, Employee, Agent, Contractor or Subject of any Corporate “STATE”, the “UNITED STATES”, or any other Federal and/or State entities have no nexus whatsoever with his/her; and

107. That Declarant, **First-Middle; Last:** is in fact a Private American State National, and a Private Inhabitant on the New Mexico Texas Republic, and respondent(s) have absolutely no information whatsoever to the contrary, and is fully entitled and endowed with all **his/her** Constitutionally guaranteed Rights and protections under The Constitution for The united States of America (1787), as well as the National Trust Indenture, and always has been; and

108. Ronald Edward Kelly, was not only groomed by one of the Big-8 CPA Firms to become a Partner in that firm with a \$6MM per year salary, while having firstly been required to study Corporate Law in order to qualify; and while an Audit Manager, then discovered all this fraud including the Bank Lending Fraud...and then immediately left the Firm to pursue his own litigation, but also then being engaged by a major Auto Insurance Company to develop a Relational Database Fraud Detection system that allowed Federal Prosecutors to place hundreds of crooked Attorneys into Federal Prison for their fraudulent activities, and then actually developing the Oracle© Database System used by the Mortgage Companies, in conjunction with their “Secondary Marketing” activities with Freddie Mac, Fanny Mae, Ginny Mae, et.al, whereby “the UNITED STATES OF AMERICA, Inc.”, or the “UNITED STATES, INC.”, creates and backs those Financial Enterprises who are all involved with them and the Nation’s Counties in a crooked financial debacle that unjustly enriches them all as this involves the Nation’s Counties, who have been involved in the creation of these Miller Act Bonds they use to back their Securities in pure Fraud ever since the late 70’s; and

109. That whenever anyone is arrested and charged with a Felony violation of one of their Corporate Statutes or Codes even though there may not be an injured party, or any actual Grand Jury Indictment, the Judge assigned will issue Title 23 Miller Act Bonds on the case to the tune of \$4,000,000 per Felony count at arraignment, and another \$4,000,000 per Felony upon conviction, with yet another \$4,000,000 per Felony issued upon sentencing, all without the knowledge or consent of the accused...Twelve Million per Felony Count all total, and with Prosecutors over-charging as they do, say on a ten count indictment, would amount to an astonishing \$120,000,000 even if these were mere statutory violations without any injured parties and therefore no injured party to receive any compensation, then with these Miller Act Bonds unbeknownst to the party charged being made Surety on these Standard Form 24, 25, 25A, 273, 274, and 275 Bonds by their Public Defender or Private Attorney who signs the Standard Form 28 Affidavit of Individual Surety for them, so the County or the State is actually holding their

“victim” as Surety on these Bonds without any inkling of disclosure of any kind to their victim; and

110. All COURT case numbers are Bonded with a performance Bond or Bid Bond in which payment is always guaranteed that the for-Profit Dun and Brad Street CORPORATION COURT receives payment for there services.

111. Whereby these Miller Act Bonds are held in camera (chambers) by the Judge, they act as additional collateral for the County, and their Bonding Agent who will issue Tax-exempt Munis in an additional matching amount, which are then primarily purchased by Freddie Mac, or one of the other Federal Financial Agencies, to use as collateral for the “Commitment Paper” they issue to the actual lenders; those Tax-Exempt Munis are then sold on the Market by Wall Street brokers at Discount, and Freddie, for example, will purchase \$100,000,000 worth of these for approximately \$67,000,000 but Freddie, et al., actually pay for these with the Borrower’s Mortgage Notes, which are then “Securitized”, as they are more than nine months to maturity, and Freddie has made the 100% profit off the transaction, purchasing these Bonds for basically nothing as they use the Borrower’s Mortgage Notes to pay their Wall Street Broker; and

112. The County Bonding Agent will then contact the individual Judges on a regular basis to ascertain his increase in holdings of these Securities, and then issue an equivalent amount of “Tax-Exempt Munis” based on this amount whereby the Mortgage Lenders, Freddie Mac, Ginny Mae, or Fanny Mae then are in fact the primary purchasers these Bonds which are then used to back their issuance of their “Commitment Paper” used by all lenders in the country for their Mortgages or other Loans, in will these Federal Lenders are then actually reimbursed by the Lender with the Borrower’s Note an act of utmost fraud through all the smoke & mirrors of these financial transactions, whereby these Federal Lenders then pay off their purchases of the Tax-Exempt Munis they used to back this transaction with these Mortgage Notes with these “borrowers” Mortgage Notes”, and then sell these Tax-Exempt Munis back on the Market and greatly profit thereby... a fraud of unbelievable proportions, and then the actual Lender will service this basically pre-paid Mortgage anyway, and collect up to three times the Value of the Borrower’s Mortgage Note over a 30 year period, when in fact the Borrower’s Mortgage Note was used to pay Freddie for the Commitment Paper so-called “loan” where NO actual consideration was ever given; Counties who issued those Munis in the first place eventually have to pay out at maturity on those Bonds, however it has just become their “policy” to just arrest more & more People, and charge them with more & more counts to make up the difference, so it is no wonder that there is so much “victimless crime” in America and why America has the largest prison population per capita of any civilized nation in the world; Bank Fraud

## Common Claims Regarding Citizenship

*Declarant will address the common claim made by Officers/OFFICERS that represent either the United States of America, Incorporated, or the UNITED STATES, INC., or their Instrumentalities, to the effect that living private American state nationals are “U.S. citizens” subject to denomination by any corporate entity under contract to serve them:*

113. Wherefore according to the Act of the Republic enacted as Public Law by the Members of Congress Assembled as an unincorporated Body Politic, of the Domestic States on April 14, 1802 [2 Stat. 153, c28 ssl Revised Statute 2165] — “an alien may be admitted to become a citizen of the United States in the following manner, and not otherwise.”; This Body Politic which was unincorporated, fully enacted this as positive substantive Public Law operating under full liability as the domestic civil government of the Several States; It cannot be amended or repealed by an “Act” of any incorporated Trust Management Organization claiming to merely represent the Republic, and it sets forth a lengthy process that is required to redefine any American National as a “U.S. citizen” subject to the corporate jurisdictions of the UNITED STATES or its Instrumentalities, and the very day before the 14th Amendment was ratified, Congress passed 15 Stat 249 so that People could in fact expatriate from the Corporate citizenship invoked by the 14th Amendment, so Declarant has expatriated the “U.S. citizenship”, and resumed his/her private American state national status, and whereas CONGRESS and the STATE Legislatures have NO jurisdiction over his/her with their Statutes; and

114. Whereby any claim that any private contract entered into by individuals can magically overcome this prerequisite of Public Law stands mute and dis-proven by the entirety of the Federal Register and Code, which Unfailing describes private American state nationals domiciled in the geographically defined Several States as “non-resident aliens” with respect to the United States of America, Incorporated, and/or its Municipal Corporation’s jurisdiction: and

115. Wherein virtually no private American state nationals have ever deliberately undertaken to become “U.S. citizens” as required by U.S. Statutes at Large 2 Stat 153, and they have not by any voluntary act knowingly agreed to stand as sureties for a bankrupt Trust Management Organization calling itself United States of America in 1930,1933,1959, or at any other time; They have not agreed under conditions of full disclosure to contract at all with the UNITED STATES, INC. to provide any services, much less have they granted any authorization to this foreign, privately owned for profit banking cartel to “represent” them or their interests as Priority Creditors of the United States of America, Incorporated; and

116. Wherein they did not grant authorization to any Governor/GOVERNOR or other elected or appointed official, corporate officers, employees, or private contractors of the United States of America, Incorporated, or the UNITED STATES, INC., or the UNITED STATES OF AMERICA, INC., to represent them or their interests in these matters at any time from the founding of the Republic to date; They did not under full disclosure voluntarily grant authorization allowing any Trust Management Organization to operate public trusts under their individual names, to hypothecate debt based upon the value of their labor, homes, land or other resources, or to otherwise impose the debts, statutes, codes, or other regulations, of any corporation onto them; and

117. Whereas in 2020 a group of private American State Nationals moved to redeem and reclaim their individually NAMED Estates created by the Secretary of the Treasury of Puerto Rico, the Bankruptcy Trustee appointed by the IMF, providing proof to the INTERNAL REVENUE SERVICE and IRS, as well as the Alien Property Custodian, and the U.S. Bankruptcy Trustee, that they were alive and competent to administer their own affairs, and that they were Priority Creditors to the United States of America, Inc., and that at that time, and ever since, have maintained their objections to any presumptions that they are, or ever were, “wards of any State/STATE”, or ever incorporated, incompetent, or otherwise disabled; and

118. Whereby they have uniformly declared and testified before the world that they have been defrauded, lied to, lied about, victimized by deliberate semantic deceit, suffered extortion, armed robbery, gross fiduciary malfeasance, inland piracy, conspiracy against their rights and material interests, have suffered from self-interested non-disclosure, breach of trust, despotism, and default of commercial contract, all at the hands of Trust Management Organizations that are obligated to function in good faith and with full fiduciary liability; and

119. Whereby I have repudiated the claims of the United States of America, Inc., and the UNITED STATES, INC., which are merely privately owned for profit commercial corporations no different than Microsoft or Mobil Oil Corporation, which have sought to attach the private property assets of individual American Nationals and the assets of the Republic via fraudulent deceit and misrepresentations; These American Nationals reclaimed their full sovereign authority among the nations of the world, and they redeemed their assets held in public trust created and held by the United States of America, Inc., and the UNITED STATES, INC.; and

120. Whereby **all debt accrued against any public trusts operated under the given names or variations thereof of private American state nationals by the UNITED STATES, INC., or the United States of America, Inc., or any and all incorporated franchises thereof — Trust Management Organizations, including, but not limited to, the STATE OF State-UC, etc., is to be discharged, dollar for dollar, without exception, with clear fee-simple title to the assets returned to the individual American National and the organic states of the Republic; and**

121. Whereas the private American state nationals have issued no valid proxy authorizing any agency, elected official, corporate officer, foreign agent, or public employee of the United States of America, Inc., or the UNITED STATES, INC., or their corporate municipal franchises, to “represent” them in an abusive manner contrary to their material interests, nor did they grant any such authorization of authority to any Trust Management Organization to represent them regarding these specific matters; They recognize no such claims brought against them, their private property assets, or their organic states which are made based on representations “on their behalf” by third parties acting in breach of Trust and contract default; and

## Intolerable Conditions

**Thereby finding this situation of statutorily altered private American state national status-ship intolerable and contrary to lawfully enacted Statutes and in contradiction with the Maxims of Holy Scripture (Proverbs 11:15), and at variance with the originally established courts of common law as well as the Courts of exclusive/inherent Equity/Chancery governed solely by the Maxims of law and Maxims of Equity, I, **First-Middle; Last:** do solemnly declare and affirm the following:**

122. Whereas the FRANCHISES, CORPORATE-SOLE, and/or BIRTH CERTIFICATE, being in fact a unilateral contract under seal, was created and offered legally, though deceitfully and fraudulently, its open-but-false purpose to aid in the Census, as a means of identification in the documentation of a natural birth, as well as for health reasons and other purposes, its secret-but-true purpose being to rob “We the People”, which included every individual private American state national, first of our sovereign rights as a People, then our Constitutionally protected and guaranteed Rights, and ultimately our lives, fortunes, and sacred honor; and

123. Whereby the true purpose of the BIRTH CERTIFICATE, a unilateral contract under seal, is to be a covert commercial agreement and unconscionable adhesion contract / quasi-contract between the state of the baby's birth and the mother of the baby, the baby then deemed property of the federal, de facto, Corporate Military Government of the United States the BIRTH CERTIFICATES being Recorded by the Secretary of State of the birth state, and then turned over to the U.S. Department of Commerce, where they are Registered into International Commerce, and then to the U.S. Treasury where they serve as Collateral and Securities to back the Treasury Bonds issued against them for the "unquestionable public debt", as per Section 4 of the 14th Amendment; and

124. Whereas the true nature of the DATE OF FILING on the BIRTH CERTIFICATE, a unilateral contract under seal, is to commence the legal birth, or creation of the quasi-corporate, artificial person/Public "U.S. citizen" created by all necessary legal elements of a unilateral contract, it being in writing, signed, sealed, and delivered for registration and filed with a public office of the baby's state of live birth, thereby enslaving the baby to serve the artificial entity so created and controlled by these CORPORATE regimes and FRANCHISES; and

125. Whereby the BIRTH CERTIFICATE is a BUSINESS INSTRUMENT recorded with the County Recorder, a subsidiary of the Secretary of State (of the Several States, treated as "Conquered Territories"), also sent to the Bureau of Census, a Division of the Department of Commerce in Washington, D.C., placing the NAME of the Public "U.S. citizen" into interstate and international commerce as a statutory legal "person" as are corporations, partnerships, trusts, corporate-soles, etc., distinct and separate from the "natural born Citizen", i.e. the private American state national of The united States of America; and

126. Whereas the Secretary of State (of the Several States) charters corporations and issues franchises, therefore any natural born Citizen/private American state national with a BIRTH CERTIFICATE is made liable to the Franchise Tax Board of the State's Department of Revenue for income/excise/privilege taxes as well as for the "Federal Corporation of the United States", via excise income privilege taxes in payment of the interest on the national...corporate debt (as proven by President Reagan's Grace Commission in the 80's), which interest is owed to the Roman papacy's Federal Reserve Bank; and

127. Whereas this BIRTH CERTIFICATE, functioning as a BUSINESS INSTRUMENT, has hoodwinked private American state nationals allegedly named on said Certificate, into unknown and covert implied contracts by operation of law, placing Declarant and private American state nationals under an alien, foreign, and yet "temporary", de facto foreign corporate military jurisdiction of the "United States" created first by the "Emergency Banking Relief Act", its initial paragraphs containing a congressionally-amended WW-I statute known as the "Trading With the Enemy Act", codified at 12 U.S.C. § 95(a), and secondly by President Roosevelt's "Emergency War Powers" Proclamation 2040 decreed March 9,1933; and

128. Whereby the above de facto jurisdiction of the Corporate United States includes the jurisdiction of the constitutionally-created federal and state civil courts (IN FORM) sitting in a corporate military Roman equity/at law (IN SUBSTANCE), no longer sitting or proceeding against accused private American state nationals with the mode of common law civilian due process of law that, if unchallenged by producing state-filed public records and other prima facie evidence, (if the Corporate "Judge" will allow them), conferring a Corporate-military jurisdiction over the accused that is then forced to plead into a court imposing martial due process and

procedure derived from congressionally-amended World War I statute by Executive Proclamation on March 9, 1933, with the judges, both federal and state, acting on behalf of the de facto corporate military Dictator/Commander-in-Chief sitting in Washington, D.C.; and

129. Whereas upon the public filing of the BIRTH CERTIFICATE with its attached private American state national serving as an involuntary Surety, another “source” of income was created that would generate “Income” which can then be excise/privilege taxed on the natural baby/**man/woman**/private American state national now wedded to this new artificial person/ “U.S. citizen” as its property and subordinate Surety, the new “source” being deemed a “rebel and belligerent” residing according to statute deemed to be an “Occupied Territory” and being in commerce and subject to the absolute legislative powers of the “temporary” Emergency War Powers CONGRESS (1933-present) to regulate without limit in interstate and international commerce pursuant to Article I; Section 8; clause 3, of the “United States Constitution” during this time of “temporary” declared state of National Emergency, now (Year) in its 89th year; and

130. Whereby Declarant, a private American state national, has ceased to be Surety for and the personal property of Public “U.S. citizen” **FIRST LAST** by Removal of all Signatures, and Rescission of all Adhesion contracts, past, present, or future, via Declaration to the U.S. Secretary of State in Washington, D.C. in year 2021; Wherein without the production of any expressly signed and **verified contracts with these corporate entities with full disclosure, those corporate claims stand mute — as none exists under this corporate government’s fraudulent schemes;** and

131. Wherein Declarant, in esse, has irrevocably separated **his self/her self** from the state-created FRANCHISE, CORPORATE-SOLE, “UNITED STATES CITIZEN”, created by means of a publicly filed BIRTH CERTIFICATE, and thereby revokes any and all powers, including, but not limited to Power of Attorney and/or Surety, and/or Agency that Declarant may have granted to any Party, public and/or private; Therefor Declarant is not a party to FDR’s contract with all “U.S. citizens” by means of Proclamation 2040, confirmed and approved by Congress in its passage of the “Emergency Banking Relief Act”, thereby amending the “Trading With the Enemy Act”; Therefore Declarant is not in commerce (as are corporations), never to enjoy any commercial privilege of limited liability as a matter of “United States citizens” status (as do corporations, also being Public U.S. “citizens”), having discharged all de facto Emergency War Powers Corporate Military Governments, federal and state, from any duty or obligation having arisen from Declarant being the property or surety for, and/or wedded to, the state-created hybrid, the federally owned Public “U.S. citizen” in service of Washington, D.C. for commerce and war; and

132. Whereas Declarant, **First-Middle; Last;** has returned to **his/her** former status of being an American Freeman, and private American state national of The united States of America in law and in equity as secured by Article I: Sub-section 2: Paragraph 2, and Article IV: Sub-section 2 of The Constitution for The united States of America (1791), and therefore stands “in personam”, in esse, and sui juris, possessing all God-given unalienable Rights, all Constitutionally Guaranteed Rights, both Federal and State, and all common law Rights of a de jure private American state national of The united States of America, **no longer under the legal disability of being the Property of, or Surety for, and/or wedded to a de facto, corporate state-created, Public “U.S. citizen” owned by the Federal de facto Corporate Military Government of the United States;** and

133. Whereby Declarant, **First-Middle;. Last;** is no longer Property of, Surety for, and/or wedded to a de facto Public “U.S. citizen” (which is alieni juris), therefore no longer under the de facto jurisdictional power of statutorily-created de facto “Emergency War Power Governments” (federal or state) as those absolute legislative, absolute executive, and absolute judicial powers are exercised towards a de facto Public “U.S. citizen” deemed a “rebel and belligerent” statutorily under the paternal guardianship of de facto “Emergency War Power Governments” (federal or state) as those absolute, paternal, powers are exercised towards its infants, children, and wards, de facto Public “U.S. citizens”; and

## Vatican Actions

**Declarant will address recent actions taken by the Vatican (the one that owns the Trust Management Organizations named “the United States of America, Incorporated”, etc.), on behalf of the Private American State Nationals and others effected by these fraudulent schemes being perpetuated by these Corporations and their Franchises named herein:**

134. Whereas beginning in 2009, Private American State Nationals took their claims against the United States of America, Incorporated, and the UNITED STATES, Inc., to the Holy See; This is your NOTICE that all authority to create these legal fictions Corporations, Trusts, Public Utilities, Foundations, and Cooperatives — derives directly and explicitly from the Holy See and the Law Forms established and copyrighted by the Roman Curia; Along with the power to create comes the power to destroy; The Holy See has the power and right to dissolve the UNITED NATIONS Charter, the IMF Charter, the UNITED STATES Charter, and so on, ad infinitum, and to order the distribution of assets of these legal fiction entities to the creditors, and the Pope has the additional unlimited ability to “Void” or rewrite any “law” or statute created by any incorporated entity worldwide; and

135. Whereby all the individually named public trusts generated by the two Trust Management Organizations, dba the United States of America, Inc., and the UNITED STATES, INC., are legal fictions which have been created under the auspices of the Holy See and Roman Curia and misused as a means to plunder the private property assets of Private American State Nationals and their organic states under color of law; The persons promulgating, preserving, and supporting this abuse and fraud are criminals outlaws on the land, and pirates on the seas; Anyone receiving this Notice who does not immediately cease and desist and correct their behavior, presumptions, and operations in whatever office or position they hold, is fully civilly and criminally liable; and

136. Whereby in 2010 Pope Benedict XVI agreed with the American State Nationals that **gross Breach of Trust and Fiduciary Malfeasance related to the administration of the U.S. Trust and the individually named public trusts had occurred; Remedy began in 2010 and has continued by Pope Francis dba FRANCISCUS, acting as CEO of the Global Estate Trust; This correction is coming from the highest contracting powers, from the very top of the interlocking trust directorate that has incorporated all of the Trust Management Organizations responsible for administrating government services worldwide — including both the United States of America, Inc., and the UNITED STATES, INC.;** and

137. Whereby private attorneys and civil postmasters and international diplomatic agents in every organic state of the Union have been appointed either directly by the Holy See, or under

the Holy See's direction, to communicate these facts to those responsible for the administration of the Trust Management Organization and their franchises and agencies responsible for the deplorable conditions of abuse, fraud, and criminality engulfing America; This is your FINAL NOTICE: The legal fiction organizations you work for will be liquidated if they do not come into compliance and function lawfully; and

138. Whereas in 2013 Pope Francis issued his Motu Proprio which became effective on September 1, 2013, and that **completely removes any immunity from any Corporate Officer or Employee from the Pope himself on down to the lowest clerk,** so in spite of what some might say or think, there is NO LONGER ANY IMMUNITY whatsoever from any wrongdoing by these Corporate officers, and those especially in charge of operations can and will be both criminally and civilly held responsible for their actions or non-actions; and

139. Whereby on September 24th of 2015 Pope Francis, as owner of this Corporate-Trust, did place the UNITED STATES into a Bankruptcy liquidation in the World Court at the Hague that bankruptcy just ended on November 5, 2020 with a Final Liquidation, and the UNITED STATES, Inc. officially no longer exists, so anyone pretending to be President, or any other Officer of this now defunct corporation is out and out committing open Fraud in the Factum; and

## Conclusions

**Declarant further and finally deposes her conclusions in law as follows:**

140. Declarant, **First-Middle;. Last;** is a Constitutionally-acknowledged and protected de jure, pre-1933 Private American State National on the State Republic, and therefore a Constitutionally acknowledged and protected, de jure Private American State National of The United States of America (1787), Specially and Privately in Law on the land of the State Republic; and

141. Therefore Declarant, **First-Middle;. Last;** holding the constitutionally-guaranteed and protected private rights to civilian due process of law on both the federal and state levels, as well as being unaffected by the wicked Emergency Banking Relief Act having imposed a martial due process by way of the amended "Trading With the Enemy Act" on any substantive, artificial "person" within the "United States" and deemed federal "booty of war", is as foreign by nature and by characteristics to the extra-constitutional, alien de facto "Emergency War Powers Corporate governments of the STATE OF State-UC, as well as the extra-constitutional, alien de facto "Emergency War Powers Corporate Military Governments" of the other forty-nine (49) states, said extra-constitutional, alien de facto "Emergency War Powers Corporate Military Government" having been "temporarily" created by the Corporate CONGRESS [12 U.S.C. § 95(a)] and by the Corporate President, Franklin Delano Roosevelt's Presidential Proclamation 2040 on March 9, 1933, the most notable Jesuitical coup d'état, that great day of infamy and high treason against the Sovereign American People of The united States of America, they having ordained and established the grand and glorious Protestant Constitution for The united States of America, with its Baptist, Calvinist inspired Bill of Rights for themselves and for their Posterity of which Declarant is a beneficial interested member; and

142. **That any other action in any Court or other forum, undertaken against Declarant by respondent(s) STATE or FEDERAL ACTORS outside this Commercial Remedy, without a full rebuttal hereto with sufficient evidence in support, results in a TRESPASS against the Rights of Declarant and the Agreement contained herein, and will result in an**

**increase in the total amount of the enclosed True Bill in Commerce with a three-times (3x) PENALTY added to the Sum Certain contained therein, and will continue to increase in that punitive amount (3x) for each additional TRESPASS, or for any CONVERSION of this enclosed Commercial True Bill that is NOT timely paid within a THIRTY (30) day period following DEFAULT — as either this Declaration MUST be fully rebutted with sufficient Evidence in Support, OR the enclosed Commercial True Bill must be timely paid in full with all accumulated penalties within 30 days of DEFAULT; and**

143. This Declaration of Status of Carrie-Ann;. of the McClain: family, American Freeman and private American state national of The United States of America, supersedes any previous filing with any public office or said Declaration of Status; and

## Historical Review

### The Timeline of the Great Fraud and Declaration of Law

144. 1754-1776: The “United Colonies” take shape as a loose political association, and the First and Second Continental Congresses result;

145. 1776: The Colonies declare independence;

146. 1781: The Articles of Confederation bind “States” — political subdivisions of the United Colonies, together in a “perpetual union” creating a confederation of States to operate in the international Jurisdiction of the Sea. [Why a “confederation” instead of a “federation”? Because the original States gave up some of their natural jurisdiction to the new political entity, the Union, they created.];

147. 1783: The Treaty of Paris and Treaty of Versailles cements this arrangement splitting the land and sea jurisdictions between the States and the Federal Union and places King George III as Trustee of American interests on the “High Seas and Navigable Inland Waterways” —which means he kept control of American international commerce. The new “Union” entity operating in the international Jurisdiction of the sea was always controlled by the British and it has always been the British Monarch’s responsibility as International Trustee to manage it and guarantee its proper operation. It has instead run amok for 150 years;

148. 1787: The Supreme Perfected Republican Declaration of the United Colonies creates the National Trust owed the Continental United States with the Constitution for The United States of America;

149. 1789: Two years later, the “Constitution of The United States of America” splits off the sea jurisdiction and creates the new Federal United States. A year later (1790) the Federal United States forms a commercial company doing business as the United States (Commercial Company) to provide the nineteen enumerated services agreed to by the subscribing States;

150. 1812-1814: The British try to horn in again and are beaten back. This skirmish results in the Treaty of Ghent, where the British interests in American shipping and commerce are reaffirmed and lasting peace is promised in return;

151. 1845: The British Monarch and Pope secretly agree to undermine the American System of government via the Treaty of Verona. The British Monarch breaches the Treaty of Ghent and

both the Pope and the King secretly breach their trust as International Trustees. They set out on a covert action and issued Letters of Marque and Reprisal to the members of the Bar Associations, allowing them to act as Foreign Agents on American soil and as privateers free to plunder American commerce;

152. 1860: Thanks to the efforts of the Bar Associations a member of the Bar, Abraham Lincoln, is elected to serve as President of the UNITED STATES; Note that he is ineligible to serve as President of The United States of America (1787), by the Titles of Nobility Amendment, the 13th to the actual Constitution but he was eligible to serve as President of the United States (Commercial Company); This is the same situation we have with Barack Obama who is ineligible to serve as President of the United States of America, but is able to serve as President of the United States (Incorporated), which he did;

153. 1861: The Civil War begins. Congress adjourns for lack of quorum and without a date to reconvene. Lincoln organizes a Delaware Corporation and the remaining members of Congress begin functioning as a Board of Directors;

154. 1862: The “Corporate Congress” a body of men no different than the Board of Directors of IBM, change the meaning of a single word — only and explicitly for use within their corporation. That word is “person”. From then on the word “person” is deemed to mean “corporation” for federal government purposes. (37th “Congress” Second Session, Chapter 49, Section 68.);

155. 1863: Lincoln signs the Lieber Code as Commander in Chief and puts the Union Army, the Grand Army of the Republic, in charge of the nation’s future and money supply. A day later, he bankrupts the original United States (Commercial Company);

156. 1865: Lee’s Army surrenders to Grant and a general armistice is declared. The Southern States are in ruins and under military occupation by the Union. The original Northern States are bankrupt. Foreign banks are in control of the new “United States of America, Inc.” and the Union Army reigns supreme. Over the next two years, President Andrew Johnson three times publicly declares peace on the land jurisdiction of the Continental United States, but peace was never declared in the international Jurisdiction of the Sea controlled by the Federal United States under the trusteeship of the British Monarch;

157. 1868: The Corporate Congress writes itself a new Corporate Constitution, called “the Constitution of the United States of America” and palms off this look-alike, sound-alike private corporate document “as if” it were the actual Constitution. This is fraud on many levels. The Constitution of the United States of America purposefully sought to confuse and delude people into thinking it was the actual Equity Contract obligating the States to receive services and subrogate their international jurisdiction to the federal government;

158. 1871: The Corporate Congress begins to set up shop for itself by creating a separate government for the District of Columbia. The initial effort fails but seven years later the Washington DC Municipality is created as an independent international city-state run as a plenary oligarchy by the members of “Congress”. Also in 1871, the Corporate Congress claimed to own all United States corporations — 41st “Congress” — Third Session, Chapters 62, 63, 64, and 65;

159. 1874-1885: All the actual States on the land are reorganized and at the same time completely new “Federal States” are created and new “State Constitutions” are written for them. The original States on the land are renamed in this process. The original State of Ohio operating the land jurisdiction became the Ohio State, while the usurping “Federal State” — merely a corporate franchise of the United States of America, Inc. operating in the international Jurisdiction of the Sea — took over the name “State of Ohio”;

160. 1900-1904: Still lusting after more power for itself, the Corporate Congress set up a second shop for itself and obtained permission to do it from the Supreme Court in a series of cases known as The Insular Tariff Cases. As with setting up the Washington DC Municipality as a foreign city-state on our shores and running it as their own little oligarchy, the “Congress” now took the “federal territories and possessions” and made a new “union” of “American states” — Puerto Rico, Guam, et alia — and began calling it “the United States of America (Minor)”. They just forgot to add the (Minor) part of the name from then on, and let people assume that all the repugnant laws they passed governing this “Constitutional Democracy” also applied to the Continental United States;

161. 1912-1913: A private association of European and American banks calling themselves “The Federal Reserve” bought the governmental services corporation known as “The United States of America, Inc.” and its “State” franchises as a business venture, and began operating such familiar agencies as The United States Department of Agriculture and The United States Department of Transportation as private, for-profit businesses” without telling anyone. They exercised the “government powers” they didn’t really possess in a vast fraud scheme in collusion with members of “Congress” to institute a fiat monetary system and misused their position of trust to put competitors out of business, set up monopolies, rig commodity markets, and commit other acts of blatant self-interested criminality and fraud;

162. 1917: Engaging in a war for profit, Congress and their Banker Bosses passed the War Powers Act and the Trading With the Enemy Act, and numerous other illegal and repugnant “Acts” pertaining only to the Federal United States and the international Jurisdiction of the Sea, but presented them to the public as if this claptrap pertained to the actual States and People on the land of the Continental United States. Deceived by this venal and purposeful fraud, millions of Americans complied with what they believed to be the “Law” passed by a legitimate Congress acting as deputies of the States and the People;

163. 1918-1933: Once in control of the monetary system the “Federal Reserve” increased the monetary supply exponentially, causing the “Roaring Twenties”. They built the house of cards and on October 29, 1933, they collapsed it — deliberately. This enabled them to put thousands of competitors out of business, allowed them to buy commodities, land, and labor for dirt cheap, and to manipulate the value of the dollar to their benefit;

164. 1933-1940: The banks took full advantage of the “national emergency” they created and the Congress did everything the bankers required: The Sheppard-Towner Act, the Buck Act, the Alien Registration Act, the Social Security Act(s), the Emergency Banking Act, and more. The purpose of all this was to lay claim to the labor and the assets of the States and People of the Continental United States by securing “private contracts” with them, enabling the perpetrators to “represent them” and to set up corporations “in their names”. Hundreds of millions of Americans were told that they “had to” sign up for Social Security and have a Social Security Number in order to have a job, that it was “the Law” and that “Congress had passed it” and so, believing it

to be a lawful government mandate — when in fact it was a corporate fraud scheme — they were subscribed en masse;

165. Remembering now the actions of the Corporate Congress in 1862 redefining the word “person” to mean “corporation” for federal purposes, and their later claim made in 1871 to hold ownership interest in all United States corporations and seeing that their actions from 1933 to 1940 resulted in redefining the estates of living Americans as public trusts — that is, as a form of corporation — you can see that the “Corporate Congress” has claimed to own living Americans as assets belonging to their corporation and has also claimed to control and own their private assets — in flagrant violation of the Geneva Convention Protocols Volume II, Article 3, and in equally flagrant violation of the 1926 International Conventions on Slavery, and in violation of every lawful and moral duty, commercial contract, and trust indenture owed to the Continental United States and the American People;

166. It is also apparent that all of this – every claim, every salvage lien, every title to land and property held under color of law — being held against the Continental United States and the living civilian inhabitants of the Continental United States, is pure, self-interested commercial fraud created and perpetuated under conditions of semantic deceit, constructive fraud, misrepresentation, and mischaracterization by the management of the Federal United States, the various governmental services corporations doing business as some form of “United States” and the British Government;

167. 1940-present: Among the first actions to be taken by the criminals was to “register” all live births. This established a claim of ownership on the baby and her estate, benefiting the “State of California” or other “Federal State franchise”. This act of identity theft exercised via an undisclosed and forced contract with the Mother of the child, allowed each “State” franchise to control the name and the property of the baby. The perpetrators promptly set up new “State franchises” benefiting themselves using names styled like this: “Joseph Quincy Public” and new “Municipal franchises” set up under the auspices of the Washington DC Municipality using NAMES styled like this: “JOHN QUINCY PUBLIC”;

168. The only purpose for creating these franchises structured as various kinds of trusts — was to act as a means for the privately owned governmental services corporations to hypothecate debt against the labor of the living people and their private property assets and to exercise control over them amounting to slavery.

## **Declaration of Law**

169. The instigators kidnapped and press-ganged the people and the land assets of the Continental United States by force, fraud, and deceit into the foreign international Jurisdiction of the Sea. Our own employees did this while taking a paycheck from our hand. They cannot claim that they were “at war” with us. They were merely criminals committing fraud against their benefactors and employers;

170. The members of “Congress” stand notified that they do not represent the Continental United States nor the People of the Continental United States. They have not occupied their lawful public office and have acted instead to occupy private “similarly named” corporate offices at both the “federal” and the “state” levels. They have no public capacity whatsoever and no valid contract obligating any American State Citizen to obey any law, code, treaty, regulation or

other legislation promoted as an “Act” of “Congress” in while failing to occupy public office and failing to act as responsible fiduciary officers;

171. The members of “Congress” stand further notified that they and the corporations they represent have no Lawful contract with any individual American State Citizen born on the land of the Continental United States and that all claims, liens, titles and presumptions against the living people and their assets on the land stand null and void ab initio for fraud, all the way back to April of 1862;

172. The members of “Congress” stand further notified that as presently constituted and operating, they have no public authority related to the Continental United States and exercise only the power any corporate entity has, so long as it acts lawfully and within its charter—which is to say, the authority to organize their actual employees, set standards for behavior within their own corporation, and perform the functions stipulated by their charters and law-abiding commercial contracts;

173. The Governors of the Federal “State” franchises are similarly notified and placed under Public Lien, required to release all color of law titles and liens registered under conditions of fraud against Continental United States assets;

174. The Joint Chiefs of Staff stand notified that they are obligated under the Geneva Convention Protocols of 1949 as well as The Constitution for the united States of America to come to the aid and assistance of the civilian populace of the Continental United States and to protect the civilian population and its assets at all costs and to prosecute those who have willingly violated Volume II, Article 3, of the Geneva Convention Protocols seeking to change the birthright citizenship and nationality of American state nationals of the Continental United States by fraud, force, and coercion;

175. The Joint Chiefs are also under obligation to return all civilian property unharmed and unencumbered to the rightful civilian owners, to remove all color of law titles and false liens against the labor and other private property assets of American State Citizens rightfully belonging to the land jurisdiction of the Continental United States;

176. The Joint Chiefs are fully and hereby notified that no commercial corporation on earth has the lawful ability to declare war and that the actions engaged in by the “Congress” and the “President” are merely the actions of a private corporation engaged in police actions and mercenary activities that must be closely scrutinized for conformance to international military law and with due respect for the actual Constitution for The united States of America and the citizenry of the Continental United States;

177. The Secretary of the Treasury and the INTERNAL REVENUE SERVICE are under Public Lien and demand to unblock all civilian public trust accounts and make available the entire balance of the National Credit (an amount equal to the National Debt, plus principle and interest) for the use and investment of individual Americans without constraint, excuse, or further obfuscation. This Public Declaration establishes irrevocable lien upon the assets of the United States Treasury and the International Monetary Fund and all subsidiaries and successors of the former Federal Reserve System and upon all Federal State franchises;

178. The Secretary General and General Secretary of the United Nations are both Notified and Given Fair Warning and Notice that the FEDERAL RESERVE and THE UNITED STATES OF

AMERICA, two corporations recently organized under the auspices of the United Nations City State by the UNITED NATIONS, INC. are already in Breach of their Charters and acting as criminal syndicates on the shores of the Continental United States, willfully seeking to defraud the living inhabitants of these peaceful States, and to exercise unlawful control over the citizenry and their assets;

179. The North American Water and Power Alliance is under Public Lien and is herein identified as the recipient of purloined credit owed to the Continental United States and the Citizenry thereof, due and owing, and is under demand to unblock all individual Capital Credit accounts for the use of the American state nationals who have been systematically defrauded and indebted resulting in the establishment of these credit accounts in their “NAMES” but retained in the control of local utility companies and the NAWP;

180. All fraudulent convertible debt resulting from the semantic deceptions and misuse of deceptively similar names applied to people and legal fiction entities is recognized as embezzlement of credit, willful identity theft, inland piracy, currency manipulation, obstruction of bankruptcy, and as unlawful restraint of trade accomplished by personage and enforced by barratry by the perpetrators of these schemes whether foreign or domestic;

181. **The Continental United States retains the right to prosecute claims against any and all legal fiction entities and living people responsible, the right to void all contracts in default, all titles held under color of law, all actions undertaken under conditions of semantic deceit or constructive fraud, all self-interested claims of “foreign immunity”, all restraint of trade or Natural rights owed the citizenry of the Continental United States, and all encroachment on its jurisdiction.**

## **Points & Authorities in Support**

**Originally Researched by Vatican Counsel and compiled by Declarant Carrie Ann McClain**

200. Fourth Century, 321 A.D. — Emperor Constantine of Rome first adopts the “Church” at the Council of Nicea;
201. Treaties with St. Boniface and Treaties between the Holy See and King Pepin the Sort of Franks. Pepin delivered and defended the Papal states of the Holy See, confirming the “temporal powers” of Rome and laying the groundwork for his son, Charlemagne, to create the First Holy Roman Empire; (751-800 A.D.)
202. Charter of the First Holy Roman Empire, 800 A.D;
203. King John of England breaks with the Roman Catholic Church, 1209. Edict of Excommunication of John of England;
204. Treaty of King John of England, Cede to Innocent III, 1213 A.D. John agrees that England and Ireland are both “fiefs” of Rome, and that his own crown will be forfeited to Rome if he breaks his own sworn agreement favoring the Pope;
205. Magna Carta, 1215 A.D. In signing the Magna Carta King John silently invoked the 1213 Papal agreement relinquishing his crown to the Pope. Thereafter, all lands explored and claimed in behalf of Catholic Monarchs and including the British Monarch as a vassal of Rome, were in fact first and wholly claimed in behalf of the Holy See, which returned a portion of the profit to the vassal monarchs in the form of “jurisdictions”. The Holy See retained the Global jurisdiction of the air, granted jurisdiction of the land to temporal authorities (recognized monarchs), and granted the international jurisdiction of the sea to the British Crown Temple to be administered under the ancient Law of the Sea (international admiralty and the Law Merchant (now the Uniform Commercial Code);
206. The Confirmatio Cartarum, 1294 — an agreement between King Edward and Pope Innocence which confirmed the Magna Carta as the common law of England;
207. Charter(s) of the Global Estate Trust (1455,1456,1479, and 1492 et alia) by Papal Bulls, especially the Inter Ceatera of May 3rd and 4th, 1493, by Pope Alexander VI;

212. “The Second Charter of Virginia”; May 23,1609
213. “The Third Charter of Virginia”; March 12,1611

214. “The Charter of New England”; 1620 It becomes obvious from the above that all these E(states) were formed as commercial ventures under the auspices of Monarchies owing fealty to the Holy See;
215. “Cestui Que Vie Act of 1666” Sets forth the nature and construction of Roman Inferior Trusts in England to allow state management of property belonging to unknown survivors of the Black Death and the Fire of London;
216. “Charter for the Province of Pennsylvania” 1681. More proof of the commercial and non-religious nature of the founding principles that the Holy See employs in managing its temporal affairs and providing government services;
217. “Charter of the Corporation of the Bank of England, 1694”;
218. The Revolutionary War “ (1776-1780);

223. The Constitution for The United States of America, 1787 & The Bill of Rights, 1791;
224. Act of February 20, 1792, Establishing a General Post Office for the United States government, in addition to the already existing general post office;
225. 2 Stat § 153 enacted by the U.S. Congress, legislating positive law requirements for creating a “U.S. citizen”; (1802)
226. The failure of the Congress to renew the 20-year Charter of the U.S. Bank, AND the eminent passage of the Original 13th Amendment, precipitated the War of 1812. Not only were the British-controlled Banks being eliminated, but also the Crown Temple controlled Attorneys with their Title of Nobility of Esquire, being banned from Office and control;
227. U.S. v Bevans, 16 U.S. 336, 1818. Establishes two separate jurisdictions within the United States of America: (1) The “federal zone”, and (2) “the Several (50) States”;
228. The Treat of Ghent, 1814;
229. The Congress of Vienna, 1814-1815; The early plotting by Vatican and Eastern European Bankers and sympathizers to undermine American Independence and Freedoms;
230. The Secret Treaty of Verona, 1822, American Diplomatic Code, 1778-1884, vol. 2; Elliott, p.179 and CONGRESSIONAL RECORD — SENATE, 64th CONGRESS, 1st SESSION, VOLUME 53, PART 7, Page 6781, April 25, 1916, in which the Higher Contracting Powers agreed to undermine the American government;

231. The Original 13th Amendment (1819), which barred Titles of Nobility — such as Esquire, and prohibited them from holding any public office, was ratified by 3/4 of the States when Virginia joined-in the ratification process in 1819, after the War of 1812;
232. “Bankruptcy Law (of England)”, 1826;
233. “First Bank Act (America)”, 1863 — the American counterpart of the English Bankruptcy Law;
234. President Andrew Jackson ran his campaign on the motto of “Casting those Vipers Out”, referring, of course, to the heavily British influenced 2nd U.S. Bank. The Congress, once again, refused to renew their twenty-year charter;
235. The Lieber Code, also known as General Order 100, April 24, 1863, by President Abraham Lincoln as Commander-in-Chief, making the Union Army responsible for proper treatment of the Southern States and their inhabitants during reconstruction. The Lieber Code requires the Army — or in modern terms, the Department of Defense, to pay reparations to all non-combatant civilians harmed. This Code has never been repealed or changed. It is the reason that we continue to have “Secretary Generals”, “Postmaster Generals”, “Attorney Generals”, “Inspector Generals”, and “Lieutenant Governors”;
236. The Reform Act of 1867 (Britain) — First use of enfranchisement as a political tool to undermine legal standing of living men under Chancellor or the Exchequer, Benjamin Disraeli;

## **Under the CORPORATE U.S. CONGRESS**

237. The Reconstruction Act of 1867 — American counterpart.
238. The United States of America, Incorporated (1868) became a commercial corporation for profit as later chartered in France in 1871 by the International Monetary Fund, an agency of the UNITED NATIONS which was chartered by the Vatican.
239. “The Constitution of the United States of America”, (1868) — established by the “U.S. CONGRESS” acting as Board of Directors to form the United States of America, Inc. as a Trust Management Organization to operate both the Municipal government of the United States of America (Minor) and to administer and fulfill the National Trust Indenture and service contracts owed the now - 50 States known as The United States of America (Major);
240. The Act of 1871 — Formally incorporated the Municipal (city-state) government of the District of Columbia as a separate nation operated according to its own government and code;
241. U.S. v Anthony, 24 Fed. 829 (1873). “The term resident and citizen of the United States is distinguished from a Citizen of one of the several states, in that the former is a special class of citizen created by Congress.” Though the judge fails to fully admit the circumstance, “U.S. citizenship” was created as an excuse for the government to claim ownership of all the slaves supposedly freed by the Civil War as chattel backing Union war debts. To this day, black Americans have only “Civil Rights”;
242. Merriam’s Estate, 36 NE 505,506, 22: “...the United States is to be regarded as a body politic and corporate. It is suggested that the United States is to be regarded as a domestic

corporation, so far as the State of New York is concerned. We think this contention has no support in reason or authority. The United States is a foreign corporation in relation to a State”.

243. U.S. v Cruikshank, 92 U.S. 542, 23 L.Ed 588, (1875). “There is in our political system [two governments], a government of the Several [50] States, and a government of the United States. Each is distinct from the other and has citizens of its own. A person may be a citizen of the United States, and of a State, and as such have different rights”;

244. United States v Germane, 99 U.S. 508 (1879); Norton v Shelby County, 118 U.S. 425, 441, 6 S.Ct. 1121 (1866), etc. dating to Pope v Commissioner, 138 F.2d 1006, 1009 (6th Cir. 1943); where the state is concerned, the most recent corresponding decision was State v Pinckney, 276 N.W. 2D 433, 436 (Iowa 1979). All these are supporting case law establishing res judicata regarding the nature of The United States (original TMO) and a State (one of the “Several States” of the Union) as first expressed in the Merriam’s Estate case cited above;

245. Title 8 U.S.C. §§ 1101(a), (3), (21) and (22) and Public Law, 15 U.S. Stat. Chapter 249, pps.223-224, Under Federal Code (the internal “law” of the United States of America, Inc. there is absolute distinction between “U.S. citizens” and “American Nationals”, who has the Right of expatriation;

246. The Insular Tariff Cases, U.S. Supreme Court, 1900-1904 —A series of U.S. Supreme Court cases that resulted in allowing Congress to operate “the United States of America (Minor)— D.C., Guam, Puerto Rico, et alia — as separate and foreign nation states without regard for the requirements imposed by The Constitution for The united States of America (Major). From one of the cases, Downes v Bidwell, 182 U.S. 244 (1901), we quote Justice Marshall Harlan writing in dissent: “two national government, independently of that instrument, by exercising such powers as other nations of earth are accustomed to...a radical and mischievous change in our system of government will result. We will, in that event, pass from the era of constitutional liberty guarded and protected by a written constitution into an era of legislative absolutism. It will be an evil day for American liberty if the theory of a government outside the supreme law of the land finds lodgment in our constitutional jurisprudence;”

247. Charter of The Corporation Trust Company of America, 1907 A.D;

248. The Federal Reserve Act, 1913. Allows a private for-profit banking association doing business under the purposefully deceitful name of “Federal Reserve” to commandeer the national monetary and economic systems, allowing these banks to print money and back only a small “fractional” portion of it with gold or silver. Later, they will be allowed to back the money with nothing at all but the promises of the U.S. Congress;

249. Hendrick v Maryland S.C. Reporter's Rd. 610-625, (1914). “A “U.S. citizen” upon leaving the District of Columbia becomes involved in “interstate commerce”, as a “resident” does not have the common-law right to travel, as a Citizen of one of the several states.” This “power of the Congress” to rule over the people of the District of Columbia and the insular states was used as an excuse to impose Driver’s Licenses on “U.S. citizens” living outside the confines of the United States (Minor) and misapplied to Citizens of The united States of America (Major) — so-called “State Citizens” who were entrapped into contract by a process of mis-administration and legal presumption. This applies to the myriad of “licenses” and “codes” that

have been misapplied to the American People under undisclosed, misrepresented, and otherwise invalid private contracts;

250. Trading with the Enemy Act, Public Law No. 65-91 (40 Stat. L. 411), October 6, 1917, defines non-combatant American civilian Nationals and their States as “enemies” of the United States of America (Minor). This Act originally excluded citizens of the United States, but in the Act of March 9, 1933, Section 2 amended this to include “any person within the United States or any place subject to the jurisdiction thereof”. This has been used as a self-serving and transparent excuse to commit FRAUD and violence against Americans who never recognized any such “state of war” existed between themselves or their States and the United States of America (Minor), and who were instead already owed full fiduciary care under commercial equity contract (The Constitution for The united States of America (Major)), reparations under the Lieber Code, and trusteeship from the Global Estate Trust;

251. The Maternity Act/Sheppard-Towner Act, 1921 — first foray into socialized medicine and “registration” of live births.... All ruled unconstitutional by the U.S. Supreme Court during the 20’s, and placed into other Bills & Acts in pieces;

252. Title 26 C.F.R. Ch.1 § 1.141, et seq. — This is the Regulation which completely exposes U.S. Finances, and how they use the Birth Certificates as a Document of Title to back the U.S. Treasury Bonds, which are pledged to the Federal Reserve for their deficit-spending. One MUST carefully look-up each and every Definition given therein, in the multitude of other Volumes, to fully understand the text they are reading, as they apparently really didn’t want anyone figuring this out. Minutes of the Geneva Convention(s), May 1930. Declares international bankruptcy via treaties between G5 nations. The United States of America, Inc. was bankrupted internationally along with the Trust Management Organizations of four European nations including Great Britain, which caused a domino effect worldwide bankruptcy. Please note that the real property assets held by each national trust — the land, vegetation, animals, natural resources, etc. — are held in perpetual trust and are required to be unaffected by the ups and downs of any Trust Management Organization charged as Trustees to administer business affairs in behalf of the beneficiaries, who are the living people who inhabit each country;

253. Amended Charter renaming the above as The Corporation Trust Company, April 14, 1930;

254. Executive Order 6073 issued on March 10,1933, created the “bank holiday” and closed the doors of the bankrupt government-chartered banks (they were bankrupted as a whole because they operated under government charter, and because of the Great FRAUD. committed by the Governors of the several states, not because they were individually bankrupt);

255. Executive Order 6102 issued on April 5,1933, prohibited “hoarding” gold and required people to turn it (their private property) in to the Federal Reserve Banks (the creditors) under the false and undisclosed presumption that they were volunteering to stand as sureties for the debts of the United States of America, Incorporated;

256. Executive Order 6111 issued on April 20,1933, prohibited people from exporting gold. The creditors (banks) claimed that all the gold in private hands in the Several (now 50) States no longer belonged to the State Citizens and other Inhabitants, as a result of having been pledged by corporate officers of the privately owned and operated United States of America, Inc. acting

deceitfully named State “Governors” so confiscation of privately held American gold resources was instituted under conditions of false pretense and semantic deceit by officers of a bankrupted privately owned and operated Trust management Organization and their creditors, privately owned and operated international banks — the World Bank (now IMF), IBRD, and Federal Reserve;

257. Charges Against Board of Governors of the Federal Reserve Bank System, the Comptroller of the Currency and Secretary of the United States Treasury brought by Congressman Louis T. McFadden, May 23, 1933, Co-Chair of the House Banking Committee, U.S. Congressional Record, pps. 4055-4058;

258. House Joint Resolution 192, 73rd Congress, First Session, principally prior enrolled as Public Law, U.S. Statutes at Large, Vol. 1, Public Acts, 3rd Congress, 2nd Session, Chapter 48, especially 48.48.112 — This is the commercial remedy that they were required to create to make their confiscation of private gold and hypothecated titles to private land and business holdings “legal”. This remedy like the underlying surreptitious hypothecation of debt and claims against private property made by the officers of the United States of America, Inc. against the American Nationals was never widely circulated or disclosed for obvious reasons. Unaware of how they’d been injured and abused by those obligated to act as their Trustees, the inhabitants of the land were equally unable to access this remedy, which was for the government corporation to literally pre-pay all debts owed by the foreign situs trusts created to stand as sureties of the United States of America, Inc. Like irresponsible teenagers promising to make the payments on a car, the U.S. Congress “resolved” to pay its debts in such a way that the secondaries — the presumed-co-signers on their loans, the foreign situs trusts they named after American Nationals — would never default, and in theory, the living American Nationals would never be dunned or otherwise impacted by their fraudulent semantic deceits and false claims. In actual practice, the voucher and coupon system which should have been ubiquitously implemented never was, and the Internal Revenue Service, the agency responsible for both collecting taxes and dispensing credit owed individual accounts, was split into two distinct and separate entities, the Internal Revenue Service operated by the Federal Reserve and the IRS operated by the International Monetary Fund, which colluded to confuse and defraud the living people, billing them “as if” they owed the tax bills, and forcing them to pay the debts of the make-believe foreign situs trusts operated under their names using “fictional citizens” of the United States of America (Minor) but left the American Nationals even further in debt as a result of interest and service fees and import duties charged by the same banks;

259. U.S. Bankruptcy Act of 1933, especially Section 101 (11) — Declares the American People as the Creditors, the “United States” as the obligator, or Debtor. This established that the signatures of Americans were to be used as credit, but the “State” franchises of the United States of America, Inc., dba “United States”, “State of California”, etc., and their Trustees, dba Secretary of the Treasury of Puerto Rico, Custodian of Alien Property, Comptroller of the Currency, etc., were to discharge all debts;

260. Title 28 U.S.C. Ch.176, Federal Debt Collection Procedure — places all courts formerly operated by the United States of America, Inc. in equity and commerce venues under the International Monetary Fund, that is, in receivership and acting as corporate tribunals of the IMF, including “STATE” franchise courts;

261. 49 Stat. 3097 Treaty Series 881, (Convention on Rights and Duties of States), December 26, 1933 — enacted as a result of the bankruptcies, both national and international, by the U.S. CONGRESS — newly redefined to operate the UNITED STATES, INC. — replaced all the “statutory law” (Federal code and State Statutes) with international law. That is, the bankrupted United States, of America, Inc. continued in reorganization to function under Federal code, but the UNITED STATES, INC. operated by the IMF operates under the Uniform Commercial Code and International Admiralty Jurisdiction.

262. The Naturalization Act of 1935. More deceitful efforts to entrap American Nationals and claim that they were “U.S. citizens” subject to the whims of the “U.S. CONGRESS”;

263. Social Security Act, 1935. Contrives under conditions of conceit and non-disclosure to register everyone applying for any job, public or private, and to conscript them under these conditions to act as unpaid “voluntary” Withholding Agents in behalf of the Puerto Rican Estate Trusts set up “in their NAMES”;

264. U.S. Congressional Record Proceeding and Debates of the 76th Congress, Monday August 19, 1940. Third Session, Debate of Honorable Judge Thorkelson, “Steps Toward British Union, A World State, and International Strife - Part 1”;

265. Alien Registration Act, 1940 — Mandated registration of the names of all living Americans to create estate trusts operating under their names in foreign maritime and admiralty jurisdictions.

266. Buck Act, 1940. “Enfranchised” the ESTATES of American Nationals as “dual citizens” of The United States of America, and the United States of America (Minor)- and their respective franchises of the UNITED STATES, INC. operated as “STATES of States” (see UCC 1-207 Definitions) allowed this “enfranchisement” to stand as an excuse for claims of ownership and controlling interest in the assets of the individual ESTATE trusts — including the living men and women as slaves, and their private property as chattels still presumed to be “surety” for the debts of the United States of America, Inc. owed for the governmental services performed by the UNITED STATES, INC.;

267. The Clearfield Doctrine (1943) and U.S.C. Title 22: When a government operates as a commercial corporation it descends to the level of all such corporations and has NO special powers or attributes. It is only when acting as a properly formed unincorporated Body Politic that a government exercises sovereign power of any kind. Virtually all governments operating in the world today are for-profit corporations under contract to provide governmental services. The American “U.S. (Major) government” hasn't operated as a sovereign entity since 1865. The U.S. (Minor) government operates as a corporation.

268. The Bretton Woods Accords, Inclusive, 1944, succeeded until 1971 in partial restoration of the Gold and Silver Standard, and as a secondary result, ceded control of all the agencies, assets, departments, logos, symbols, etc. to the UNITED NATIONS and its International Monetary Fund (IMF) agency merely doing business as the UNITED STATES, INC. All STATE OF CALIFORNIA, and other “STATE OF...s offices are in fact U.N. Corporate offices.

269. *Hooven & Allison Co v Evatt*, 65 S.Ct. 870, 880, 321 U.S. 652, 89 L. Ed. 12, 52 (1945) conclusively affirmed that there are two (2) distinctly different United States, with TWO OPPOSITE FORMS OF GOVERNMENT.

270) United Nations Charter, 1946: (Note: the commercial company dba UNITED NATIONS existed prior to the city-state being chartered as the “United Nations”);

271) The Administrative Procedures Act (1946) “ Provides statutory admission that the ESTATES of private American state nationals are the priority creditors of the United States of America, Inc., and provides that private American state nationals deemed to be civil executors and “federal contracting officers” administering their own ESTATES are enabled to bring administrative claims against the United States of America, Inc. assets and also against the UNITED STATES. This is where we got two court systems with differently styled names “The U.S. District Court” and “THE U.S. DISTRICT COURT” for example. This was the remedy offered to the victims of the first FRAUD for the second FRAUD carried out against them by the UNITED NATIONS and the US. Bankruptcy Trustee, when they rolled the assets of the individual foreign situs trusts into Roman Inferior ESTATE trusts. Like the first remedy, this second remedy was never delivered to the people. The perpetrator banking cartels which were by now funding both the Courts and the COURTS simply ordered their employees not to recognize the identities and standing of the private American state nationals, conveniently laying claim to their ESTATES without providing remedy to them for the theft of controlling interest in their assets and misappropriation of their good faith and credit; and

272. Public Law 80-772 (1948) — page 826 in particular — always given ONLY in the Codified version, never the actual Public Law, as this exposes the fact there are NO Article III, Sect. 2 Courts in America, as they are all Article I Territorial Courts pursuant to MILOSZEWSKI v. SEARS ROEBUCK, 346 F. Supp 119 (1972) (2). Outside of Constitutional authority is 100% private authority — NO lawful authority. 18 U.S.C. 2381-85 Treason — Sedition. OPINION, FOX, Chief Judge (U.S. District Court of Michigan): “A mere statement of this fact may not seem very significant; corporations, after all, are not supposed to exercise the governmental powers with which the Bill of Rights was concerned. But this has been radically changed by the emergence of the public — private state. Today private institutions do exercise governmental power, more indeed, than “government” itself.... We have two governments in America, the one under the Constitution and a much greater one not under the Constitution. In short, the inapplicability of our Bill of Rights is one of the crucial facts in American life today.” In fact, private American state nationals are owed the Bill of Rights as they always have been. “U.S. citizens” are not owed the Bill of Rights. The problem is that we have all been self-interestly misidentified as “U.S. citizens” — a crime known as “personage” carried out against us by individuals and corporations in our employment and under contract to provide governmental services;

273. Foreign Sovereign Immunity Act, 1976. This releases all “State” laws and statutes to international jurisdiction, specifically to the Uniform Commercial Code (maritime law). The corporate franchises calling themselves “States” continue to publish their own copyrighted version of the Uniform Commercial Code with addendums and label it as “Statutes”, but these have NO actual enabling clause;

274. Senate Report 94-204, and Public Law 94-381: This was enacted while we were all busy celebrating our Bi-Centennial, and permanently modified the Federal Courts to a mere Territorial Jurisdiction by renaming them from the Constitutional District Court of the United States, to U.S. District Courts. This occurred in Alaska & Hawaii as well, where they were commanded via Title 28 of the U.S. Code (Judicial Code) in 1959, the year of their Admission, to rename their

U.S. District Courts, to District Courts of the United States. Then in 1976 they were renamed back along with all the others, to U.S. District Courts;

275. Title 22 U.S.C. Ch.11: All public official designated as foreign agents;

276. Title 22 C.F.R. 92, 12-92.31 “Foreign Relationship” requires an oath of office, and Title 8 U.S.C. 1481 states that once an oath of office is taken, citizenship is relinquished. As a result, when American Nationals are arbitrarily defined as “U.S. citizens” and harassed by agents of the United States of America (Minor) and the UNITED STATES, INC. into acting as “Withholding Agents”, “Federal Contracting Agents”, or members of the Armed Forces, or as Federal Employees of any stamp, they temporarily and for as long as they continue to act “in office” loose the protections and benefits of their birthright citizenship. This “presumption of employment” is often used by the corporate administrative tribunals to defraud and abuse American Nationals who are owed all the protections of the Constitution for The united States of America and the United Nations Declaration of Human Rights and also good faith service under contract;

277. Title 28 U.S.C.Â§ 3002, Paragraph (15) (a) defines the “United States” as a federal corporation, not a government. Paragraph (15) (c) defines the STATES as Instrumentalities of the UNITED STATES;

278. August 2015 Pope Francis (as owner) enters the UNITED STATES Corporation into Bankruptcy for liquidation in the World Court at the Hague, and on November 5th 2020 the World Court iñalizes the Bankruptcy while the votes were still being counted and disputed;

Conclusion & Judgment: “A Declaration, if not contested in a timely manner, is considered undisputed facts as a matter of law.” [Morris v NCR, 44 SW2d, 433], “Silence can only be equated with fraud when there is a legal or moral duty to speak or where an inquiry left unanswered would be intentionally misleading.” [U.S. V Pruden, 424 F.2d 1021 (1970)], and a Declaration after thirty days becomes the final judgment in commerce, so this matter stands res judicata, and is stare decisis, as no one served has responded in any way at all, fully admitting to the entirety of this Declaration through their tacit consent.
